Article 1. RECOGNITION

The District confirms its recognition of the Association per its Resolution dated May 12, 1976.

The District recognizes the Association as the sole and exclusive bargaining representative for a collective bargaining unit of certificated non-teaching supportive staff employees consisting of, but not limited to:

- School Counselors
- Speech and Language Specialists
- School Psychologists
- School Nurses
- Program Specialists
- Program Coordinators

The unit excludes those classifications that can lawfully be declared management, confidential, supervisory, and those presently represented by OEA and CSEA. Membership in the Association begins either upon the signature of the initial employment contract or upon reclassification of a position from another bargaining unit into OSSA. Any classifications added to OSSA will be at the discretion of the OSSA executive board.

//

Article 2. DISTRICT RIGHTS

2.1 It is understood and agreed that the District retain all of its powers and authority to direct, manage, and control to the full extent of the law. Included in but not limited to those duties and powers are the exclusive right to: determine its organization; direct and supervise the work of its employees; determine the days, times, and hours of operation; and the methods and means of providing them; establish its educational policies, methods of instruction, goals and
objectives; insure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; evaluate instructional programs; build, move or modify facilities; establish budgets and budget procedures and determine budgetary allocations; determine the methods and amount of revenue to be raised, lawfully contract out work (subject however to prior negotiations with the Association if bargaining unit work or members are affected; provided further that the District may continue to contract for the types of services currently provided on such basis); and take action on any matter in the event of an emergency; i.e. act of God, natural disaster, act of war, declaration of martial law, strike, insurrection, revolution, flood, earthquake, fire, epidemic, plague, power failure, or energy crisis. In addition, the District retains the right to hire, classify, assign, evaluate, supervise, promote, terminate and discipline employees.

2.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

2.3 The District retains its right to amend, modify or rescind policies and practices referred to in this Agreement in cases of emergency, limited however to the duration of the emergency.

Article 3. GRIEVANCE PROCEDURE

3.1 Definitions
3.1.1 A “grievance” is a written allegation by the Association or by one of more unit members that there has been a violation, misinterpretation or misapplication of specific provision of this Agreement. A “grievant” means the Association or a unit member who has filed a grievance.

3.1.2 An “aggrieved person” is the person or persons, including the Association or representatives thereof, making the claim.

3.1.3 A “District Administrator” for the purposes of this article is the Unit Member’s immediate supervisor or the administrator who has allegedly violated a provision of the collective bargaining agreement.

3.1.4 Unless otherwise expressly stated to the contrary, for purposes of this Article, a “day” shall mean a unit member workday.

3.2 General Principles

3.2.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the grievances.

3.2.2 Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement.

3.2.3 In the event a grievance is filed at such a time that it cannot be processed throughout all the steps in this grievance procedure until the beginning of the following school year, the time limits set forth herein will be reduced so that the procedure may be exhausted prior to the end of the school year or as soon as is practicable.

3.2.4 If the same grievance, or substantially the same grievance, is filed by more than one unit member, then such grievances shall be consolidated.
3.2.5 Before filing a formal grievance, an aggrieved person shall attempt to resolve the grievance through an informal conference within 10 days of alleged violation or within 10 days of the time the grievant should reasonably known of the alleged violation, with the “District Administrator” who is alleged to have violated the collective bargaining agreement.

3.2.6 A formal written grievance must be filed within thirty (30) days of the alleged violation, or within thirty (30) days of the time that the grievant should reasonably have known of the alleged violation.

3.3 Association Representatives

3.3.1 Either party has the right to the assistance of legal counsel or, in the case of a unit member, a representative from the Association, at any step in the procedure. Upon request, an employee may be represented at any or all levels of the Grievance Procedure. In the event an employee is not represented, the District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given an opportunity to file a response.

3.3.2 The Association may initiate and submit a grievance in writing. The processing of such grievance will be started at Level One. The association may process such a grievance through all levels of the grievance procedure even though there is no individual aggrieved person who wishes to do so.

