6. Click Set Options when done, then proceed with your search. In this case we've searched for Football. On the left of the search results you'll see filters to simplify the search results; for example, if you'd like only Spanish books, click Language and select Spanish. Notice that the results have a green "IN" earmark. If the book is IN, it's available to reserve. If it says OUT, you'll need to wait until the book becomes available.

The screenshot shows the Destiny Discover search interface. At the top, there is a search bar with the term 'football' and a search icon. To the right of the search bar is a button labeled 'Options are Set'. Below the search bar, there are tabs for 'Books', 'Collections', and 'Open Educational Resources'. On the left side, there is a 'Filters' sidebar with various filter categories: Author, Subject, Genre, Lexile, Interest Level, Reading Level, Series, Published, Pages, and Language. The main content area displays search results for 'football (22)'. The results are sorted by 'Relevance'. Three results are visible, each marked with a green 'IN' icon in the top left corner.
