

Mandated Trainings

Let's Begin!

Follow the instructions below to validate your email and access your personal Vector Solutions training site:

URL: <https://app.targetsolutions.com/oxnardesd> (type directly into address bar)

Username: **Your OSD email**

Password: **Oxnardtraining1**

The first time you log in, the system will prompt you to enter your **OSD email address twice**. You will receive an email from support.publicsector@vectorsolutions.com to verify your email address and to set your own password and security questions. **You must be sure to fully complete this process in order to validate your Vector Solutions account.**

Once you have logged in:

Click on **My Credentials** to view trainings that need to be completed or **View Schedule**. When an assignment is started but not completed it will move to **"My Assignments"** tab until fully completed. (This will be an annual compliance training at the beginning of each school year)