3.4 Procedure

3.4.1 Level One - “District Administrator”

If the aggrieved person is not satisfied with the informal conference, the Employee Formal Grievance Form shall be made available to him/her. On this form the unit member shall provide a statement of his/her grievance. This statement shall be clear, concise, and include the circumstances involved, and the specific remedy sought and shall be delivered to the grievant’s
immediate supervisor within ten (10) days of the informal conference. The “District Administrator” shall communicate a written decision to the employee within ten (10) days after receiving the grievance. If the “District Administrator” does not respond within the above time limits, the grievant may automatically proceed to the next step. Within the above time limits, either party may request a personal conference with the other party.

3.4.2 Level Two – Assistant Superintendent, Human Resources

In the event the grievant is not satisfied with the decision at Level 1, the grievant may appeal the decision on the appropriate form to the Assistant Superintendent of Human Resources within ten (10) days. Failure by the grievant to meet this time limit shall constitute an automatic waiver and withdrawal of the grievance. The Assistant Superintendent shall communicate a decision within ten (10) days after receiving the appeal. Either the grievant or the Assistant Superintendent may request a personal conference within the above time limits. If the Assistant Superintendent does not respond within the above time limits, the grievant may automatically proceed to the next level.

3.4.3 Level 3 – Superintendent

If the grievant is not satisfied with the decision at Level 2, he/she may within ten (10) days appeal the decision on the appropriate form to the Superintendent or his/her designee. Failure by the grievant to meet this time limit by the grievant shall constitute an automatic waiver and withdrawal of the grievance.

The Superintendent shall communicate a decision within ten (10) days after receiving the appeal. Either the grievant or the Superintendent or his/her designee may request a personal conference within the above time limits. If the Superintendent or his/her designee does not respond with the above time limits, the grievant may automatically proceed to the next level.

3.4.4 Level 4 – Mediation
If the grievant is not satisfied with the decision at Level 3, he/she may, within ten (10) days, submit to the Superintendent or his/her designee a written request for mediation of the grievance. In this event, the Superintendent or his/her designee shall, within five (5) days following receipt of such request, submit to the California State Mediation and Conciliation Service a written request for the immediate services of a mediator. Failure by the grievant to meet this time limit shall constitute an automatic waiver and withdrawal of the grievance.

The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance by means of the mediation process. At the outset of this process, the mediator shall schedule and hold an informal conference at which time the parties to the grievance shall submit to the mediator a clear, concise written statement of the reasons for his/her appeal to the mediation process.

If a satisfactory resolution of the grievance is achieved by means of this mediation process, both parties to the grievance shall sign a written statement to the effect and thus waive the right of either party to any further appeal of the grievance.

The District and the Association have agreed that this level may be waived by mutual agreement of the District and the grievant. If no satisfactory settlement is reached within twenty (20) days following the first meeting with the mediator, either party may appeal the grievance to Level 5. Notwithstanding the foregoing, the matter may be appealed to arbitration earlier than twenty (20) days following the first meeting with the mediator if the mediator has relinquished jurisdiction.

3.4.5 Level 5 – Arbitration

If the grievant is not satisfied with the decision at Level 4, he/she may submit the grievance to the Association which shall have the exclusive authority to decide whether or not to
request arbitration of the grievance. If the Association request arbitration, it must do so within twenty (20) days following the Mediator’s relinquishment of jurisdiction or the first meeting with the mediator, whichever is later. Failure by the Association to meet this time limit shall constitute an automatic waiver and withdrawal of the grievance.

Upon receipt of a request for arbitration, the parties shall ask the State Conciliation and Mediation Service to supply a panel of seven (7) names. The parties shall select the arbitrator from that panel by alternately crossing out names. This procedure is not intended to preclude the parties’ mutually agreeing upon an arbitrator prior to requesting a panel from the above conciliation service.

As soon as possible after his/her selection, the arbitrator shall schedule a hearing wherein relevant testimony and documentary evidence may be introduced. The parties shall supply the arbitrator with a written submission of the issue to be heard. If the parties cannot agree upon a statement of the issue, the arbitrator shall frame the issues by referring to the grievance records at Levels 1, 2 and 3.

The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement or the written policies, rules, regulations and procedures of the District. The arbitrator shall not render any opinion or award that requires the District to do an act prohibited by law, or in violation of this Agreement. The arbitrator shall not rule upon any issue that has not been submitted to the arbitrator.

