Adoption of Resolution #21-11 – Week of the School Administrator, October 10-16, 2021
(Aguilera-Fort)

The State of California declared the second full week of October as the “Week of the School Administrator” (California Education Code 44015.1). It is well known that most school administrators begin their careers as teachers and move up the ranks to serve in public education for most of their careers. They are the leaders of our community and the future of children depends greatly on the quality of knowledge, experience, integrity and foresight of these individuals to promote ongoing student achievement and school success.

RECOMMENDATION:
It is the recommendation of the Superintendent that the Board of Trustees adopt Resolution #21-11 in recognition of the Week of the School Administrator, October 10-16, 2021.

ADDITIONAL MATERIALS:
Attached: Resolution #21-11 (1 page)
WHEREAS, Leadership Matters for California’s public education system and the more than 6 million students it serves. School Administrators are passionate, lifelong learners who believe in the value of quality public education; and

WHEREAS, the title "school administrator" is a broad term used to define many education leadership posts. Superintendents, assistant superintendents, principals, assistant principals, special education and adult education leaders, curriculum and assessment leaders, school business officials, classified educational leaders, and other school district employees are considered administrators; and

WHEREAS, most school administrators began their careers as teachers. The average administrator has served in public education for more than a decade. Most of California’s superintendents have served in education for more than 20 years. Such experience is beneficial in their work to effectively and efficiently lead public education and improve student achievement; and

WHEREAS, public schools operate with lean management systems. Across the nation, public schools employ fewer managers and supervisors than most public and private sector industries, including transportation, food service, manufacturing, utilities, construction, publishing and public administration; and

WHEREAS, school leaders depend on a network of support from school communities – fellow administrators, teachers, parents, students, businesses, community members, board trustees, colleges and universities, community and faith-based organizations, elected officials and district and county staff and resources – to promote ongoing student achievement and school success; and

WHEREAS, research shows that great schools are led by great principals, and great districts are led by great superintendents. These site leaders are supported by extensive administrative networks throughout the state; and

WHEREAS, the State of California has declared the second full week of October as the "Week of the School Administrator" in California Education Code 44015.1; and the future of California’s public education system depends upon the quality of its leadership;

NOW THEREFORE BE IT RESOLVED, by the Oxnard School District that all school leaders be commended for the contributions they make to successful student achievement.

Adopted this 6th day of October, 2021.

Annual Report on California Dashboard Local Indicators (DeGenna)

California Department of Education (CDE) continues to use a method of progress monitoring to determine student, school, and district progress on the eight state priority measures. Several of the priorities are measured by the results of data gathered directly by the state (CAASPP data, Attendance Reporting, Suspension/Expulsion reports) and others by local indicators. Progress on the local indicators is coded as MET or NOT MET. For each indicator, the LEA must identify the tools that will be used to evaluate progress on the indicator, implement and evaluate progress based on those tools, and report to the Governing Board. If these steps are met, the indicator is coded as met.

E. Summary of Valuation Data

This report is based on census data provided to us as of July, 2021. Distributions of participants by age and service can be found on page 17. The active count below excludes employees for whom it is not possible to receive retiree benefits (e.g. employees who are already older than the maximum age to which benefits are payable or who will not accrue the required service prior to reaching the maximum age).

F. Certification

The actuarial information in this report is intended solely to assist Oxnard SD in complying with Governmental Accounting Standards Board Accounting Statement 74 and 75 and, unless otherwise stated, fully and fairly discloses actuarial information required for compliance. Nothing in this report should be construed as an accounting opinion, accounting advice or legal advice. TCS recommends that third parties retain their own actuary or other qualified professionals when reviewing this report. TCS’s work is prepared solely for the use and benefit of Oxnard SD. Release of this report may be subject to provisions of the Agreement between Oxnard SD and TCS. No third party recipient of this report product should rely on the report for any purpose other than accounting compliance. Any other use of this report is unauthorized without first consulting with TCS.

This report is for fiscal year July 1, 2020 to June 30, 2021, using a measurement date of June 30, 2021. The calculations in this report have been made based on our understanding of plan provisions and actual practice at the time we were provided the required information. We relied on information provided by Oxnard SD. Much or all of this information was unaudited at the time of our evaluation. We reviewed the information provided for reasonableness, but this review should not be viewed as fulfilling any audit requirements. We relied on the following materials to complete this study:

- We used paper reports and digital files containing participant demographic data from the District personnel records.
- We used relevant sections of collective bargaining agreements provided by the District.

All costs, liabilities, and other estimates are based on actuarial assumptions and methods that comply with all applicable Actuarial Standards of Practice (ASOPs). Each assumption is deemed to be reasonable by itself, taking into account plan experience and reasonable future expectations and in combination represent our estimate of anticipated experience of the Plan.

This report contains estimates of the Plan’s financial condition and future results only as of a single date. Future results can vary dramatically and the accuracy of estimates contained in this report depends on the actuarial assumptions used. This valuation cannot predict the Plan's future condition nor guarantee its future financial soundness. Actuarial valuations do not affect the ultimate cost of Plan benefits, only the timing of Plan contributions. While the valuation is based on individually reasonable assumptions, other assumption sets may also be reasonable and valuation results based on those assumptions would be different. Determining results using alternative assumptions (except for the alternate discount and trend rates shown in this report) is outside the scope of our engagement.

Future actuarial measurements may differ significantly from those presented in this report due to factors such as, but not limited to, the following: plan experience differing from that anticipated by the economic or demographic assumptions; changes in economic or demographic assumptions; increases or decreases expected as part of the natural operation of the measurement methodology (such as the end of an amortization period or additional cost or contribution requirements based on the plan’s funded status); and changes in plan provisions or applicable law. We were not asked to perform analyses to estimate the potential range of such future measurements.

The signing actuary is independent of Oxnard SD and any plan sponsor. TCS does not intend to benefit from and assumes no duty or liability to other parties who receive this report. TCS is not aware of any relationship that would impair the objectivity of the opinion.

On the basis of the foregoing, I hereby certify that, to the best of my knowledge and belief, this report is complete and has been prepared in accordance with generally accepted actuarial principles and practices and all applicable Actuarial Standards of Practice. I meet the Qualifications Standards of the American Academy of
Actuaries to render the actuarial opinion contained herein.

PART II: LIABILITIES AND COSTS FOR RETIREE BENEFITS

A. Introduction.

We calculated the actuarial present value of projected benefit payments (APVPBP) separately for each participant. We determined eligibility for retiree benefits based on information supplied by Oxnard SD. We then selected assumptions that, based on plan provisions and our training and experience, represent our best prediction of future plan experience. For each participant, we applied the appropriate assumption factors based on the participant's age, sex, length of service, and employee classification.

The actuarial assumptions used for this study are summarized beginning on page 14.

B. Liability for Retiree Benefits.

For each participant, we projected future premium costs using an assumed trend rate (see Appendix C). To the extent Oxnard SD uses contribution caps, the influence of the trend factor is further reduced. We multiplied each year's benefit payments by the probability that benefits will be paid; i.e. based on the probability that the participant is living, has not terminated employment, has retired and remains eligible. The probability that benefit will be paid is zero if the participant is not eligible. The participant is not eligible if s/he has not met minimum service, minimum age or, if applicable, maximum age requirements.

The product of each year's benefit payments and the probability the benefit will be paid equals the expected cost for that year. We multiplied the above expected cost figures by the probability that the retiree would elect coverage. A retiree may not elect to be covered if retiree health coverage is available less expensively from another source (e.g. Medicare risk contract) or the retiree is covered under a spouse's plan. Finally, we discounted the expected cost for each year to the measurement date June 30, 2021 at 2.16% interest.

For any current retirees, the approach used was similar. The major difference is that the probability of payment for current retirees depends only on mortality and age restrictions (i.e. for retired employees the probability of being retired and of not being terminated are always both 100%).

The value generated from the process described above is called the actuarial present value of projected benefit payments (APVPBP). We added APVPBP for each participant to get the total APVPBP for all participants which is the estimated present value of all future retiree health benefits for all current participants. The APVPBP is the amount on June 30, 2021 that, if all actuarial assumptions are exactly right, would be sufficient to expense all promised benefits until the last participant dies or reaches the maximum eligibility age. However, for most actuarial and accounting purposes, the APVPBP is not used directly but is instead apportioned over the lifetime of each participant as described in the following sections.
C. Actuarial Accrual

Accounting principles provide that the cost of retiree benefits should be “accrued” over employees' working lifetime. For this reason, the Governmental Accounting Standards Board (GASB) issued in June of 2015 Accounting Standards 74 and 75 for retiree health benefits. These standards apply to all public employers that pay any part of the cost of retiree health benefits for current or future retirees (including early retirees), whether they pay directly or indirectly (via an “implicit rate subsidy”).

To actuarially accrue retiree health benefits requires determining the amount to expense each year so that the liability accumulated at retirement is, on average, sufficient (with interest) to cover all retiree health expenditures without the need for additional expenses. There are many different ways to determine the annual accrual amount. The calculation method used is called an “actuarial cost method” and uses the APVPBP to develop expense and liability figures. Furthermore, the APVPBP should be accrued over the working lifetime of employees.

In order to accrue the APVPBP over the working lifetime of employees, actuarial cost methods apportion the APVPBP into two parts: the portions attributable to service rendered prior to the measurement date (the past service liability or Total OPEB Liability (TOL) under GASB 74 and 75) and to service after the measurement date but prior to retirement (the future service liability or present value of future service costs). Of the future service liability, the portion attributable to the single year immediately following the measurement date is known as the normal cost or Service Cost under GASB 74 and 75.

The service cost can be thought of as the value of the benefit earned each year if benefits are accrued during the working lifetime of employees. The actuarial cost method mandated by GASB 75 is the “entry age actuarial cost method”. Under the entry age actuarial cost method, the actuary determines the service cost as the annual amount needing to be expensed from hire until retirement to fully accrue the cost of retiree health benefits. Under GASB 75, the service cost is calculated to be a level percentage of each employee’s projected pay.

D. Actuarial Assumptions

The APVPBP and service cost are determined using several key assumptions:

- The current cost of retiree health benefits (often varying by age, Medicare status and/or dependent coverage). The higher the current cost of retiree benefits, the higher the service cost.

- The “trend” rate at which retiree health benefits are expected to increase over time. A higher trend rate increases the service cost. A “cap” on District contributions can reduce trend to zero once the cap is reached thereby dramatically reducing service costs.

- Mortality rates varying by age and sex (and sometimes retirement or disability status). If employees die prior to retirement, past contributions are available to fund benefits for employees who live to retirement. After retirement, death results in benefit termination or reduction. Although higher mortality rates reduce service costs, the mortality assumption is not likely to vary from employer to employer.

- Employment termination rates have the same effect as mortality inasmuch as higher termination rates reduce service costs. Employment termination can vary considerably between public agencies.

- The service requirement reflects years of service required to earn full or partial retiree benefits. While a longer service requirement reduces costs, cost reductions are not usually substantial unless the service period exceeds 20 years of service.
Retirement rates determine what proportion of employees retire at each age (assuming employees reach the requisite length of service). Retirement rates often vary by employee classification and implicitly reflect the minimum retirement age required for eligibility. Retirement rates also depend on the amount of pension benefits available. Higher retirement rates increase service costs but, except for differences in minimum retirement age, retirement rates tend to be consistent between public agencies for each employee type.

Participation rates indicate what proportion of retirees are expected to elect retiree health benefits if a significant retiree contribution is required. Higher participation rates increase costs.

The discount rate estimates investment earnings for assets earmarked to cover retiree health benefit liabilities. The discount rate depends on the nature of underlying assets for funded plans. The rate used for a funded plan is the real rate of return expected for plan assets plus the long term inflation assumption. For an unfunded plan, the discount rate is based on an index of 20 year General Obligation municipal bonds rated AA or higher. For partially funded plans, the discount rate is a blend of the funded and unfunded rates.

E. Total OPEB Liability

The assumptions listed above are not exhaustive, but are the most common assumptions used in actuarial cost calculations. If all actuarial assumptions are exactly met and an employer expensed the service cost every year for all past and current employees and retirees, a sizeable liability would have accumulated (after adding interest and subtracting retiree benefit costs). The liability that would have accumulated is called the Total OPEB Liability (TOL). The excess of TOL over the value of plan assets is called the Net OPEB Liability (NOL). Under GASB 74 and 75, in order for assets to count toward offsetting the TOL, the assets have to be held in an irrevocable trust that is safe from creditors and can only be used to provide OPEB benefits to eligible participants.

Changes in the TOL can arise in several ways - e.g., as a result of plan changes or changes in actuarial assumptions. Change in the TOL can also arise from actuarial gains and losses. Actuarial gains and losses result from differences between actuarial assumptions and actual plan experience. GASB 75 allows certain changes in the TOL to be deferred (i.e. deferred inflows and outflows of resources).

Under GASB 74 and 75, a portion of actuarial gains and losses can be deferred as follows:

- Investment gains and losses are deferred five years.
- Experience gains and losses are deferred over the Expected Average Remaining Service Lives (EARS) of plan participants. In calculating the EARSL, terminated employees (primarily retirees) are considered to have a working lifetime of zero. This often makes the EARSL quite short.
- Liability changes resulting from changes in economic and demographic assumptions are also deferred based on the EARSL.
- Liability changes resulting from plan changes, for example, cannot be deferred.

