She is also helping grandparents apply for senior food boxes. There is a lot of need at our school site. There is a dropdown menu in the school website with more information; this information will be updated through the summer for our Soria families. ELAC had a meeting with Mr. Ridge and Padres Juntos and they raised their concerns about those families who are in dire need of support during this summer. One of Soria's teachers, Mr. Hess, received a grant of \$500 that was used to purchase food on Amazon for our families. There was a Parent Engagement initiative with Marlene Batista on Monday; Soria was chosen to be part of this and talk about engagement and helping our families through Distance Learning. Club Live continues to meet and they will provide a PC video about the effects of vaping and marijuana use in connection with Brite. The Parent Support Group is to offer parents informal support; they will be meeting today at 5:00 pm via Zoom.