All costs for the services of the arbitrator, including, but not limited to, per diem expenses, his/her travel and subsistence expenses and the costs of any hearing room will be borne equally by the Board and the Association. All other costs will be borne by the party incurring them.
The arbitrator shall issue a written award, with supporting findings, to each party within thirty (30) calendar days after submission. The decision of the arbitrator shall, within the limits herein prescribed, be final and binding on both parties.

3.5 Miscellaneous

3.5.1 No reprisals of any kind will be taken by the Superintendent or by any member or representative of the administration or the Board against any aggrieved person, any party of interest, any member of the Association or any other participant in the grievance procedure by reason of such participation.

3.5.2 When it is necessary for a representative designated by the Association to investigate a grievance or attend a grievance meeting or hearing during the day, he/she will, upon notice by the President of the Association and approved of the immediate supervisor, be released without loss of compensation in order to permit participation in the foregoing activities. Any unit member who is requested to appear in such investigations, meetings, or hearings as a witness will be accorded the same right.

3.5.3 The District shall provide a reasonable amount of release time to unit members who are designated as Association representatives for the processing of grievances under this Article subject to the following conditions; (a) twenty-four (24) hours prior to release from duties for grievance processing the designated representative will inform his/her immediate supervisor and the Assistant Superintendent, Human Resources, in order that substitute service may be obtained, if such is necessary; and (b) time off shall be limited solely to one designee representing a grievant in a conference with a management person.

3.5.4 All documents, communications and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.
3.5.5 Forms for filing grievances, serving notices, making appeals, making reports and recommendations, and other necessary documents will be prepared by the District and given appropriate distribution by the Association so as to facilitate operation of the grievance procedure. The costs of preparing such forms shall be borne by the District.

Article 4. PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS

4.1 Unit members shall sign and deliver to the District an assignment authorizing deduction of union dues. Such authorization shall continue in effect from year to year. Pursuant to such authorization, the District shall deduct one twelfth (1/12) of such dues from the regular salary check of the unit member each month for twelve (12) months.

4.1.1 Any employee who is a member of a religious body whose traditional tenets include objections to joining or financially supporting employee organizations shall not be required to join, maintain membership in, or financially support any organization as a condition of employment. The employee shall be required in lieu of a service fee, to pay the amount equal to the agency fee to a nonreligious, non-labor organization, that is tax exempt under Section 501(c) 3 of the Internal Revenue Code. (GOVT Code Section 3546.3)

4.2 With respect to all sums deducted by the District pursuant to authorization of the unit member, the District agrees to promptly remit such monies to the Association treasurer accompanied by an alphabetical list of unit members for whom such deductions have been made, categorizing them as to membership or non-membership in the Association, and indicating any changes in personnel from the list previously furnished.

4.3 The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.

4.4 Upon appropriate written authorization from the unit members, the District shall deduct from the salary of any unit member and make appropriate remittance for annuities, credit
union, savings bond, charitable donations, or any other plans or programs approved by the Association.

//

**Article 5. WORK CALENDAR**

5.1 **Work Year**

The work year shall follow the fiscal calendar beginning July 1 and ending June 30 each year, the days to which a unit member is contractually obligated to work must be worked between July 1 and June 30.

5.2 The District and the Association agree that unit members should be scheduled to work during time that maximizes student learning or when students are in session. Therefore, unit members assigned to a program, department, or site operating on the district calendar shall have a work year reflected in the negotiated work calendar for all OSSA positions attached to the end of this document.

On non-student days, a unit member may request a change in calendar and flex the days and work location. It may be granted with the approval of the site supervisor.

5.3 For full time unit members, the normal work week shall consist of five (5) consecutive work days, Monday through Friday. For part time unit members, the work week shall be mutually agreed upon by the unit member and their immediate supervisor. Each unit member and his or her immediate supervisor shall meet and attempt to mutually agree upon the unit member’s work calendar for the ensuing school year before the start of the school year. If a mutual determination cannot be reached between the unit member and his/her supervisor as to the unit member’s work calendar, the District reserves the right to establish the work calendar for the unit member involved. Unit members shall complete their work calendars only after their assignments have been finalized for the following school year.
Article 6. DUTY HOURS

6.1 All unit members will be accountable for a forty-hour (40) work week in accordance with the following provisions:

6.2 The varying nature of professional duties does not lend itself to establishing daily starting and ending times of uniformity. Consequently, the starting and ending of unit member’s workday may vary because of differing school/office schedules and starting times. Each year, the start and end times for each unit member’s assignment shall be initially determined by the District and/or site administrator. If the District needs to make a change mid-year, the District shall first meet and confer with the Association. Assignment start and end times shall not be made arbitrarily, and/or capriciously.