2. Service Cost

The service cost represents the value of the benefit earned during a single year of employment. It is the APVPBP spread over the expected working lifetime of the employee and divided into annual segments. We applied an "entry age" actuarial cost method to determine funding rates for active employees. The table below summarizes the calculated service cost.

| Service Cost Valuation Year Beginning July 1, 2021 |
|----------------------------------------|----------------|----------------|----------------|----------------|----------------|
| # of Eligible Employees                | 1,006          | 681            | 289            | 27             | 9              |
| First Year Service Cost                |                |                |                |                |                |
| Pre-65 Benefit                         | $3,811,021     | $2,600,739     | $1,068,433     | $106,272       | $35,577        |
| Post-65 Benefit                        | $2,190,959     | $1,825,080     | $299,693       | $56,376        | $9,810         |
| Total                                 | $6,001,980     | $4,425,819     | $1,368,126     | $162,648       | $45,387        |

Accruing retiree health benefit costs using service costs levels out the cost of retiree health benefits over time and more fairly reflects the value of benefits "earned" each year by employees. While the service cost for each employee is targeted to remain level as a percentage of covered payroll, the service cost as a dollar amount would increase each year based on covered payroll. Additionally, the overall service cost may grow or shrink based on changes in the demographic makeup of the employees from year to year.
3. Total OPEB Liability and Net OPEB Liability

If actuarial assumptions are borne out by experience, the District will fully accrue retiree benefits by expensing an amount each year that equals the service cost. If no accruals had taken place in the past, there would be a shortfall of many years’ accruals, accumulated interest and forfeitures for terminated or deceased employees. This shortfall is called the Total OPEB Liability. We calculated the Total OPEB Liability (TOL) as the APVPBP minus the present value of future service costs. To the extent that benefits are funded through a GASB 74 qualifying trust, the trust’s Fiduciary Net Position (FNP) is subtracted to get the NOL. The FNP is the value of assets adjusted for any applicable payables and receivables as shown in the table on page 15.

4. “Pay As You Go” Projection of Retiree Benefit Payments

We used the actuarial assumptions shown in Appendix C to project the District’s ten year retiree benefit outlay, including any implicit rate subsidy. Because these cost estimates reflect average assumptions applied to a relatively small number of participants, estimates for individual years are certain to be inaccurate. However, these estimates show the size of cash outflow.

The following table shows a projection of annual amounts needed to pay the District’s share of retiree health costs, including any implicit rate subsidy.

H. Procedures for Future Valuations

GASB 74/75 require annual measurements of liability with a full actuarial valuation required every two years. This means that for the measurement date one year following a full actuarial valuation, a streamlined “roll-forward” valuation may be performed in place of a full valuation. The following outlines the key differences between full and roll-forward valuations.

<table>
<thead>
<tr>
<th></th>
<th>Full Actuarial Valuation</th>
<th>Roll-Forward Valuation</th>
</tr>

<tbody>
<tr>

</tr>
<tr>

<tr>
<td>Information Needed from Employer</td>
<td>Moderate</td>
<td>Minimal</td>
</tr>
<tr>
<td>Required Frequency</td>
<td>At least every two years</td>
<td>Each year, unless a full valuation is performed</td>
</tr>
</tbody>
</table>

The majority of employers use an alternating cycle of a full valuation one year followed by a roll-forward valuation the next year. However, a full valuation may be required or preferred under certain circumstances. Following are examples of actions that could cause the employer to consider a full valuation instead of a roll-forward valuation:

- The employer considers or puts in place an early retirement incentive program.
- The employer considers or implements changes to retiree benefit provisions or eligibility requirements.
- The employer desires the measured liability to incorporate more recent census data or assumptions.
- The employer forms a qualifying trust or changes its investment policy.
- The employer adds or terminates a group of participants that constitutes a significant part of the covered group.

We anticipate that the next valuation we perform for Oxnard SD will be a roll-forward valuation with a measurement date of June 30, 2022 which will be used for the fiscal year ending June 30, 2022. Please let us know if Oxnard SD would like to discuss whether another full valuation would be preferable based on any of the examples listed above.
PART III: ACTUARIAL ASSUMPTIONS AND METHODS

Following is a summary of actuarial assumptions and methods used in this study. The District should carefully review these assumptions and methods to make sure they reflect the District’s assessment of its underlying experience. It is important for Oxnard SD to understand that the appropriateness of all selected actuarial assumptions and methods are Oxnard SD’s responsibility. Unless otherwise disclosed in this report, TCS believes that all methods and assumptions are within a reasonable range based on the provisions of GASB 74 and 75, applicable actuarial standards of practice, Oxnard SD’s actual historical experience, and TCS’s judgment based on experience and training.

A. ACTUARIAL METHODS AND ASSUMPTIONS:

**ACTUARIAL COST METHOD:** GASB 74 and 75 require use of the entry age actuarial cost method.

Entry age is based on the age at hire for eligible employees. The attribution period is determined as the difference between the expected retirement age and the age at hire. The APVPBP and present value of future service costs are determined on a participant by participant basis and then aggregated.

**SUBSTANTIVE PLAN:** As required under GASB 74 and 75, we based the valuation on the substantive plan. The formulation of the substantive plan was based on a review of written plan documents as well as historical information provided by Oxnard SD regarding practices with respect to employer and employee contributions and other relevant factors.
B. ECONOMIC ASSUMPTIONS:
Economic assumptions are set under the guidance of Actuarial Standard of Practice 27 (ASOP 27). Among other things, ASOP 27 provides that economic assumptions should reflect a consistent underlying rate of general inflation. For that reason, we show our assumed long-term inflation rate below.

**INFLATION:** We assumed 2.50% per year used for pension purposes. Actuarial standards require using the same rate for OPEB that is used for pension.

**INVESTMENT RETURN / DISCOUNT RATE:** We assumed 2.16% per year net of expenses. This is based on assumed long-term return on employer assets. We used the “Building Block Method”. (See Appendix C, Paragraph 53 for more information). Our assessment of long-term returns for employer assets is based on long-term historical returns for surplus funds invested pursuant to California Government Code Sections 53601 et seq.

**TREND:** We assumed 4.00% per year. Our long-term trend assumption is based on the conclusion that, while medical trend will continue to be cyclical, the average increase over time cannot continue to outstrip general inflation by a wide margin. Trend increases in excess of general inflation result in dramatic increases in unemployment, the number of uninsured and the number of underinsured. These effects are nearing a tipping point which will inevitably result in fundamental changes in health care finance and/or delivery which will bring increases in health care costs more closely in line with general inflation. We do not believe it is reasonable to project historical trend vs. inflation differences several decades into the future.

**PAYROLL INCREASE:** We assumed 2.75% per year. Since benefits do not depend on salary (as they do for pensions), using an aggregate payroll assumption for the purpose of calculating the service cost results in a negligible error.

**FIDUCIARY NET POSITION (FNP):** The following table shows the beginning and ending FNP numbers that were provided by Oxnard SD.

**COSTS FOR RETIREE COVERAGE**
Retiree liabilities are based on actual retiree premium plus an implicit rate subsidy of 52.9% of non-Medicare medical premium. Liabilities for active participants are based on the first year costs shown below, which include the implicit rate subsidy. Subsequent years’ costs are based on first year costs adjusted for trend and limited by any District contribution caps.

**SPOUSE AGES**
To the extent spouse dates of birth are not provided and when needed to calculate benefit liabilities, female spouse assumed to be three years younger than male.

**AGING FACTORS**
We used aging factors from "Health Care Costs - From Birth to Death" prepared by Dale Yamamoto and published in 2013 by the Society of Actuaries as part of the Health Care Cost Institute's Independent Report Series - Report 2013-1.

APPENDIX B: ADMINISTRATIVE BEST PRACTICES

It is outside the scope of this report to make specific recommendations of actions Oxnard SD should take to manage the liability created by the current retiree health program. The following items are intended only to allow the District to get more information from this and future studies. Because we have not conducted a comprehensive administrative audit of Oxnard SD’s practices, it is possible that Oxnard SD is already complying with some or all of these suggestions.

- We suggest that Oxnard SD maintain an inventory of all benefits and services provided to retirees – whether contractually or not and whether retiree-paid or not. For each, Oxnard SD should determine whether the benefit is material and subject to GASB 74 and/or 75.

- Under GASB 75, it is important to isolate the cost of retiree health benefits. Oxnard SD should have all premiums, claims and expenses for retirees separated from active employee premiums, claims, expenses, etc. To the extent any retiree benefits are made available to retirees over the age of 65 – even on a retiree-pay-all basis – all premiums, claims and expenses for post-65 retiree coverage should be segregated from those for pre-65 coverage. Furthermore, Oxnard SD should arrange for the rates or prices of all retiree benefits to be set on what is expected to be a self-sustaining basis.

- Oxnard SD should establish a way of designating employees as eligible or ineligible for future OPEB benefits. Ineligible employees can include those in ineligible job classes; those hired after a designated date restricting eligibility; those who, due to their age at hire cannot qualify for District-paid OPEB benefits; employees who exceed the termination age for OPEB benefits, etc.

- Several assumptions were made in estimating costs and liabilities under Oxnard SD’s retiree health program. Further studies may be desired to validate any assumptions where there is any doubt that the assumption is appropriate. (See Part III of this report for a summary of assumptions.) For example, Oxnard SD should maintain a retiree database that includes – in addition to date of birth, gender and employee classification – retirement date and (if applicable) dependent date of birth, relationship and gender. It will also be helpful for Oxnard SD to maintain employment termination information – namely, the number of OPEB-eligible employees in each employee class that terminate employment each year for reasons other than death, disability or retirement.
This report does not necessarily include the entire accounting values. As mentioned earlier, there are certain deferred items that are employer-specific. The District should consult with its auditor if there are any questions about what, if any, adjustments may be appropriate.

GASB 74/75 include a large number of items that should be included in the Note Disclosures and Required Supplementary Information (RSI) Schedules. Many of these items are outside the scope of the actuarial valuation. However, following is information to assist the District in complying with GASB 74/75 disclosure requirements:

**Paragraph 50:** Information about the OPEB Plan

Most of the information about the OPEB plan should be supplied by Oxnard SD. Following is information to help fulfill Paragraph 50 reporting requirements.

50.c: Following is a table of plan participants

**Paragraph 51:** Significant Assumptions and Other Inputs

Shown in Part III.

**Paragraph 52:** Information Related to Assumptions and Other Inputs

The following information is intended to assist Oxnard SD in complying with the requirements of Paragraph 52.

52.b: Mortality Assumptions Following are the tables the mortality assumptions are based upon. Inasmuch as these tables are based on appropriate populations, and that these tables are used for pension purposes, we believe these tables to be the most appropriate for the valuation.

## 52.c: Experience Studies

Following are the tables the retirement and turnover assumptions are based upon. Inasmuch as these tables are based on appropriate populations, and that these tables are used for pension purposes, we believe these tables to be the most appropriate for the valuation.

For other assumptions, we use actual plan provisions and plan data.

52.d: The alternative measurement method was not used in this valuation.

**Paragraph 53:**

**Discount Rate**

The following information is intended to assist Oxnard SD to comply with Paragraph 53 requirements.

53.a: A discount rate of 2.16% was used in the valuation. The interest rate used in the prior valuation was 2.20%.

53.b: We assumed that all contributions are from the employer.

53.c: We used historic 20 year real rates of return for each asset class along with our assumed long-term inflation assumption to set the discount rate. We offset the expected investment return by investment expenses of 34 basis points.

53.d: The interest assumption does not reflect a municipal bond rate.

53.e: Not applicable.

53.f: Following is the assumed asset allocation and assumed rate of return for each.

<table>
<thead>
<tr>
<th>Asset Class</th>

We looked at rolling periods of time for all asset classes in combination to appropriately reflect correlation between asset classes. That means that the average returns for any asset class don’t necessarily reflect the averages over time individually, but reflect the return for the asset class for the portfolio average. We used geometric means.

**Paragraph 55:** Changes in the Net OPEB Liability

Please see reconciliation on pages 2 or 12.

**Paragraph 56:** Additional Net OPEB Liability Information

The following information is intended to assist Oxnard SD to comply with Paragraph 56 requirements.

56.a: The valuation date is June 30, 2021.
   The measurement date is June 30, 2021.
56.b: We are not aware of a special funding arrangement.
56.c: The interest assumption changed from 2.20% to 2.16%. Assumed rates of retirement, termination, and mortality have been updated to align with those currently being used by the statewide pension systems.
56.d: There were no changes in benefit terms since the prior measurement date.
56.e: Not applicable
56.f: To be determined by the employer
56.g: To be determined by the employer
56.h: Other than contributions after the measurement, all deferred inflow and outflow balances are shown on page 12 and in Appendix D
56.i: Future recognition of deferred inflows and outflows is shown in Appendix D

**Paragraph 57:** Required Supplementary Information

57.a: Please see reconciliation on pages 2 or 12. Please see the notes for Paragraph 244 below for more information.
57.b: These items are provided on pages 2 and 12 for the current valuation, except for covered payroll, which should be determined based on appropriate methods.
57.c: We have not been asked to calculate an actuarially determined contribution amount. We assume the District contributes on an ad hoc basis, but in an amount sufficient to fully fund the obligation over a period not to exceed 20 years.
57.d: We are not aware that there are any statutorily or contractually established contribution requirements.

**Paragraph 58:** Actuarially Determined Contributions

We have not been asked to calculate an actuarially determined contribution amount. We assume the District contributes on an ad hoc basis, but in an amount sufficient to fully fund the obligation over a period not to exceed 20 years.

**Paragraph 244:** Transition Option

Prior periods were not restated due to the fact that prior valuations were not rerun in accordance with GASB 75. It was determined that the time and expense necessary to rerun prior valuations and to restate prior financial statements was not justified.

APPENDIX E: GLOSSARY OF RETIREE HEALTH VALUATION TERMS

Note: The following definitions are intended to help a non-actuary understand concepts related to retiree health valuations. Therefore, the definitions may not be actuarially accurate.

Actuarial Cost Method: A mathematical model for allocating OPEB costs by year of service. The only actuarial cost method allowed under GASB 74/75 is the entry age actuarial cost method.

Actuarial Present Value of Projected Benefit Payments: The projected amount of all OPEB benefits to be paid to current and future retirees discounted back to the valuation or measurement date.

Deferred Inflows/Outflows of Resources: A portion of certain items that can be deferred to future periods or that weren’t reflected in the valuation. The former includes investment gains/losses, actuarial gains/losses, and gains/losses due to changes in actuarial assumptions or methods. The latter includes contributions made to a trust subsequent to the measurement date but before the statement date.

Discount Rate: Assumed investment return net of all investment expenses. Generally, a higher assumed interest rate leads to lower service costs and total OPEB liability.

