PERSONNEL COMMISSION AGENDA ITEM

Name of Contributor(s): TR Lin
Interim Director, Classified Human Resources

Date of Meeting: December 10, 2020

TITLE: NEW CLASSIFICATION – Child Nutrition Services Operation Specialist

DESCRIPTION OF AGENDA ITEM:

District administration requested that the Personnel Commission create a new classification for a Child Nutrition Services Operation Specialist for the Child Nutrition Services department. Commission staff worked with Child Nutrition Services to develop the new classification presented in this item.

The intent of the new classification is to have a designated person in the central office in order to coordinate and assist the day-to-day needs of school sites in the preparation, cooking, and serving of meal programs to meet student needs; monitor and procure materials, food, equipment and supplies, and school site meal; review inventory; organize nutrition services staff training events; and develop marketing strategies. Currently, Child Nutrition Services Coordinator performs some of these functions for the designated school without a central coordination. It is the intent for this newly created position to enhance the efficiency of Child Nutrition operation.

Incumbent in the new classification Child Nutrition Services Operation Specialist will be housed in the administrative office, and be traveling to school sites to assist Child Nutrition Services Coordinators as needed.

It is recommended that this single position classification be part of the CSEA bargaining unit.

FISCAL IMPACT:

A survey was conducted on all the school districts in Ventura County, only Ventura Unified School District has a similar classification Food and Nutrition Service Operations Specialist ($21.14 to $26.52). In order to be competitive in the marketplace and maintain correct internal alignment, salary placement is being recommended at range 21.5 (equal to that of Purchasing Specialist, $22.33 to $27.16, based on a full-time employee) on the OSD/CSEA salary schedule.

RECOMMENDATION:

Staff recommends that the Personnel Commission take action to approve the new classification and class description for Nutrition Services Operation Specialist and allocate the class to range 21.5 on the OSD/CSEA Salary Schedule.