6.3 Unit members shall be scheduled to work during time that maximizes student learning or when students are in session.

6.4 No unit member shall be required to extend their duty/work day beyond eight (8) hours inclusive of a 30 minute duty-free lunch.

6.5 Unit members are responsible for notifying their supervisor or their designee if the unit member will be away from the district during the 40-hour workweek.

6.6 The basic work year in the District shall be as provided in Appendix A. This work year may be increased or decreased by mutual agreement. Any change in the length of the work year shall result in a corresponding increase or decrease of one current salary per diem for each day of change. The District shall immediately notify in writing the President of the Association of any agreement to increase or decrease the work year of any unit member.

6.7 Reduced Work Year. Unit members who upon District approval voluntarily agree to reduce their work year to less than a full-time basis shall permanently relinquish any rights to that portion of their position which is voluntarily reduced.
6.8 The Association and District are committed to and share the belief that regular staff meetings are essential to achieve the organizational goals and maintain District and Department focus and purpose. To that end, staff members are expected to attend monthly staff meetings at the District office and absent other assigned duties, attend one site staff meeting per month. For unit members assigned to more than one site, members may attempt to attend meetings at each assigned site on a rotating basis.

6.9 Vacancies: Current part time employees will be considered for vacant positions in the unit prior to advertised outside the District.

   6.9.1 The District shall follow and apply any or all of the criteria listed below in filling vacancies:
   
   a. legal requirements of the District;
   b. years of service within the bargaining unit;
   c. individual training, experience, credentials;
   d. educational needs of the school or department to which the unit member is assigned; and
   e. preference of unit member.

In effectuating such vacancies, the District shall not act arbitrarily, capriciously, or without basis in fact.

   6.9.2 When more than one part time employee has applied for a vacancy, and are considered equal under the criteria in Article 6.9.1, the most senior unit member shall prevail.

//

   7.4.1.2 The unit member shall receive a written explanation of the reasons for the reassignment and selection of the particular unit member.

   7.4.1.3 An Association representative, with the permission of the unit member, may be present during consultation regarding the proposed reassignment.

7.5 Unit Member-Initiated Reassignment

7.5.1 Unit members shall have the right to request a change of assignment by notifying their immediate supervisor in writing.

7.5.2 Unit members not selected shall be granted upon request a written explanation regarding their non-selection.

7.5.3 Unit members who transfer from one five-step position to another five-step position within the unit shall be placed on the lowest step on the salary schedule at which the unit member will realize an increase in the per diem rate.
7.6 Reduction

7.6.1 Reduction shall be on the basis of seniority in the position.

7.6.2 Unit members subject to reduction shall be transferred, if possible; relocated, if credentials permit; or finally, released from employment.

7.6.3 The unit member shall receive upon request a written explanation of the reasons for the reduction.

7.6.4 An Association representative, with the permission of the unit member, may be present during consultation regarding the proposed reduction.

7.6.5 The Oxnard School District and the Oxnard Support Services Association acknowledge that present case law allows a District to reassign pupil services support service personnel to any other certificated position in which the unit member is credentialed to serve.

Due to the significant changes such a reassignment might involve, the District will inform the affected employee as far in advance as is administratively possible of any contemplated change.

In the event the District determines to abolish a position in the bargaining unit, District shall first meet and confer with the Association.

   b. years of service within the bargaining unit;
   c. individual training, experience, credentials;
   d. educational needs of the school or department to which the unit member is assigned; and
   e. preference of unit member.

In effectuating such assignments, the District shall not act arbitrarily, capriciously, or without basis in fact. Unit members shall not be required to accept an extended school year assignment.