Fiduciary Net Position: Net assets (liability) of a qualifying OPEB “plan” (i.e. qualifying irrevocable trust or equivalent arrangement).

Implicit Rate Subsidy: The estimated amount by which retiree rates are understated in situations where, for rating purposes, retirees are combined with active employees and the employer is expected, in the long run, to pay the underlying cost of retiree benefits.

Measurement Date: The date at which assets and liabilities are determined in order to estimate TOL and NOL.

Mortality Rate: Assumed proportion of people who die each year. Mortality rates always vary by age and often by sex. A mortality table should always be selected that is based on a similar “population” to the one being studied.

Net OPEB Liability (NOL): The Total OPEB Liability minus the Fiduciary Net Position.

OPEB Benefits: Other Post Employment Benefits. Generally, medical, dental, prescription drug, life, long-term care or other postemployment benefits that are not pension benefits.

OPEB Expense: This is the amount employers must recognize as an expense each year. The annual OPEB expense is equal to the Service Cost plus interest on the Total OPEB Liability (TOL) plus change in TOL due to plan changes minus projected investment income; all adjusted to reflect deferred inflows and outflows of resources.

Participation Rate: The proportion of retirees who elect to receive retiree benefits. A lower participation rate results in lower service cost and a TOL. The participation rate often is related to retiree contributions.
### Pay As You Go Cost:
The projected benefit payments to retirees in a given year as estimated by the actuarial valuation. Actual benefit payments are likely to differ from these estimated amounts. For OPEB plans that do not pre-fund through an irrevocable trust, the Pay As You Go Cost serves as an estimated amount to budget for annual OPEB payments.

### Retirement Rate:
The proportion of active employees who retire each year. Retirement rates are usually based on age and/or length of service. (Retirement rates can be used in conjunction with the service requirement to reflect both age and length of service). The more likely employees are to retire early, the higher service costs and actuarial accrued liability will be.

### Service Cost:
The annual dollar value of the “earned” portion of retiree health benefits if retiree health benefits are to be fully accrued at retirement.

### Service Requirement:
The proportion of retiree benefits payable under the OPEB plan, based on length of service and, sometimes, age. A shorter service requirement increases service costs and TOL.

### Total OPEB Liability (TOL):
The amount of the actuarial present value of projected benefit payments attributable to participants’ past service based on the actuarial cost method used.

### Trend Rate:
The rate at which the employer’s share of the cost of retiree benefits is expected to increase over time. The trend rate usually varies by type of benefit (e.g. medical, dental, vision, etc.) and may vary over time. A higher trend rate results in higher service costs and TOL.

### Turnover Rate:
The rate at which employees cease employment due to reasons other than death, disability or retirement. Turnover rates usually vary based on length of service and may vary by other factors. Higher turnover rates reduce service costs and TOL.

### Valuation Date:
The date as of which the OPEB obligation is determined by means of an actuarial valuation. Under GASB 74 and 75, the valuation date does not have to coincide with the statement date, but can’t be more than 30 months prior.

MERRILL EDUCATIONAL CENTER SCHOOL CONTRACT

Thank you for choosing Merrill Educational Center and School! Following are the policies and the contractual agreement for the school.

Merrill Educational Center operates on a private school tuition plan. Like other private schools, each student has set hours and set fees for the semester. Parents or institutions must sign this contractual commitment for the remainder of the 2019-2020 fiscal year and the fiscal year of 2020/2021, when the student starts classes. A school calendar designating semester dates and holidays will be provided.

Districts will be billed on a monthly basis for each of the 12 months of the school year. All payments need to be received by the 1st of each month with a 5% penalty charged after the 3rd of the month. This contract specifies 25 hours of instructional time per week, at a tuition rate of $7,600.00 per month. Students are charged $10 a day for a lunch, should they require one. In addition, workbooks bought for a student will be billed on the next statement.

We are unable to make-up missed sessions which are generated by a student’s absence, as our teachers work back-to-back to service students daily. Consequently, no requests made on behalf of a student for make-up hours will be scheduled. When a teacher is absent, a substitute will be provided.

All students need to be at school on time. Their books should remain in their locker here, unless they are needed for study or homework.

All cell phones must be turned off during class time. If you need to reach your child during class, please call the office.

When a student is going to be absent, a parent must call the school as soon as possible.

In the case of private transportation, please provide the name and number to contact if the bus is late, or have the driver call us at 818-863-0008.

An outside school can expect a summary of the child’s curriculum for the current month, at the end of that month.

The Center should also know if the student should be escorted to the restroom and back to class, or if the student should be permitted to go alone.

In the situation of a non English Dominant student, and in the event that the student speaks primarily Spanish, an interpreter will hear the student’s concerns and make certain that the student’s concerns are known.

Please sign below and return this form to our office by the student’s first day with us. Students arriving without a signed contract will not be allowed to start school, per insurance regulations.
Thank you for your cooperation and please call the school if you have any questions or concerns.

I have read and agree to follow the above listed policies. I understand that I am making a financial commitment for the remainder of the 2019-2020 fiscal year and the fiscal year of 2020/2021.

Each party agrees to exercise due care in protecting the Confidential Information from unauthorized use and disclosure. 6 REPRESENTATIONS, WARRANTIES AND DISCLAIMER

6.1 Representations and Warranties. Each party represents and warrants to the other party that (a) such party has the required power and authority to enter into this Agreement and to perform its obligations hereunder, (b) the execution of this Agreement and performance of its obligations thereunder do not and will not violate any other agreement to which it is a party or any law or regulation applicable to it, and (c) this Agreement constitutes a legal, valid and binding obligation when signed by both parties. Client further represents and warrants that it has the right to provide Client Data to Panorama as well as the licenses and rights therein and thereto for the purposes contemplated by this Agreement.

6.2 Disclaimer. Except as expressly set forth herein, the Platform is provided on an “AS-IS” basis and Panorama disclaims any and all warranties, except as otherwise expressly provided in this Agreement, neither party makes any additional representation or warranty of any kind, whether express, implied (either in fact or by operation of law), or statutory, as to any matter whatsoever. All other express or implied conditions, representations and warranties are hereby excluded to the extent allowed by applicable law. Each party expressly disclaims all implied warranties of merchantability, fitness for a particular purpose, quality, accuracy, title, and non-infringement. Neither party warrants against interference with the enjoyment of the products or services provided by such party or against infringement. Neither party warrants that the products or services provided by such party are error-free or that operation of such party’s products or services will be secure or uninterrupted. Neither party will have the right to make or pass on any representation or warranty on behalf of the other party to any third party.

7 LIMITATIONS OF LIABILITY; INDEMNIFICATION

7.1 Disclaimer of Consequential Damages. The parties hereto agree that, notwithstanding any other provision in this Agreement, except for liability arising out of (a) client’s use of the platform other than expressly permitted by Section 1 (Right to Use Platform), (b) either party’s breach of Section 5 (Confidentiality), and (c) a party’s indemnification obligations set forth in Section 7.4 and 7.5 below, as applicable, in no event will either party be liable to the other for any special, indirect, reliance, incidental or consequential damages of any kind, lost or damaged data, lost profits or lost revenue, whether arising in contract, tort (including negligence), or otherwise, even if a party has been notified of the possibility thereof.

7.2 General Cap on Liability. Notwithstanding any other provision of this Agreement, except for liability arising out of (a) client’s use of the platform other than expressly permitted by Section 1 (Right to Use Platform), (b) either party’s breach of Section 5 (Confidentiality), and (c) a party’s indemnification obligations set forth in Section 7.4 and 7.5 below, as applicable, under no circumstances will either party’s liability for all claims arising under or relating to this Agreement (including but not limited to warranty claims), regardless of the forum and regardless of whether any action or claim is based on contract, tort, or otherwise, exceed the aggregate fees paid by client to Panorama under this Agreement during the twelve (12) month period preceding the event or circumstances giving rise to such liability. This limitation of liability is cumulative and not per incident.

7.3 Independent Allocations of Risk. Each provision of this Agreement that provides for a limitation of liability, disclaimer of warranties, or exclusion of damages is to allocate the risks of this Agreement between the parties. Each of these provisions is severable and independent of all other provisions of this Agreement. And each of these provisions will apply even if they have failed of their essential purpose.

7.4 Indemnification by Panorama. Except for liability for which Client is responsible under Section 7.5, Panorama will indemnify, defend and hold Client and the officers, directors, agents, and employees of Client (“Client Indemnified Parties”) harmless from settlement amounts and damages, liabilities, penalties, costs and expenses (“Liabilities”) that are payable to any third party or incurred by the Client Indemnified Parties (including reasonable attorneys’ fees) arising from any third party claim, demand or allegation that the use of the Platform in accordance with the terms and conditions of this Agreement infringes such third party’s copyright or results in a
misappropriation of such third party’s trade secrets. Panorama will have no liability or obligation under this Section 7.4 if such Liability is caused in whole or in part by (a) modification of the Platform by any party other than Panorama without Panorama’s express consent; (b) the combination, operation, or use of the Panorama with other product(s), data or services not provided by Panorama where the Platform would not by itself be infringing; or (c) unauthorized or improper use of the Platform. If the use of the Platform by Client has become, or in Panorama’s opinion is likely to become, the subject of any claim of infringement, Panorama may at its option and expense (i) procure for Client the right to continue using the Platform as set forth hereunder; (ii) replace or modify the Platform to make it non-infringing so long as the Platform has at least equivalent functionality; (iii) substitute an equivalent for the Platform or (iv) if options (i)-(iii) are not available on commercially reasonable terms, terminate the Agreement. This Section 7.4 states Panorama’s entire obligation and Client’s sole remedies in connection with any claim regarding the intellectual property rights of any third party.

7.5 Indemnification by Client. Client will indemnify, defend and hold Panorama and the officers, directors, agents, and employees of Panorama ("Panorama Indemnified Parties") harmless from Liabilities that are payable to any third party or incurred by the Panorama Indemnified Parties (including reasonable attorneys' fees) arising from any third party claim, demand or allegation arising from or related to any use by Client or Authorized Users of the Platform or Client Data in violation of the Agreement or any applicable federal, state or local law or regulation.

7.6 Indemnification Procedure. If a Client Indemnified Party or a Panorama Indemnified Party (each, an "Indemnified Party") becomes aware of any matter it believes it should be indemnified under Section 7.4 or Section 7.5, as applicable, involving any claim, action, suit, investigation, arbitration or other proceeding against the Indemnified Party by any third party (each an "Action"), the Indemnified Party will give the other party ("Indemnifying Party") prompt written notice of such Action. Indemnified Party will cooperate, at the expense of Indemnifying Party, with Indemnifying Party and its counsel in the defense and Indemnified Party will have the right to participate fully, at its own expense, in the defense of such Action with counsel of its own choosing. Any compromise or settlement of an Action will require the prior written consent of both parties hereunder, such consent not to be unreasonably withheld or delayed.

8 GENERAL

8.1 International. Client may not remove or export from, or use from outside, the United States or allow the export or re-export of the Platform or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority.

8.2 Relationship. No agency, partnership, joint venture, or employment is created as a result of the Agreement and a party does not have any authority of any kind to bind the other party in any respect whatsoever.

8.3 Publicity. Each party agrees that it will not, without prior written consent of the other, issue a press release regarding their business relationship. Notwithstanding anything herein to the contrary, Panorama may identify Client and the relationship between Panorama and Client in Panorama’s marketing collateral, website, and other promotional, proposal and marketing materials.

8.4 Assignment. Neither party may assign the Agreement by operation of law or otherwise or assign or delegate its rights or obligations under the Agreement without the other party’s prior written consent; provided however, that either party may assign the Agreement to an acquirer of or successor to all or substantially all of its business or assets to which the Agreement relates, whether by merger, sale of assets, sale of stock, reorganization or otherwise. Any assignment or attempted assignment by either party otherwise than in accordance with this Section 8 will be null and void.

8.5 Equitable Relief. In any action or proceeding to enforce rights under the Agreement, the prevailing party will be entitled to recover costs and attorneys’ fees. Client acknowledges that any unauthorized use of the Platform will cause irreparable harm and injury to Panorama for which there is no adequate remedy at law. In addition to all other remedies available under the Agreement, at law or in equity, Client further agrees that Panorama will be entitled to injunctive relief in the event Client uses the Platform in violation of the limited license granted herein or uses the Platform in any way not expressly permitted by the Agreement.

8.6 Force Majeure. Each party will be excused from performance for any period during which, and to the extent that, it is prevented from performing any obligation or service, in whole or in part, as a result of a cause beyond its reasonable control and without its fault or negligence, including, but not limited to, acts of God, acts of war, epidemics, fire, communication line failures, power failures, earthquakes, floods, blizzard, or other natural disasters (but excluding failure
caused by a party’s financial condition or any internal labor problems (including strikes, lockouts, work stoppages or slowdowns, or the threat thereof) (“Force Majeure Event”). Delays in performing obligations due to a Force Majeure Event will automatically extend the deadline for performing such obligations for a period equal to the duration of such Force Majeure Event. Except as otherwise agreed upon by the parties in writing, in the event such non-performance continues for a period of thirty (30) days or more, either party may terminate the Agreement by giving written notice thereof to the other party. Upon the occurrence of any Force Majeure Event, the affected party will give the other party written notice thereof as soon as reasonably practicable of its failure of performance, describing the cause and effect of such failure, and the anticipated duration of its inability to perform.

8.7 Governance. This Agreement will be governed by the laws of the Commonwealth of Massachusetts without regard to its conflict of laws provisions. For all disputes relating to this Agreement, each party submits to the exclusive jurisdiction of the state and federal courts located in Boston, Massachusetts and waives any jurisdictional, venue, or inconvenient forum objections to such courts.

