

ART TREK

Color Collision

Materials:

Drawing or copy paper
cut or folded in half

Pencil

Sharpie or dark crayon
or marker

Crayons

Cups to draw circles

Glue stick

Directions:

1. Draw four to five circles with some intersecting. Use different sized cup bases for this.
2. From one corner, or one spot along an edge, draw four straight lines crossing through the circles.
3. Trace over the circles and lines with a sharpie, or dark crayon/marker.
4. Color in every individual space with different colors. Push hard for vibrant colors.
5. Mat the composition on any colored paper you have.

Vocabulary: intersecting, trace, composition, vibrant
