- Cough
- Loss of taste/smell

Exposure to COVID-19 positive person
- ≥ 1 NEW symptom commonly or frequently found with COVID-19 that is a change from the student’s baseline

NO

FULLY VACCINATED

HAS SYMPTOMS

STAY HOME

ATTEND SCHOOL

Continue attending school and monitor for symptoms for 14 days from last contact. Staff must follow Cal/OSHA guidance.

UNVACCINATED

BOTH PERSONS HAD FACE MASKS ON

ATTEND SCHOOL

To continue attending in-person class sessions, ALL the following should be met:
1. Are asymptomatic
2. Continue to wear face mask
3. Test twice weekly during 10-day quarantine
4. Cannot attend any extracurricular school activities, including sports, conditioning, band practice, etc.

STAY HOME

To return to school, student will need to meet ALL the following:
1. Quarantine can end after day 10 from the date of last exposure, testing will not shorten the 10-day quarantine
2. Monitor for symptoms for 14 days from last exposure

FACE MASKS NOT ON

STAY HOME

To return to school, student will need to meet ALL the following:
1. Quarantine can end after day 10 from the date of last exposure, testing will not shorten the 10-day quarantine
2. Monitor for symptoms for 14 days from last exposure

NO

STAY HOME

To return to school, student will need to meet ONE of the following:
1. Confirm alternate diagnosis, with a doctor note AND 24 hours have passed since symptom resolution (without fever-reducing medications)
2. A negative COVID-19 test AND 24 hours have passed since symptom resolution (without fever-reducing medications)
3. A positive COVID-19 test AND 10 days have passed since symptom onset AND 24 hours have passed since resolution of symptoms (without fever-reducing medications)

FACE MASKS NOT ON

TO RETURN TO SCHOOL, STUDENT WILL NEED TO MEET ALL THE FOLLOWING:
1. No fever in the last 24 hours (without fever-reducing medications)
2. Improvement of symptoms
3. A negative COVID-19 test OR note from doctor confirming another underlying medical condition OR note from doctor confirming another diagnosis OR at least 10 days have passed since symptom onset

STAY HOME

To return to school, student will need to meet ONE of the following:

- You are considered fully vaccinated against COVID-19 two (2) weeks after:
  - You received a single-dose of the Johnson & Johnson/Janssen COVID-19 vaccine, OR
  - You received a second dose of a Pfizer or Moderna COVID-19 vaccine

Rev. 08/15/2021

This care pathway was designed to assist school personnel and is not intended to replace the clinician’s judgment or establish a protocol for all patients with a particular condition. Diagnosis and treatment should be under the close supervision of a qualified health care provider.