8.8 Agreement. Both parties agree that the Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of the Agreement, and that all waivers and modifications must be in a writing signed by both parties, except as otherwise provided herein. If any provision of the Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that the Agreement will otherwise remain in full force and effect and enforceable. Any additional or different terms proposed by Client, including those contained in Client’s procurement order, acceptance, vendor portal or website, shall not be valid or have any effect unless expressly incorporated into the SO and agreed upon in writing by Panorama. Neither Panorama’s acceptance of Client’s procurement order nor its failure to object elsewhere to any provisions of any subsequent document, website, communication or act of Client shall be deemed acceptance thereof or a waiver of any of the terms in these Terms. If any term of the SO, including any exhibit attached thereto, expressly conflicts with a term of these Terms, the term of the SO (or if applicable the exhibit) shall prevail. If terms within the SO, including any exhibit attached thereto, and these Terms appear merely inconsistent or ambiguous, all such terms shall be given effect to the extent reasonably possible, with a term that is more specific and detailed on a certain matter prevailing over a more general term or silence on that matter. Silence in the SO, or in any exhibit attached thereto, or in these Terms, on a matter that is addressed elsewhere in the Agreement shall not be deemed to present an express conflict, inconsistency or ambiguity.

8.9 Notices. All notices under the Agreement will be in writing and sent to the recipient’s address set forth in the SO and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by facsimile or email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

Ratification of Amendment #1 to Agreement #19-01 with Tyler Technologies Inc.
(Quinto/Briscoe)

At the Board meeting of March 20, 2019, the Board of Trustees approved Agreement #19-01 with Tyler Technologies Inc., for a 3-year total of $51,992.50, to provide a hosted Pupil Transportation Data Management System, Traversa Core, for dispatching, field trips, fleet services, communication, and routing and planning. Traversa Core’s functionality includes bus routing, fleet maintenance and work orders, entity management (students, vehicles, and employees), messaging and alerts, planning and operations, and reporting. It is designed to help build and design efficient and cost-effective routes to transport students to and from school on time and on budget. It will empower the department to bridge the silos of information between school sites, teacher, staff, parents/guardians, and students with integrated software designed specifically for school districts.

Amendment #1, in the amount of $7,861.67, will add an Electronic Rollout Sheet for the term of the agreement, ensuring all vehicle and driver information is accurate and up to date for Traversa Ride 360. A mobile app for Apple and Android devices allows parents and students to access their secure data for bus stop location, route, and pick up time. Utilizing GPS, Ride 360 can use the GPS geolocation to let users know when to expect their bus each day, for a new total agreement amount of $59,854.17.

SECTION B – SAAS SERVICES

1. Rights Granted. We grant to you the non-exclusive, non-assignable limited right to use the SaaS Services solely for your internal business purposes for the number of Defined Vehicles only. The Tyler Software will be made available to you according to the terms of the SLA. You acknowledge that we have no delivery obligations and we will not ship copies of the Tyler Software as part of the SaaS Services. You may use the SaaS Services to access updates and enhancements to the Tyler Software, as further described in Section C(8).

2. SaaS Fees. You agree to pay us the SaaS Fees. Those amounts are payable in accordance with our Invoicing and Payment Policy. The SaaS Fees are based on the number of Defined Vehicles. You are permitted to exceed the number of licensed vehicles by twelve percent (12%) solely for the purpose of setting up spare vehicles. At no time may you actively use more than the number of vehicles licensed. You may exceed the number of Defined Vehicles by up to 50% only for the purpose of setting up White Fleet Vehicles, without paying additional SaaS fees.

3. Ownership.

3.1 We retain all ownership and intellectual property rights to the SaaS Services, the Tyler Software, and anything developed by us under this Agreement. You do not acquire under this Agreement any license to use the Tyler Software in excess of the scope and/or duration of the SaaS Services.

3.2 The Documentation is licensed to you and may be used and copied by your employees for internal, non-commercial reference purposes only.

3.3 You retain all ownership and intellectual property rights to the Data. You expressly recognize that except to the extent necessary to carry out our obligations contained in this Agreement, we
do not create or endorse any Data used in connection with the SaaS Services.

4. **Restrictions.** You may not: (a) make the Tyler Software or Documentation resulting from the SaaS Services available in any manner to any third party for use in the third party’s business operations; (b) modify, make derivative works of, disassemble, reverse compile, or reverse engineer any part of the SaaS Services; (c) access or use the SaaS Services in order to build or support, and/or assist a third party in building or supporting, products or services competitive to us; or (d) license, sell, rent, lease, transfer, assign, distribute, display, host, outsource, disclose, permit timesharing or service bureau use, or otherwise commercially exploit or make the SaaS Services, Tyler Software, or Documentation available to any third party other than as expressly permitted by this Agreement.

5. **Software Warranty.** We warrant that the Tyler Software will perform without Defects during the term of this Agreement. If the Tyler Software does not perform as warranted, we will use all reasonable efforts, consistent with industry standards, to cure the Defect in accordance with the maintenance and support process set forth in Section C(8), below, the SLA and our then current Support Call Process.

6. **SaaS Services.**

   6.1 Our SaaS Services are audited at least yearly in accordance with the AICPA’s Statement on Standards for Attestation Engagements (“SSAE”) No. 18. We have attained, and will maintain, SOC 1 and SOC 2 compliance, or its equivalent, for so long as you are timely paying for SaaS Services. Upon execution of a mutually agreeable Non-Disclosure Agreement (“NDA”), we will provide you with a summary of our compliance report(s) or its equivalent. Every year thereafter, for so long as the NDA is in effect and in which you make a written request, we will provide that same information.

   6.2 You will be hosted on shared hardware in a Tyler data center, but in a database dedicated to you, which is inaccessible to our other customers.

   6.3 We have fully-redundant telecommunications access, electrical power, and the required hardware to provide access to the Tyler Software in the event of a disaster or component failure. In the event any of your Data has been lost or damaged due to an act or omission of Tyler or its subcontractors or due to a defect in Tyler’s software, we will use best commercial efforts to restore all the Data on servers in accordance with the architectural design’s capabilities and with the goal of minimizing any Data loss as greatly as possible. In no case shall the recovery point objective (“RPO”) exceed a maximum of twenty-four (24) hours from declaration of disaster. For purposes of this subsection, RPO represents the maximum tolerable period during which your Data may be lost, measured in relation to a disaster we declare, said declaration will not be unreasonably withheld.

   6.4 In the event we declare a disaster, our Recovery Time Objective (“RTO”) is twenty-four (24) hours. For purposes of this subsection, RTO represents the amount of time, after we declare a disaster, within which your access to the Tyler Software must be restored.

   6.5 We conduct annual penetration testing of either the production network and/or web application to be performed. We will maintain industry standard intrusion detection and prevention systems to monitor malicious activity in the network and to log and block any such activity. We will provide you with a written or electronic record of the actions taken by us in the
event that any unauthorized access to your database(s) is detected as a result of our security protocols. We will undertake an additional security audit, on terms and timing to be mutually agreed to by the parties, at your written request. You may not attempt to bypass or subvert security restrictions in the SaaS Services or environments related to the Tyler Software. Unauthorized attempts to access files, passwords or other confidential information, and unauthorized vulnerability and penetration test scanning of our network and systems (hosted or otherwise) is prohibited without the prior written approval of our IT Security Officer.

6.6 We test our disaster recovery plan on an annual basis. Our standard test is not client-specific. Should you request a client-specific disaster recovery test, we will work with you to schedule and execute such a test on a mutually agreeable schedule.

6.7 We will be responsible for importing back-up and verifying that you can log-in. You will be responsible for running reports and testing critical processes to verify the returned Data. At your written request, we will provide test results to you within a commercially reasonable timeframe after receipt of the request.

6.8 We provide secure Data transmission paths between each of your workstations and our servers.

6.9 For at least the past twelve (12) years, all of our employees have undergone criminal background checks prior to hire. All employees sign our confidentiality agreement and security policies. Our data centers are accessible only by authorized personnel with a unique key entry. All other visitors must be signed in and accompanied by authorized personnel. Entry attempts to the data center are regularly audited by internal staff and external auditors to ensure no unauthorized access.

SECTION C – OTHER PROFESSIONAL SERVICES

1. Other Professional Services. We will provide you the various implementation-related services itemized in the Investment Summary and described in our industry standard implementation plan. We will finalize that documentation with you upon execution of this Agreement.

2. Professional Services Fees. You agree to pay us the professional services fees in the amounts set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy. You acknowledge that where the fees shown in the Investment Summary are based on an estimated number of hours or days of work to be performed, that these amounts are good-faith estimates of the amount of time and materials required for your implementation. We will bill you the actual fees incurred based on the in-scope services provided to you, but we will not exceed any amount without first obtaining your permission. Any discrepancies in the total values set forth in the Investment Summary will be resolved by multiplying the applicable hourly rate by the quoted hours.

3. Additional Services. The Investment Summary contains, and Exhibit D – Work Responsibilities describes, the scope of services and related costs (including programming and/or interface estimates) required for the project based on our understanding of the specifications you supplied. If additional work is required, or if you use or request additional services, we will provide you with an addendum or change order, as applicable, outlining the costs for the additional work. The price quotes in the addendum or change order will be valid for thirty (30) days from the date of the quote.
4. **Cancellation.** If travel is required, we will make all reasonable efforts to schedule travel for our personnel, including arranging travel reservations, at least two (2) weeks in advance of commitments. Therefore, if you cancel services less than two (2) weeks in advance (other than for Force Majeure or breach by us), you will be liable for all (a) non-refundable expenses incurred by us on your behalf, and (b) daily fees associated with cancelled professional services if we are unable to reassign our personnel. We will make all reasonable efforts to reassign personnel in the event you cancel within two (2) weeks of scheduled commitments.

5. **Services Warranty.** We will perform the services in a professional, workmanlike manner, consistent with industry standards. In the event we provide services that do not conform to this warranty, we will re-perform such services at no additional cost to you.

6. **Site Access and Requirements.** At no cost to us, you agree to provide us with full and free access to your personnel, facilities, computer network, and equipment as may be reasonably necessary for us to provide implementation services, subject to any reasonable security protocols or other written policies provided to us as of the Effective Date, and thereafter as mutually agreed to by you and us.

7. **Client Assistance.** You acknowledge that the implementation of the Tyler Software is a cooperative process requiring the time and resources of your personnel. You agree to use all reasonable efforts to cooperate with and assist us as may be reasonably required to meet the agreed upon project deadlines and other implementation obligations, including, without limitation, those set forth in Exhibit D ("Work Responsibilities"). This cooperation includes at least working with us to schedule the implementation-related services outlined in this Agreement. We will not be liable for failure to meet any deadlines and milestones when such failure is due to Force Majeure or to the failure by your personnel to provide such cooperation and assistance (either through action or omission).

8. **Maintenance and Support.** For so long as you timely pay your SaaS Fees according to the Invoicing and Payment Policy, then in addition to the terms set forth in the SLA and the Support Call Process, we will:

8.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the Tyler Software (limited to the then-current version and the immediately prior version);

8.2 provide telephone support during our established support hours;

8.3 maintain personnel that are sufficiently trained to be familiar with the Tyler Software, in order to provide maintenance and support services;

8.4 make available to you all major and minor releases to the Tyler Software (including updates and enhancements) that we make generally available without additional charge to customers who have a maintenance and support agreement in effect; and

8.5 provide non-Defect resolution support of prior releases of the Tyler Software in accordance with our then-current release life cycle policy.

We will use all reasonable efforts to perform support services remotely. Currently, we use GoToAssist by Citrix. Therefore, you agree to maintain a high-speed internet connection capable of connecting us to your PCs and server(s). You agree to provide us with a login account and local administrative
privileges as we may reasonably require to perform remote services. We will, at our option, use the secure connection to assist with proper diagnosis and resolution, subject to any reasonably applicable security protocols. If we cannot resolve a support issue remotely, we may be required to provide onsite services. In such event, we will be responsible for our travel expenses, unless it is determined that the reason onsite support was required was a reason outside our control. Either way, you agree to provide us with full and free access to the Tyler Software, working space, adequate facilities within a reasonable distance from the equipment, and use of machines, attachments, features, or other equipment reasonably necessary for us to provide the maintenance and support services, all at no charge to us. We strongly recommend that you also maintain your VPN for backup connectivity purposes.

For the avoidance of doubt, SaaS Fees do not include the following services, unless otherwise mutually agreed by the parties in writing: (a) onsite support (unless Tyler cannot remotely correct a Defect in the Tyler Software, as set forth above); (b) application design; (c) other consulting services; or (d) support outside our normal business hours as listed in our then-current Support Call Process. Requested services such as those outlined in this section will be billed to you on a time and materials basis at our then current rates. You must request those services with at least one (1) weeks’ advance notice.

9. **Expiration of Services.** Training services for which payment has been made that are not used prior to twenty-four (24) months from the Effective Date of the Agreement shall expire without refund or credit of fees paid to Client.

**SECTION D - INVOICING AND PAYMENT; INVOICE DISPUTES**

1. **Invoicing and Payment.** We will invoice you the SaaS Fees and fees for other professional services in the Investment Summary per our Invoicing and Payment Policy, subject to Section D(2).

2. **Invoice Disputes.** If you believe any delivered product or service does not conform to the warranties in this Agreement, you will provide us with written notice within thirty (30) days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice. You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all SaaS Services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so.

**SECTION F – TERM AND TERMINATION**

1. **Term.** The initial term of this Agreement is three (3) years from the first day of the first month following connectivity to the software (the Effective Date), unless earlier terminated as set forth below. Upon expiration of the initial term, this Agreement will renew automatically for up to two (2) additional one (1) year renewal terms at our then-current SaaS Fees unless terminated in writing by either party at least sixty (60) days prior to the end of the then-current renewal term. In no event will this agreement renew beyond 5 years from the Effective Date. In no event shall fees paid by Client under this Agreement exceed $90,000. Your right to access or use the Tyler Software and the
SaaS Services will terminate at the end of this Agreement.

2. **Termination.** This Agreement may be terminated as set forth below. In the event of termination, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Disputed fees and expenses in all terminations other than your termination for cause must have been submitted as invoice disputes in accordance with Section E(2).

2.1 **Failure to Pay SaaS Fees.** You acknowledge that continued access to the SaaS Services is contingent upon your timely payment of SaaS Fees. If you fail to timely pay the SaaS Fees, we may discontinue the SaaS Services and deny your access to the Tyler Software. We may also terminate this Agreement if you don’t cure such failure to pay within forty-five (45) days of receiving written notice of our intent to terminate.

