

Does Your Local School Wellness Policy Measure Up?

A local school wellness policy (LSWP) is a written document that guides a local educational agency (LEA) or school district's efforts to establish a school environment that promotes students' health, well-being, and ability to learn. Use this checklist to review and update your wellness policy and ensure it meets all requirements written in *SEC. 204 of Public Law 111-296 Local School Wellness Policy Implementation* and the Code of Federal Regulation 210.30 and 220.7 and all Final Rule guidance.
