

Student arrival & pick up

School gates will be opened to parents **after** buses have been unloaded at **8:40**

Parents/Guardians/Daycare of students taking the bus are responsible for taking students' temperatures and monitoring for symptoms, in the morning **before** placing them on the bus.

Cars will pull up to the unloading area for their class, staff will receive the students and take them to their classroom through the assigned gate.

Upon entering the campus, students will be screened at the front gate or while still in the car. Students with temperatures of 99.5 oF or greater or showing symptoms will need to return home.