2.2 **For Cause.** If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section H(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the thirty (30) day window set forth in Section H(3).

2.3 **Force Majeure.** Either party has the right to terminate this Agreement if a Force Majeure event suspends performance of the SaaS Services for a period of forty-five (45) days or more.

2.4 **Lack of Appropriations.** If you should not appropriate or otherwise make available funds sufficient to utilize the SaaS Services, you may unilaterally terminate this Agreement upon thirty (30) days written notice to us, however, you agree not to substitute a similar service to fill the same need provided by us hereunder for a period of time equal to the duration of the initial term if this Agreement is terminated or not renewed solely due to lack of appropriations. You will not be entitled to a refund or offset of previously paid, but unused SaaS Fees. You agree not to use termination for lack of appropriations as a substitute for termination for convenience.

2.5 **Fees for Termination without Cause during Initial Term.** If you terminate this Agreement during the initial term for any reason other than cause, Force Majeure, or lack of appropriations, or if we terminate this Agreement during the initial term for your failure to pay SaaS Fees, you shall pay us the following early termination fees:

   a. if you terminate during the first year of the initial term, 100% of the SaaS Fees through the date of termination plus 75% of the SaaS Fees then due for the remainder of the initial term;

   b. if you terminate during the second year of the initial term, 100% of the SaaS Fees through the date of termination plus 50% of the SaaS Fees then due for the remainder of the initial term; and

   c. if you terminate during the third year of the initial term, 100% of the SaaS Fees through the date of termination plus 25% of the SaaS Fees then due for the remainder of the initial term.

**SECTION G – INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE**

1. **Intellectual Property Infringement Indemnification.**
1.1 We will defend you against any third party claim(s) that the Tyler Software or Documentation infringes that third party’s patent, copyright, or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which we consent). You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

1.2 Our obligations under this Section G(1) will not apply to the extent the claim or adverse final judgment is based on your use of the Tyler Software in contradiction of this Agreement, including with non-licensed third parties, or your willful infringement.

1.3 If we receive information concerning an infringement or misappropriation claim related to the Tyler Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the alleged infringing Tyler Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the Tyler Software consistent with the terms of this Agreement.

1.4 If an infringement or misappropriation claim is fully litigated and your use of the Tyler Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent.

2. General Indemnification.

2.1 We will indemnify and hold harmless you and your agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney’s fees and costs) for (a) personal injury or property damage to the extent caused by your negligence or willful misconduct; or (b) our violation of PCI-DSS requirements or a law applicable to our performance under this Agreement. You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

2.2 To the extent permitted by applicable law, you will indemnify and hold harmless us and our agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney’s fees and costs) for personal injury or property damage to the extent caused by your negligence or willful misconduct; or (b) your violation of a law applicable to your performance under this Agreement. We will notify you promptly in writing of the claim and will give you sole control over its defense or settlement. We agree to provide you with reasonable assistance, cooperation, and information in defending the claim at your expense.

3. DISCLAIMER. EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
4. **LIMITATION OF LIABILITY.** EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, OUR LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO YOUR ACTUAL DIRECT DAMAGES, NOT TO EXCEED (A) PRIOR TO FORMAL TRANSITION TO MAINTENANCE AND SUPPORT, THE TOTAL ONE-TIME FEES SET FORTH IN THE INVESTMENT SUMMARY; OR (B) AFTER FORMAL TRANSITION TO MAINTENANCE AND SUPPORT, THE THEN-CURRENT ANNUAL MAINTENANCE AND SUPPORT FEE. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY AND TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, THE EXCLUSION OF CERTAIN DAMAGES, AND EACH SHALL APPLY REGARDLESS OF THE FAILURE OF AN ESSENTIAL PURPOSE OF ANY REMEDY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTIONS H(1) AND H(2).

5. **EXCLUSION OF CERTAIN DAMAGES.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6. **Insurance.** During the course of performing services under this Agreement, we agree to maintain the following levels of insurance: (a) Commercial General Liability of at least $1,000,000; (b) Automobile Liability of at least $1,000,000; (c) Professional Liability of at least $1,000,000; (d) Workers Compensation complying with applicable statutory requirements; and (e) Excess/Umbrella Liability of at least $5,000,000. We will add you as an additional insured to our Commercial General Liability and Automobile Liability policies, which will automatically add you as an additional insured to our Excess/Umbrella Liability policy as well. We will provide you with copies of certificates of insurance upon your written request.

**SECTION H – GENERAL TERMS AND CONDITIONS**

1. **Additional Products and Services.** You may purchase additional products and services at the rates set forth in the Investment Summary for twelve (12) months from the Effective Date by executing a mutually agreed addendum. If no rate is provided in the Investment Summary, or those twelve (12) months have expired, you may purchase additional products and services at our then-current list price, also by executing a mutually agreed addendum. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided in the addendum.

2. **Optional Items.** Pricing for any listed optional products and services in the Investment Summary will be valid for twelve (12) months from the Effective Date.

3. **Dispute Resolution.** You agree to provide us with written notice within thirty (30) days of becoming aware of a dispute. You agree to cooperate with us in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in good faith negotiations with our appointed senior representative. Senior representatives will convene within thirty (30) days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule. If we fail to resolve the dispute, either of us may assert our respective rights and remedies in a court of competent jurisdiction. Nothing in this section shall prevent you or us from seeking necessary injunctive relief during the dispute resolution procedures.
4. **Taxes.** The fees in the Investment Summary do not include any taxes, including, without limitation, sales, use, or excise tax. 9. **Force Majeure.** Neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten (10) business days of the Force Majeure event, the party whose performance is delayed provides the other party with written notice explaining the cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.

10. **No Intended Third Party Beneficiaries.** This Agreement is entered into solely for the benefit of you and us. This Agreement may only be modified by a written amendment signed by an authorized representative of each party.

12. **Severability.** If any term or provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement will be considered valid and enforceable to the fullest extent permitted by law.
13. **No Waiver.** In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.

14. **Independent Contractor.** We are an independent contractor for all purposes under this Agreement.

The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.

16. **Client Lists.** You agree that we may identify you by name in client lists, marketing presentations, and promotional materials.

17. **Confidentiality.** Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. The confidentiality covenants contained herein will survive the termination or cancellation of this Agreement. This obligation of confidentiality will not apply to information that:

SERVICE LEVEL AGREEMENT

I. Agreement Overview

This SLA operates in conjunction with, and does not supersede or replace any part of, the Agreement. It outlines the information technology service levels that we will provide to you to ensure the availability of the application services that you have requested us to provide. All other support services are documented in the Support Call Process.

II. Definitions. Except as defined below, all defined terms have the meaning set forth in the Agreement.

Attainment: The percentage of time the Tyler Software is available during a calendar quarter, with percentages rounded to the nearest whole number.

Client Error Incident: Any service unavailability resulting from your applications, content or equipment, or the acts or omissions of any of your service users or third-party providers over whom we exercise no control.

Downtime: Those minutes during which the Tyler Software is not available for your use. Downtime does not include those instances in which only a Defect is present.

Service Availability: The total number of minutes in a calendar quarter that the Tyler Software is capable of receiving, processing, and responding to requests, excluding maintenance windows, Client Error Incidents and Force Majeure.

III. Service Availability

The Service Availability of the Tyler Software is intended to be 24/7/365. We set Service Availability goals and measures whether we have met those goals by tracking Attainment.

   a. Your Responsibilities

Whenever you experience Downtime, you must make a support call according to the procedures outlined in the Support Call Process. You will receive a support incident number.

You must document, in writing, all Downtime that you have experienced during a calendar quarter. You must deliver such documentation to us within 30 days of a quarter’s end.

The documentation you provide must evidence the Downtime clearly and convincingly. It must include, for example, the support incident number(s) and the date, time and duration of the Downtime(s).

   b. Our Responsibilities

When our support team receives a call from you that Downtime has occurred or is occurring, we will work with you to identify the cause of the Downtime (including whether it may be the result of a Client Error Incident or Force Majeure). We will also work with you to resume normal operations.

Upon timely receipt of your Downtime report, we will compare that report to our own outage logs and
support tickets to confirm that Downtime for which we were responsible indeed occurred. We will respond to your Downtime report within 30 day(s) of receipt. To the extent we have confirmed Downtime for which we are responsible, we will provide you with the relief set forth below.

c. Client Relief

When a Service Availability goal is not met due to confirmed Downtime, we will provide you with relief that corresponds to the percentage amount by which that goal was not achieved, as set forth in the Client Relief Schedule below.

Notwithstanding the above, the total amount of all relief that would be due under this SLA per quarter will not exceed 5% of one quarter of the then-current SaaS Fee. The total credits confirmed by us in one or more quarters of a billing cycle will be applied to the SaaS Fee for the next billing cycle. Issuing of such credit does not relieve us of our obligations under the Agreement to correct the problem which created the service interruption.

Every quarter, we will compare confirmed Downtime to Service Availability. In the event actual Attainment does not meet the targeted Attainment, the following Client relief will apply, on a quarterly basis:

<table>
<thead>
<tr>
<th>Targeted Attainment</th>
<th>Actual Attainment</th>
<th>Client Relief</th>
</tr>
</thead>
<tbody>
<tr>
<td>100%</td>
<td>98-99%</td>
<td>Remedial action will be taken,</td>
</tr>
<tr>
<td>100%</td>
<td>95-97%</td>
<td>4% credit of fee for affected calendar quarter will be posted to next billing cycle</td>
</tr>
<tr>
<td>100%</td>
<td>&lt;95%</td>
<td>5% credit of fee for affected calendar quarter will be posted to next billing cycle</td>
</tr>
</tbody>
</table>

You may request a report from us that documents the preceding quarter’s Service Availability, Downtime, any remedial actions that have been/will be taken, and any credits that may be issued.

IV. Applicability

The commitments set forth in this SLA do not apply during maintenance windows, Client Error Incidents, and Force Majeure.

We perform maintenance during limited windows that are historically known to be reliably low-traffic times. If and when maintenance is predicted to occur during periods of higher traffic, we will provide advance notice of those windows and will coordinate to the greatest extent possible with you.

V. Force Majeure

You will not hold us responsible for not meeting service levels outlined in this SLA to the extent any failure to do so is caused by Force Majeure. In the event of Force Majeure, we will file with you a signed request that said failure be excused. That writing will at least include the essential details and circumstances supporting our request for relief pursuant to this Section. You will not unreasonably withhold its acceptance of such a request.

# Issue Handling

## Incident Tracking
Every support incident is logged into Tyler’s Customer Relationship Management System and given a unique incident number. This system tracks the history of each incident. The incident tracking number is used to track and reference open issues when clients contact support. Clients may track incidents, using the incident number, through the portal at Tyler’s website or by calling software support directly.

## Incident Priority
Each incident is assigned a priority number, which corresponds to the client’s needs and deadlines. The client is responsible for reasonably setting the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain “characteristics” may or may not apply depending on whether the Tyler software has been deployed on customer infrastructure or the Tyler cloud. The goal is to help guide the client towards clearly understanding and communicating the importance of the issue and to describe generally expected responses and resolutions.

Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day. For non-hosted customers, Tyler’s responsibility for lost or corrupted data is limited to assisting the client in restoring its last available database.</td>
</tr>
<tr>
<td>2 High</td>
<td>Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of data.</td>

</tr>
<tr>

Tyler shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack. **Incident Escalation**

Tyler Technology’s software support consists of four levels of personnel:

1. Level 1: front-line representatives
2. Level 2: more senior in their support role, they assist front-line representatives and take on escalated issues
3. Level 3: assist in incident escalations and specialized client issues
4. Level 4: responsible for the management of support teams for either a single product or a product group

If a client feels they are not receiving the service needed, they may contact the appropriate Software Support Manager. After receiving the incident tracking number, the manager will follow up on the open issue and determine the necessary action to meet the client’s needs.

On occasion, the priority or immediacy of a software support incident may change after initiation. Tyler encourages clients to communicate the level of urgency or priority of software support issues so that we can respond appropriately. A software support incident can be escalated by any of the following methods:

1. Telephone – for immediate response, call toll-free to either escalate an incident’s priority or to escalate an issue through management channels as described above.
2. Email – clients can send an email to software support in order to escalate the priority of an issue
3. On-line Support Incident Portal – clients can also escalate the priority of an issue by logging into the client incident portal and referencing the appropriate incident tracking number.

**Remote Support Tool**

Some support calls require further analysis of the client’s database, process or setup to diagnose a problem or to assist with a question. Tyler will, at its discretion, use an industry-standard remote support tool. Support is able to quickly connect to the client’s desktop and view the site’s setup, diagnose problems, or assist with screen navigation. More information about the remote support tool Tyler uses is available upon request.

Traversa Work Responsibilities

Mapping
Tyler will provide Client access in Tyler’s data center to a digitized map covering the area of the district, and essential roadways outside of the district commonly traveled for in-district students. Client will supply contact information for local GIS agency if available.

Student File Preparation
Tyler will train Client on the ASCII file layout as needed by the Client. During the import process, the student data will pass through a location process in the software.

Editorial Responsibilities
Tyler may periodically require Client to review district data. The timely and accurate review of this data is critical. Client will cause its employees or agents to perform the editing functions timely, accurately and to the best of their ability, and will notify Tyler when corrections are final. The information and data approved following the periodic review stages are the sole responsibility of Client. Alterations later requested or necessary which could have been made as part of this editing process are available in accordance with Section 7 of this Agreement. Tyler shall not be responsible for any failure to meet a written production schedule to the extent such failure is due, in whole or in part, to Client’s failure to perform its work responsibilities timely and accurately.

Training
During the course of the Client implementation, Tyler will provide training in the use of the Tyler Software Products (the “Training”). Up to five (5) Client employees may attend the Training. Implementation Training is delivered on-line on weekdays, unless the parties agree to other arrangements. Should on-site Training be requested, travel expenses will be charged in accordance with our then-current Business Travel Policy (available upon request). It is understood that the effectiveness of Training depends upon continuous attendance by all trainees, minimum interruptions, and the availability of one or more Client computers connected to Tyler’s data center.

Training does not include installation services such as disk formatting, installing operating systems, installing hardware, installing non-Tyler software, equipment repairs or adjustment, or training in the use of Windows, local area networks, peer-to-peer networks, or communications software. Such services must be performed internally or obtained from third parties.

Part 99; (iii) Student Online Personal Information Protection Act ("SOPIPA"), California Business and Professions Code section 22584; and (iv) California Assembly Bill 1584, codified at California Education Code Section 49073.1 ("AB 1584", and together with FERPA, COPPA, SOPIPA and all other applicable student privacy laws, the “SDPA Laws”);

WHEREAS, Tyler has agreed to provide Client the services described in the Software Agreement and Exhibits thereto, including but not limited to Exhibit A – Investment Summary and, to provide said services, Tyler will receive and manage certain information pertaining to Client’s students that is subject to, and protected by the SDPA Laws;

WHEREAS, Client and Tyler desire that the Software Agreement and the services provided by Tyler thereunder shall comply with applicable SDPA Laws including, specifically, the applicable requirements of the AB 1584 and FERPA and are entering into this SDPA to that effect.

NOW, THEREFORE, the Parties agree as follows:

1. The terms and conditions of the Software Agreement and Exhibits thereto are incorporated herein by reference. If there is any conflict between any provision of the Software Agreement and this SDPA concerning Pupil Records, this SDPA shall control.

2. SDPA Definitions

"PII" means personally identifiable information and includes any data that could potentially identify a specific individual, whether a student, parent, teacher, legal guardian or any other individual, such as metadata, records, and user-generated content.

"Pupil Records" means any item of information directly related to a pupil that is maintained by the local educational agency and information acquired directly from the pupil through the use of instructional software or applications assigned to the pupil by a teacher or other local educational agency employee.

"School Official" for the purposes of this SDPA and the Software Agreement, and pursuant to 34 CFR 99.31(a)(1)(i)(B), means a contractor, such as Tyler, that (i) performs an institutional service or function that would otherwise be performed by an employee of Client, (ii) is under the direct control of Client with respect to the use and maintenance of student records, and (iii) is subject to FERPA requirements, 34 CFR 99.33(a) governing the use and re-disclosure of PII from Pupil Records. Thus, Tyler shall be considered a School Official under this SDPA.

"Student Data" means any information or data gathered by Tyler or provided by Client or its users, students or student’s legal guardians/parents, that is descriptive of any student, including but not limited to student’s first or last name, email, home address, social security number, telephone number, information allowing online contact, videos, photos, voice recordings, test results, special education
data, school attendance, disabilities, socioeconomic information, search activity or geolocation information. All Student Data constitute Pupil Records under this SDPA and the Software Agreement.

3. Term. This SDPA shall remain in effect while the Software Agreement is in effect and shall expire or terminate, as applicable, concurrently with the Tyler Software Agreement.

4. Student Data Ownership and Authorized Use/Access
a. Authorized Use / Ownership. Notwithstanding any other provision of the Software Agreement, Pupil Records are and remain the property of the Client; provided that, if there is any pupil-generated content, pupils may retain possession and control of their own pupil-generated content. Tyler shall only access and use Pupil Records for the purposes contemplated under the Software Agreement and in compliance with the provisions of applicable law. Tyler shall not use any PII to engage in targeted advertising or unlawful purposes.

b. Parent/Legal Guardian Access. Client shall provide reasonable access to parents, legal guardians and authorized Client personnel to review Student Data and correct erroneous information and implement changes, up to and including deletion of a student’s profile or other Student Data from Tyler’s system. Reasonable access may be limited to changes performed by Client if said changes are made within 5 business days of a request. Tyler shall make reasonable efforts to cooperate with Client in the event that Client cannot correct any erroneous information in Tyler’s system after making reasonable efforts.

c. Confidentiality of Pupil Records. Notwithstanding any provision of the Software Agreement, confidentiality of Pupil Records shall be governed by this SDPA. To the fullest extent permitted by applicable law, if a third-party, other than Client or parent/legal guardian, and including law enforcement and government entities, contacts Tyler to request Student Data, Tyler shall redirect the third party to Client and shall inform said third party that only Client can provide said data/information. If Tyler receives a subpoena or other instrument intending to compel disclosure of Student Data, Tyler shall promptly notify the Client and shall reasonably cooperate with Client to address the situation.

i. Employees. Tyler shall take all actions necessary, including, to the extent Tyler deems necessary, training responsible individuals, to ensure the confidentiality of Pupil Records is maintained. Tyler understands that compliance with this requirement shall not in itself absolve Tyler of liability if an unauthorized disclosure or violation of this SDPA occurs.

ii. Non-Employees. If Tyler uses any non-employee (e.g., subcontractor, programmer or processor) to provide the services, it shall enter into written agreements with said non-employees to ensure they protect the confidentiality of Client information, including Student Data.

5. Notification and Privacy Compliance.

a. Notice of Unauthorized Disclosure. Tyler shall reasonably cooperate with Client staff to ensure that all parents, legal guardians and any eligible pupils affected by an unauthorized disclosure of Student Data or PII is notified in accordance with applicable SDPA Laws and procedures;

b. Privacy Compliance. Provider shall comply with all state and federal laws and regulations pertaining to student data privacy and security, including but not limited to the SDPA Laws cited herein to the extent applicable to its performance under the Software Agreement. Provider understands that such laws and regulations, to the extent applicable, may not be the only applicable laws.
c. Disposition of Pupil Records Upon Termination. Tyler certifies that Pupil Records will not be retained by, or available to Tyler or any other non-employee upon termination of the Software Agreement. Upon termination of the Software Agreement for any reason, Tyler shall ensure that all Pupil Records and any other PII gathered during provisions of the services, are all returned to Client or destroyed following notice from Tyler clearly identifying such records. If pupil-generated content that is severable with commercially reasonable efforts from the services is created, Tyler shall, at Client’s written request, transfer said content to a separate student account. The foregoing notwithstanding, Tyler reserves the right not to confirm deletion of certain Pupil Records, including pupil-generated content, or other PII upon termination of the Software Agreement only in the event destruction is commercially impracticable as determined by Tyler in its sole discretion and specifically confirmed via an express, signed writing to Client. Any such non-deleted information shall continue to be subject to Tyler’s obligations to retain the confidentiality of such information so long as Tyler does not delete it.

6. Attachments. Tyler will provide Client each of the following applicable procedures and the Parties will number the Attachments appropriately (if no such attachment(s), indicate N/A):

Attachment N/A – Procedure for Parental Notification of Unauthorized Disclosure of Pupil Records
Attachment N/A – Procedure for Ensuring the Security and Confidentiality of Pupil Records
Attachment N/A – Procedure for Joint Compliance with FERPA - Non-Directory Information Disclosure
Attachment N/A – Procedure for Certification of Non-Retention of Pupil Records

7. Indemnification. The indemnity provision under Section 2.1 of the Software Agreement applies with equal force to the violation of any SDPA Laws or other laws applicable to Tyler’s performance under the Software Agreement. This indemnification shall survive the termination of the Software Agreement.

8. Incorporation of Recitals and Attachments. The Recitals and each certification by Tyler and Attachment identified above are hereby incorporated by this reference to be given full force and effect as if fully set forth herein and in the Software Agreement.

9. The person(s) executing and delivering the Software Agreement on behalf of Tyler warrant(s) and represent(s) that he/she/they: (i) understand the requirements of law applicable to Student Data, including but not limited to the requirements set forth in this SDPA, (ii) have full power and authority to undertake the actions, commitments and obligations herein undertaken, and (iii) that by the execution and delivery of the Software Agreement, Tyler is bound to the terms hereof.

IN WITNESS WHEREOF, this SDPA is executed and delivered by virtue of the execution and delivery of the Software Agreement and shall be effective upon execution of the Software Agreement and while the Software Agreement remains in effect.

MERRILL EDUCATIONAL CENTER SCHOOL CONTRACT

Thank you for choosing Merrill Educational Center and School! Following are the policies and the contractual agreement for the school.

Merrill Educational Center operates on a private school tuition plan. Like other private schools, each student has set hours and set fees for the semester. Parents or institutions must sign this contractual commitment for the remainder of the 2020-2021 fiscal year and the fiscal year of 2021/2022, when the student starts classes. A school calendar designating semester dates and holidays will be provided.

Districts will be billed on a monthly basis for each of the 12 months of the school year. All payments need to be received by the 1st of each month with a 5% penalty charged after the 3rd of the month. This contract specifies 25 hours of instructional time per week, at a tuition rate of $7,500.00 per month. Students are charged $10 a day for a lunch, should they require one. In addition, workbooks bought for a student will be billed on the next statement.

We are unable to make-up missed sessions which are generated by a student’s absence, as our teachers work back-to-back to service students daily. Consequently, no requests made on behalf of a student for make-up hours will be scheduled. When a teacher is absent, a substitute will be provided.

All students need to be at school on time. Their books should remain in their locker here, unless they are needed for study or homework.

All cell phones must be turned off during class time. If you need to reach your child during class, please call the office.

When a student is going to be absent, a parent must call the school as soon as possible.

In the case of private transportation, please provide the name and number to contact if the bus is late, or have the driver call us at 818-865-0008.

An outside school can expect a summary of the child’s curriculum for the current month, at the end of that month.

The Center should also know if the student should be escorted to the restroom and back to class, or if the student should be permitted to go alone.

In the situation of a non English Dominant student, and in the event that the student speaks primarily Spanish, an interpreter will hear the student’s concerns and make certain that the student’s concerns are known.

Please sign below and return this form to our office by the student’s first day with us. Students arriving without a signed contract will not be allowed to start school, per insurance regulations.
Thank you for your cooperation and please call the school if you have any questions or concerns.

I have read and agree to follow the above listed policies. I understand that I am making a financial commitment for the remainder of the 2020-2021 fiscal year and the fiscal year of 2021/2022.

ALL INCLUSIVE SERVICE AGREEMENT
FOR TEMPORARY HEALTHCARE PROFESSIONAL COVERAGE

This All Inclusive Service Agreement for Temporary Healthcare Professional Coverage ("Agreement") by and between Oxnard School District ("Client"), a nonprofit organization, with its principal place of business located at 1051 South A Street, Oxnard, CA 93030, and CompHealth Medical Staffing ("CompHealth"), with its principal place of business located at 5557 28th Street Ste B, PMB 318, Grand Rapids, MI 49512 (collectively the "Parties" and each individually a "Party") is hereby entered into, made and effective as of July 15, 2021 ("Effective Date").

Section A, Intent of Agreement

CompHealth is in the business of providing temporary allied healthcare professional staffing services. Client is in need of temporary staffing services. By this Agreement, the Parties intend that CompHealth will furnish healthcare professionals ("Provider(s)") to provide clinical services to Client on a temporary basis ("Provider Coverage") for the time periods requested by Client ("Assignment(s)"). Therefore, this Agreement describes the relationship between the Parties with respect to Provider Coverage.

Section B, Duties of CompHealth

B.1 Arrangement of Assignments
Client may request an unlimited number of Assignments hereunder. Once arrangements have been made for a Provider to furnish Provider Coverage in response to a requested Assignment, and upon Client’s verbal acceptance of Provider and Fees for the same (as defined below), the requested Assignment shall be binding upon Client and CompHealth will confirm the Assignment in writing ("Confirmation"). Confirmations shall be deemed received upon sending. Each Confirmation shall include the name and specialty of Provider furnishing services, the dates and location of the Assignment, the applicable Fees for the Assignment, the applicable Recruitment Fee (as defined below) for the Assignment and deviations to this Agreement for the related Assignment, if any. Client may object in writing to incorrect Confirmations promptly upon receipt, but in any event no later than three (3) business day(s) after receipt. In the event Client objects to any Confirmation, CompHealth shall either correct the error or the Parties shall in good faith work to resolve any disagreement and a corrected Confirmation shall be issued once the Parties reach Agreement. All Assignments are binding and subject to the cancellation provisions below once Client has verbally accepted a Provider; incorrect, incomplete or delayed Confirmations do not create a right of cancellation. In the event that any changes are made to an Assignment after a Confirmation has been issued, a subsequent Confirmation will be issued which reflects the changes and such subsequent Confirmation shall be controlling.

B.2 Providers as Employees of CompHealth
Each Provider is an employee of CompHealth and CompHealth shall therefore be responsible for compensating Providers directly. CompHealth’s obligation to compensate Providers includes the obligation to pay employment taxes and furnish Worker’s Compensation coverage and other insurance as required by law. Providers are required to notify CompHealth in the event they are injured while on an Assignment.

B.3 Licensure, Competency
CompHealth shall require each Provider furnishing Provider Coverage to be appropriately licensed. Provider shall be responsible for maintaining his or her license in good standing, if applicable. Each Provider furnished by CompHealth will have been tested for competency prior to beginning an Assignment. CompHealth will furnish each Provider with orientation. The performance of Providers will be evaluated by CompHealth and training resources will be made available to each Provider.

B.4 Assignment of Billing Rights, Chart Documentation
Fees due from patients as a result of Provider Coverage belong to Client. If applicable, CompHealth agrees to direct Providers to promptly execute such documents as are reasonably required to assign billing rights to Client. CompHealth will direct Providers to promptly complete chart documentation. Client shall take all reasonable measures to complete transcription prior to Provider’s departure from an Assignment.
B.5 Professional Liability Insurance
CompHealth shall provide professional liability insurance coverage for each Provider while on Assignment with Client to cover all incidents which may occur during an Assignment, regardless of when a claim is made, in limits of $1,000,000 per Provider per incident and $3,000,000 per Provider in the annual aggregate or such higher limits as may be required by law. Insurance coverage is subject to the terms of the policy and covers medical malpractice only.

B.6 General Liability Insurance
CompHealth shall provide general liability insurance to cover each Provider while on Assignment with Client in limits of $1,000,000 per incident and $3,000,000 per annual aggregate. Insurance coverage is subject to the terms of the policy.

Section C, Duties of Client

C.1 Client to Notify of Acceptability of Providers
In response to Client’s request for Provider Coverage and subject to availability, CompHealth will present Providers to Client for consideration. Client has the right to reject any Provider so presented. Confirmations shall not be issued until Client has verbally accepted the Provider presented and has verbally agreed to the applicable Fee(s) and Recruitment Fee.

C.2 Client to Furnish Practice Description, Establish Work Schedule and Furnish Equipment & Supplies, Reassignment (Floating)
For each Assignment, Client shall provide a practice description (“Practice Description”). Client agrees to not request Provider to perform work which materially deviates from the Practice Description. In the event a Provider is asked to float, Client agrees to not reassign Provider to perform work not contemplated by the Practice Description. For each Assignment, Client shall provide each Provider with a reasonable work schedule. Client shall be responsible to provide each Provider with reasonably maintained and usual and customary equipment and supplies, and a suitable practice environment in compliance with acceptable ethical, medical and legal standards.

C.3 Housing, Travel Arrangements & Per Diem Allowance
With the exception of cancellation circumstances as described in Section E.1, Fees are all inclusive and will include all per diem charges. The Parties agree that for each Assignment confirmed under this Agreement Client agrees to reimburse CompHealth through the all inclusive bill rate for all meal, incidental and lodging per diem allowances paid by CompHealth to any of its Providers providing services to Client under this Agreement. CompHealth shall provide Client with information detailing the per diem allowances on a report referenced and included as a part of each invoice as further outlined below in Section D.1. The per diem report shall contain the names of each CompHealth Provider who received per diem allowances during the period referenced on the invoice, as well as the aggregate amount of those allowances during the billing period. Each such per diem report shall be deemed to be incorporated by reference into the applicable invoice and read as a part thereof.

C.4 Practice Standards
Client shall comply with all applicable OSHA, federal, state, local and other professional standards, laws, rules and regulations relating to patient care and work environment. CompHealth will direct Providers to comply with Client’s policies and procedures and all applicable professional standards, laws, rules, and regulations. It is Client’s responsibility to inform Providers of Client policies and procedures.

C.5 Risk Management and Incident Reporting Cooperation
Client agrees to cooperate with CompHealth’s reasonable risk management and quality assurance activities. Should Client become aware of an incident or claim which may give rise to a claim under CompHealth’s professional liability policy of insurance, Client agrees to promptly notify CompHealth of the nature of the claim and report all necessary information related to the claim. Client understands and agrees that failure to report an incident may result in loss of coverage. The obligations of this Section C.5 shall survive any termination of this Agreement. CompHealth has in place a formal Risk Management Protocol (“Protocol”), which policy details how incidents are reported, tracked and documented. The Protocol is available for review by Client upon request.

C.6 Change in Worksire Location
Should Client wish to change the location of the worksite during any Assignment, it agrees to secure CompHealth’s advance permission. In the event that Client wishes to change the location of the worksite, and such change results in the Provider having to commute more than thirty (30) minutes or thirty (30) miles from Provider’s housing accommodations, then the Parties shall mutually agree upon a resolution that fairly compensates CompHealth and Provider for the change, which may include but is not necessarily limited to charges for Costs (as defined in Section E.1 below) incurred in securing housing accommodations closer to the new worksite.
C.7 Competency
Client shall furnish Providers with orientation, competency assessment and training equivalent to that provided to Client’s own employees upon Provider’s arrival at Client’s facility.

Section D, Fees

D.1 Fee Schedule
Client shall pay CompHealth fees (“Fee(s)”) for Provider Coverage as specified in the Confirmation for the related Assignment. CompHealth is providing Client with an aggregated hourly billing rate which is inclusive of both amounts for healthcare services provided by Providers and expense reimbursements for per diem allowances paid by CompHealth to Providers (with zero percent (0%) markup). The aggregated hourly billing rate (whether set forth in the Agreement or any Confirmation therefor) is provided solely at Client’s request for Client’s cost comparison purposes and shall in no way reflect treatment of how CompHealth is paying wages to Providers and reimbursing Providers for per diem allowances.

D.2 Deposit, Costs of Obtaining Privileges
Upon a Confirmation being issued for the first Assignment requested under this Agreement, Client shall pay to CompHealth a deposit of $0.00 to be credited towards the last two weeks of Provider Coverage. No deposit shall be required for additional Assignments hereunder. Notwithstanding the foregoing, CompHealth reserves the right to require additional deposits during the Term of this Agreement if, in its sole discretion, Client’s credit and payment history warrant doing so. If applicable, Client agrees to be responsible for payment of the costs associated with obtaining privileges, if any, for each Provider that furnishes Provider Coverage hereunder.

D.3 Invoicing
Fees are invoiced bi-weekly. Invoices will include applicable taxes. Fees are determined based upon Provider’s work record. Invoices will include other charges agreed upon in the Confirmation, if any. Upon request, CompHealth will provide a reconciliation within 30 days of the completion of an Assignment. Payment for each two-week period is due immediately upon receipt of an invoice for that period. Invoices shall be deemed received on the tenth (10th) business day after the date of invoice.

D.4 Minimum Workweek
CompHealth requires that a minimum of thirty-seven and a half (37.5) hours per week per Provider (“Minimum Fee”) be billed Client regardless of actual time worked. Therefore, if the total Fees for any one week are for less than the Minimum Fee, CompHealth will bill Client and Client agrees to pay the Minimum Fee. The Minimum Fee shall be reduced on a pro rata basis if: a) the Provider working the Assignment voluntarily misses work for any reason (e.g., if the Provider calls in sick, fails to report to work, etc.) or, b) the school is closed or for any reason (e.g., inclement weather, school holidays and non-working days as referenced in school’s calendar).

D.5 Failure to Issue Confirmation
Should CompHealth fail to issue a Confirmation for any Assignment, and Provider Coverage is rendered, CompHealth’s failure shall not abrogate Client’s responsibility for payment of Fees for the Provider Coverage received. In that instance, Fees and the Recruitment Fee (if Client or a third party offers Work, as described and defined below, to a Provider and Provider accepts) shall be charged at the current market rate for that specialty.

Section E, Term, Cancellation and Removal of Provider

E.1 Cancellation of an Assignment
For all Assignments for which verbal acceptance of a Provider has been given by Client, Client must provide to CompHealth written and verbal notice of cancellation of an Assignment at least thirty (30) days in advance. Written notice shall be deemed to be received upon sending. In the event that Client provides (30) days advance notice of cancellation, Client shall be responsible for payment of actual fees and charges that may result from cancellation of an Assignment, including but not limited to lost rents, security deposits and airfare (“Costs”). In the event that Client provides less than thirty (30) days notice of cancellation, Client shall be responsible for payment of: a) the total Fee due for the period covered by the Assignment up to a maximum of thirty (30) calendar days (“Damages”); and b) Costs. In the event that an Assignment is scheduled less than thirty (30) days in advance and Client cancels, Client shall be responsible for payment of the total Fee due for the period covered by the Assignment up to a maximum of thirty (30) calendar days (also “Damages”) as well as Costs. Notwithstanding the foregoing, and provided that Client communicated its minimum credentialing and/or privileging requirements in writing at the time it requested an Assignment, in the event that a
Provider is not granted privileges required for any Assignment or does not meet Client’s credentialing requirements, then Client shall not be liable for any Damages or Costs associated with cancellation.

E.2 Requests for Provider Coverage
CompHealth does not guarantee the ability to fill Assignments requested hereunder. Only Assignments for which a Provider has been verbally accepted by Client shall be binding upon CompHealth. In the event a Provider for a binding Assignment cancels, CompHealth shall exercise best efforts to furnish a replacement Provider but shall have no other liability.

E.3. Termination of Agreement
Either Party may terminate this Agreement with thirty (30) days advance written notice, subject to Section E.1 above. In the event of Client’s failure to pay monies due hereunder or other material breach, CompHealth may immediately terminate this Agreement with written notice. The obligation to pay monies due under this Agreement shall survive termination.

E.4 Term
The term of this Agreement (“Term”) shall begin on the Effective Date and continues thereafter until June 30, 2022.

E.5 Removal of Provider
Should Client determine that a Provider must be removed from an Assignment for reasons related to demonstrated professional incompetence, repeated unauthorized absence or repeated unauthorized tardiness at any time during the Assignment, Client shall communicate to CompHealth the reason for the removal request in advance of removal and cooperate with CompHealth in providing necessary risk management information (if applicable) and documentation of the reasons for removal. CompHealth shall verify and assess the reason for the requested removal and promptly notify Provider of the removal. CompHealth reserves the right to first counsel Provider and provide an opportunity for Provider to correct any deficiencies prior to any such removal if, in its reasonable discretion, there is no risk of patient endangerment. CompHealth will not remove a Provider from an Assignment for discriminatory reasons.

Section F, Later Placements

F.1 Client Offer of Position to Provider
Client agrees that should it, or any third party introduced to Provider by Client (when the introduction has been made for the purpose of enabling the third party to recruit Provider for Work or when the third party is a facility to whom Client has furnished Provider’s services), offer Work (as defined below) to any Provider introduced to Client by CompHealth during the Term of this Agreement and for a period of two (2) years after the first date of introduction to Client or, if Provider has furnished Provider Coverage for Client, for a period of two (2) years after the last date of Provider’s last Assignment with Client under this Agreement, and said offer is accepted, then Client shall pay to CompHealth as consideration for the introduction a recruitment fee in the amount as listed in the related Confirmation (“Recruitment Fee”) per Provider so hired or engaged, regardless of whether or not that Provider actually performed work for Client through CompHealth. The obligations of this Section F.1 shall survive termination of this Agreement.

F.2 Client Notification of Previous Knowledge of Provider
Client must inform CompHealth in writing within twenty-four (24) hours if any Provider presented by CompHealth is already known to Client through means other than CompHealth. If Client fails to so notify CompHealth, CompHealth shall be deemed to have made the introduction.

F.3 Recruitment Fee Payment Terms
Once a Provider accepts Work, the Recruitment Fee must be paid in full prior to the first day the Provider performs services in the new position. In the event the Recruitment Fee is not paid in full prior to the first day the Provider performs services in the new position, Client shall be liable for payment of the Minimum Fee per week up to the date the Recruitment Fee is paid. Once the Recruitment Fee is paid for any Provider under this Agreement, CompHealth shall not assess further Fees for that Provider and there shall be no further obligation as between CompHealth and Client with respect to that Provider.

F.4 Definition of Work
For purposes of this Agreement, “Work” shall mean an offer to work, said offer being either verbal or written, on a part or full time basis, temporary or permanent, directly as an employee or independent contractor or indirectly when arranged through another staffing company.
Section G, Standards of Service

G.1 Medicare and Medicaid Fraud Representation
Each Party represents that it is not currently under investigation or debarred by any state or federal governmental agency for Medicare or Medicaid fraud. In the event an investigation of a Party is initiated by any state or federal governmental agency, or it is discovered that the representations contained herein are false, the non-breaching Party reserves the right to immediately terminate this Agreement. It is understood and agreed to by the Parties that the ability to verify if any individuals are currently debarred is dependent upon the accuracy of the information contained on the OIG list of excluded persons and the representations of each individual.

G.2 Health Insurance Portability and Accountability Act of 1996 (HIPAA)
CompHealth and its Providers are not business associates of Client pursuant to the definition of “business associate” found in 45 CFR 160.103 because Providers are members of Client’s workforce (See Also 45 CFR 160.103 definition of “workforce”). Notwithstanding the foregoing, as a business associate of other covered entities, CompHealth has implemented appropriate safeguards and maintains individually identifiable patient health information (“PHI”), which shall include electronic PHI as confidential. To that end, CompHealth will use and disclose only the minimum necessary PHI and will use and disclose PHI only as permitted under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) for legal, management and administrative purposes in connection with treatment, payment and operations or as required by law.

G.3 Availability of Books and Records
To assist Client in verification of Medicare and Medicaid reimbursable costs, and in order to fulfill HIPAA requirements, CompHealth agrees for the time period required by law after furnishing services hereunder to make available to Client and appropriate governmental authorities at CompHealth corporate offices such agreements, books, documents, and records as are required by law.

G.4 Criminal Background Check, Drug Screen, Immunization and Communicable Disease Certification
As part of the credentialing process, CompHealth will perform a criminal background check on each Provider to verify that Providers have not been convicted of a felony in any county of residence (as provided by Provider) in the last seven (7) years. CompHealth will require each Provider to submit to a drug test and will not furnish Providers who have tested positive for drug use (subject to verification of false positives as required by certain state’s laws). Upon Client request, CompHealth shall also require Providers to provide CompHealth evidence of immunization and certification that Provider is free from communicable diseases which are readily transferable.

Section H, Miscellaneous Provisions

H.1 Interest and Attorney’s Fees
Client agrees to pay all expenses and costs, including interest and attorneys’ fees, which may be incurred if collection efforts are necessary to enforce this Agreement. Client agrees to pay interest at a rate of 1-1/2 percent per month on any unpaid balance.

H.2 Entire Agreement, Amendments
This Agreement contains the entire agreement between CompHealth and Client relating to Provider Coverage. This Agreement supersedes all previous contracts and all prior agreements between the Parties relating to Provider Coverage. This Agreement may be limited to a particular department or division of Client if so indicated, in which case this is the entire agreement between the Parties relating to Provider Coverage for that particular department or division only and supersedes all prior agreements relating to that particular department or division only. Confirmations hereunder, which shall be in writing but shall not require a signature, may function to amend this Agreement on a per Assignment basis only. All other amendments to this Agreement must be in writing and signed by both Parties. In the event of a conflict between this Agreement and any Confirmation, the Confirmation shall control with respect to the Assignment covered by the Confirmation only.

H.3 Notices
For all notices required hereunder, including Confirmations, acceptable forms of communication include facsimile, electronic mail or letter sent via U.S. mail or express delivery. Notices communicated via U.S. mail or express delivery shall be effective if sent to the physical address listed in the introductory paragraph of this Agreement or such other address as may be designated in writing. Notices communicated via facsimile and electronic mail shall be effective if sent to the facsimile number and electronic mail address used by the Parties in the regular course of dealing hereunder.
H.4 Severability, Successors, Discrimination, Governing Law
If any provision of this Agreement is deemed to be invalid by a court of competent jurisdiction, all other provisions will remain effective. Failure to exercise or enforce any right under this Agreement shall not be construed to be a waiver. This Agreement shall inure to the benefit of and bind each Party’s successors in interest. Neither Party shall discriminate against any Provider on the basis of race, age, gender, disability, religion, national origin, military/veteran status, pregnancy, or sexual orientation. This Agreement shall be governed by the laws of the State of California.

H.5 Client as Staffing Company or Medical Group Furnishing Clinical Services to Facilities
In the event that Client is itself a staffing company or medical group using CompHealth Providers to furnish clinical services to facilities, Client agrees to require its clients to agree to the provisions of Sections C.2, C.4, C.5 and G.1 of this Agreement. The fact that Client is itself a staffing company or medical group using CompHealth Providers to furnish clinical services to facilities shall not limit, modify or reduce any of Client’s obligations hereunder.

H.6 Facsimile Signature Deemed Original, Permission to Fax and E-Mail
A facsimile signature hereon shall have the same effect as an original. By signature below, Client expressly grants CompHealth permission to send Client unsolicited advertisements and other marketing materials via facsimile and electronic mail.

H.7 Use of Subcontractors
CompHealth may occasionally use subcontractors to assist it in furnishing Provider Coverage. In cases where subcontractors are used, subcontractors shall be held to the same quality standards as have been adopted by CompHealth and shall be required to meet all the requirements and perform all the obligations contained in this Agreement. CompHealth will monitor subcontractors for quality purposes.

H.8 Handwritten Revisions
Handwritten revisions made to this Agreement which are not initialed and dated by CompHealth will be deemed to have been rejected.

The Parties acknowledge by their signatures below that they have read, understand and agree to the foregoing All Inclusive Service Agreement for Temporary Healthcare Professional Coverage. 1. Incorporation of Recitals and Exhibits. The Recitals set forth above and all exhibits attached to this Agreement, as hereafter amended, are incorporated by this reference as if fully set forth herein.

2. Term of Agreement. Subject to earlier termination as provided below, this Agreement shall remain in effect from October 1, 2021 through January 31, 2022 (the “Term”). This Agreement may be extended only by amendment, signed by the Parties, prior to the expiration of the Term.

3. Time for Performance. The scope of services set forth in Exhibit A shall be completed during the Term pursuant to the schedule specified Exhibit A. Should the scope of services not be completed pursuant to that schedule, the Consultant shall be deemed to be in Default as provided below. The District, in its sole discretion, may choose not to enforce the Default provisions of this Agreement and may instead allow Consultant to continue performing the Services.

4. Compensation and Method of Payment. Subject to any limitations set forth below or elsewhere in this Agreement, District agrees to pay Consultant the amounts specified in Exhibit B “Compensation”. The total compensation shall not exceed Seven Thousand Two Hundred Dollars ($7,200.00), per hourly rate of $85.00, and including mileage reimbursement, unless additional compensation is approved in writing by the District.
a. Each month Consultant shall furnish to District an original invoice for all work performed and expenses incurred during the preceding month. The invoice shall detail charges by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-consultant contracts. Sub-consultant charges, if any, shall be detailed by the following categories: labor, travel, materials, equipment and supplies. District shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. In the event that no charges or expenses are disputed, the invoice shall be approved and paid according to the terms set forth in subsection b. In the event any charges or expenses are disputed by District, the original invoice shall be returned by District to Consultant for correction and resubmission.

b. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant’s correct and undisputed invoice.

c. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

5. **Termination.** This Agreement may be terminated at any time by mutual agreement of the Parties or by either Party as follows:

a. District may terminate this Agreement, with or without cause, at any time by giving thirty (30) days written notice of termination to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress; or

6. **Inspection and Final Acceptance.** District may, at its discretion, inspect and accept or reject any of Consultant’s work under this Agreement, either during performance or when within sixty (60) days after submitted to District. If District does not reject work by a timely written explanation, Consultant’s work shall be deemed to have been accepted. District’s acceptance shall be conclusive as to such work except with respect to latent defects, fraud and such gross mistakes as amount to fraud. Acceptance of any of Consultant’s work by District shall not constitute a waiver of any of the provisions of this Agreement including, but not limited to indemnification and insurance provisions.

7. **Default.** Failure of Consultant to perform any Services or comply with any provisions of this Agreement may constitute a default. The District may give notice to Consultant of the default and the reasons for the default. District shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of the notice until the default is cured. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, at the discretion of the District. During the period of time that Consultant is in default, the District shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the District may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the District may terminate this Agreement as provided above. Any failure on the part of the District to give notice of the Consultant’s default shall not be deemed to result in a waiver of the District’s legal rights or any rights arising out of any provision of this Agreement.

8. **Ownership of Documents.** All maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents prepared, developed or discovered by Consultant in the course of providing any services pursuant to this Agreement (collectively and individually, the “Documents”) shall

9. **Use of Documents by District.** If and to the extent that District utilizes for any purpose not related to this Agreement any Documents, Consultant’s guarantees and warrants related to Standard of Performance under this Agreement shall not extend to such use of the Documents.

   b. Any and all such records or documents shall be made available for inspection, audit and copying, at any time during regular business hours, upon request by District or its designated representative. Copies of such documents or records shall be provided directly to the District for inspection, audit and copying when it is practical to do so; otherwise, unless an alternative is mutually agreed upon, such documents and records shall be made available at Consultant’s address indicated for receipt of notices in this Agreement.

   c. District has the right to acquire custody of such records by written request if Consultant decides to dissolve or terminate its business. Consultant shall deliver or cause to be delivered all such records and documents to District within sixty (60) days of receipt of the request.

   b. District retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. District and Consultant are sometimes hereinafter individually referred to as “Party” and hereinafter collectively referred to as the “Parties”.

RECITALS

A. District is authorized by California Government Code Section 53060, and Board Policy 4368, to contract with independent contractors for the furnishing of services concerning financial, economic, accounting, engineering, legal, administrative and other matters. District has sought, by issuance of a Request for Proposals or Invitation for Bids, the performance of the Services, as defined and described particularly on Exhibit A, attached to this Agreement.

B. Following submission of a proposal or bid for the performance of the Services, Consultant was selected by the District to perform the Services.

C. The Parties desire to formalize the selection of Consultant for performance of the Services and desire that the terms of that performance be as particularly defined and described herein.

OPERATIVE PROVISIONS

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained here and other consideration, the value and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Incorporation of Recitals and Exhibits. The Recitals set forth above and all exhibits attached to this Agreement, as hereafter amended, are incorporated by this reference as if fully set forth herein.

2. Term of Agreement. Subject to earlier termination as provided below, this Agreement shall remain in effect from September 30, 2021 through June 30, 2022 (the “Term”). This Agreement may be extended only by amendment, signed by the Parties, prior to the expiration of the Term.

3. Time for Performance. The scope of services set forth in Exhibit A shall be completed during the Term pursuant to the schedule specified Exhibit A. Should the scope of services not be completed pursuant to that schedule, the Consultant shall be deemed to be in Default as provided below. The District, in its sole discretion, may choose not to enforce the Default provisions of this Agreement and may instead allow Consultant to continue performing the Services.

4. Compensation and Method of Payment. Subject to any limitations set forth below or elsewhere in this Agreement, District agrees to pay Consultant the amounts specified in Exhibit B “Compensation”. The total compensation shall not exceed Two Thousand Two Hundred Fifty Dollars ($2,250.00), unless additional compensation is approved in writing by the District.
a. Each month Consultant shall furnish to District an original invoice for all work performed and expenses incurred during the preceding month. The invoice shall detail charges by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-consultant contracts. Sub-consultant charges, if any, shall be detailed by the following categories: labor, travel, materials, equipment and supplies. District shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. In the event that no charges or expenses are disputed, the invoice shall be approved and paid according to the terms set forth in subsection b. In the event any charges or expenses are disputed by District, the original invoice shall be returned by District to Consultant for correction and resubmission.

b. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by District, District will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant’s correct and undisputed invoice.

c. Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

5. **Termination.** This Agreement may be terminated at any time by mutual agreement of the Parties or by either Party as follows:

a. District may terminate this Agreement, with or without cause, at any time by giving thirty (30) days written notice of termination to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress; or

b. Consultant may terminate this Agreement for cause at any time upon thirty (30) days written notice of termination to District.

6. **Inspection and Final Acceptance.** District may, at its discretion, inspect and accept or reject any of Consultant’s work under this Agreement, either during performance or when within sixty (60) days after submitted to District. If District does not reject work by a timely written explanation, Consultant’s work shall be deemed to have been accepted. District’s acceptance shall be conclusive as to such work except with respect to latent defects, fraud and such gross mistakes as amount to fraud. Acceptance of any of Consultant’s work by District shall not constitute a waiver of any of the provisions of this Agreement including, but not limited to indemnification and insurance provisions.

7. **Default.** Failure of Consultant to perform any Services or comply with any provisions of this Agreement may constitute a default. The District may give notice to Consultant of the default and the reasons for the default. District shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of the notice until the default is cured. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, at the discretion of the District. During the period of time that Consultant is in default, the District shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the District may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the District may terminate this Agreement as provided above. Any failure on the part of the District to give notice of the Consultant’s default shall not be deemed to result in a waiver of the District’s legal rights or any rights arising out of any provision of this Agreement.

8. **Ownership of Documents.** All maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents prepared, developed or discovered by Consultant in the course of providing any services pursuant to this Agreement (collectively and individually, the “Documents”) shall
become the sole property of District and may be used, reused or otherwise disposed of by District without the permission of the Consultant. Upon completion, expiration or termination of this Agreement, Consultant shall turn over to District all such Documents.

9. **Use of Documents by District.** If and to the extent that District utilizes for any purpose not related to this Agreement any Documents, Consultant’s guarantees and warrants related to Standard of Performance under this Agreement shall not extend to such use of the Documents.

10. **Consultant’s Books and Records.** Consultant shall maintain any and all documents and records demonstrating or relating to Consultant’s performance of services pursuant to this Agreement for a minimum of three years after termination or expiration of this Agreement, or longer if required by law.

   b. Any and all such records or documents shall be made available for inspection, audit and copying, at any time during regular business hours, upon request by District or its designated representative. Copies of such documents or records shall be provided directly to the District for inspection, audit and copying when it is practical to do so; otherwise, unless an alternative is mutually agreed upon, such documents and records shall be made available at Consultant’s address indicated for receipt of notices in this Agreement.

   c. District has the right to acquire custody of such records by written request if Consultant decides to dissolve or terminate its business. Consultant shall deliver or cause to be delivered all such records and documents to District within sixty (60) days of receipt of the request.

Neither Consultant, nor any of Consultant’s officers, employees or agents, shall, by virtue of services rendered under this Agreement, obtain any rights to retirement, health care or any other benefits which may otherwise accrue to District’s employees.    b. District retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. 14. **Conflict of Interest; Disclosure of Interest.** Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of District or which would in any way hinder Consultant’s performance of services under this Agreement. Ratification of Agreement/MOU #21-127 - Ventura County Office of Education - Interdistrict Transfer (Aguilera-Fort/DeGenna)

The Interdistrict Transfer Agreement/MOU will serve as an understanding between local districts listed that an agreement has been made to permit pupils who reside in one of the districts to attend in another based on the terms and conditions of the Agreement/MOU. This Agreement/MOU shall be for a term of five (5) school years commencing with the 2021-22 school year and ending at the conclusion of the 2025-26 school year.

FISCAL IMPACT:
None.

RECOMMENDATION:
It is the recommendation of the Superintendent and the Assistant Superintendent, Educational Services, that the Board of Trustees ratify Agreement/MOU #21-127 with Ventura County Office of Education.

ADDITIONAL MATERIALS:
Attached: Agreement/MOU #21-127 (22 pages)

1. This MOU shall be for a term of five (5) school years commencing with the 2021-22 school year and ending at the conclusion of the 2025-26 school year.

2. The Districts understand and agree that each parent/guardian who resides within one of the participating districts but desires for their child to attend in the other district shall be required to sign a one-year Interdistrict Transfer Agreement (“Agreement”). The form of that Agreement is attached as Exhibit A and is incorporated by reference as though fully set forth herein. The district of attendance will determine on a year-to-year basis whether to renew the pupil’s Agreement.

3. The Districts agree that once the Districts sign the Agreement for a particular pupil, the district of residence will not be required to sign the Agreement for that pupil for the subsequent 4 school years. By signing the Agreement in Year 1, the district of residence intends to release the student from attendance in that district for 5 school years.

4. The Districts agree that a pupil who has been determined by personnel of either the school district of residence or the school district of proposed enrollment to have been the victim of an act of bullying, as defined in subdivision (r) of Section 48900, committed by a pupil of the school district of residence shall, at the request of the person having legal custody of the pupil, be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, be given additional consideration for the creation of an interdistrict attendance agreement.

5. The Districts recognize that a school district of residence shall not prohibit the transfer of a pupil who is a child of an active-duty military parent to a school district of proposed enrollment if the school district of proposed enrollment approves the transfer permit.

6. The Districts shall establish appropriate internal controls for the issuance and acceptance of Agreements. At a minimum the district of residence shall provide the district of attendance a copy of all transfer Agreements issued, and the district of attendance shall notify the district of residence upon its acceptance of pupils with valid Agreements.

7. The Districts understand and agree that a pupil who is granted an interdistrict transfer to another district who is a party to this Memorandum of Understanding shall be subject to the terms and conditions set forth in the Interdistrict Transfer Agreement attached hereto as Exhibit A and may have his/her attendance revoked during the school year, or non-renewed for the following school year, based on any of the reasons set forth in Exhibit A.

Revocations of an interdistrict permit by the district of attendance, based on the terms and conditions stated on the transfer agreement, may not be appealed to the County Board of Education for the remainder of the current school year.

8. Students with Disabilities being served under the SELPA Local Plan Interdistrict Charts are not subject to this agreement.