//

Article 8. STUDENT RATIO

8.1 Definition of Terms

     8.1.1 “Caseload” for Speech-Language Pathologists: Number of students with an active IEP that you are assigned to and responsible for providing services.

     8.1.2 “Student Ratio” for school-based Speech-Language Pathologists: calculated using percentages of FTE carrying caseload, excluding Preschool.

8.2 Unit members shall be assigned a student ratio not to exceed that required in the Education Code. When the student ratio exceeds the Education Code maximum, a referral to the District Special Education Administrator will be made by the Unit Member to review the caseload for problem solving/resolution.

8.3 The District shall also consider recommended federal and state guidelines.

//
Article 9 EVALUATIONS

9.1 Recognizing that the District and the Association are committed to the utilization of an interest based approach whenever and wherever possible, the evaluation process shall include a review of the unit member’s current performance and emphasize the recognition of their strengths and meritorious accomplishments. It is imperative that those responsible for personnel evaluation follow methods of identifying strengths as well as deficiencies in order to bring an awareness of these to the attention of each unit member. When reinforcement of professional service takes a positive rather than a negative form, there is a much greater likelihood of improved professional performance.

9.2 Probationary unit members shall be evaluated at least once each school year. Permanent unit members shall be evaluated at least once every other school year starting with the first permanent year except as noted below in section 9.7.5.

9.3 Evaluation process: The unit member shall be notified in writing or email by the supervisor within thirty (30) calendar days from the commencement of duties whether the unit member will be evaluated or not in that school year and who will be conducting the evaluation. During the evaluation year, the unit member’s evaluator shall observe the unit member and/or gather information related to the unit member’s performance (e.g., reports, IEPs, etc.). If personal observation of the work of a unit member is necessary, it shall be conducted openly and with full knowledge of the unit member.

9.4 Matters which are outside the scope of employment are irrelevant to the process of evaluation.

9.5 Data for evaluation summaries may include information from the following sources:
9.5.1 Observation—visits of sufficient time to observe and assess job-related skills and abilities; additional observations of unit member’s performance within the eight-hour (8) day which may be of lesser duration, lesser formality and in other than the unit member’s primary work environment.

9.5.2 In addition to personal observation, information which has been documented and found to be reliable by the evaluator and which relates to the performance of the unit member may be included in the evaluation process. (Such information must be brought to the attention of the unit member in writing (including email) before it may be included in the final evaluation summary.) Upon request of the unit member, a personal conference involving the affected union member, evaluator and individual initiating this information shall be held to review such information.

9.6 Probationary Unit Members

9.6.1 In each of the two probationary years, the unit member’s evaluator shall observe the unit member and/or gather information related to the unit member’s performance (e.g., reports, IEPs, etc.) no later than ninety (90) calendar days after the commencement of duties. The evaluator shall present a written report of the observation or other evaluation data, to the unit member within fifteen (15) work days following the observation. A meeting shall be held between the unit member and their evaluator to discuss and review the Conference Summary providing feedback to the unit member regarding strengths and areas for improvement. The evaluator and unit member shall sign and date the conference summary. The unit member’s signature does not necessarily indicate the unit member’s agreement with the summary. Within three (3) work days thereafter, the unit member shall sign the summary indicating only that he/she has read the summary, understands it and has been given the opportunity of responding to
it in writing. The unit member’s written response, if any, shall be attached to the summary and become a permanent part thereof.

9.6.2 By January 31 of each year, the evaluator shall observe the unit member and/or gather information related to the unit member’s performance and shall meet with the unit member to discuss and review the Conference Summary. The evaluator and unit member shall sign and date the second conference summary. The unit member’s signature does not necessarily indicate the unit member’s agreement with the summary. Within three (3) work days thereafter, the unit member shall sign the summary indicating only that he/she has read the summary, understands it and has been given the opportunity of responding to it in writing. The unit member’s written response, if any, shall be attached to the summary and become a permanent part thereof.

9.6.3 A final evaluation summary report shall be submitted to the unit member no later than thirty (30) calendar days preceding the close of the school year. The evaluator and unit member shall meet to review the report. Within three (3) working days thereafter, the unit member shall sign the report indicating only that he/she has read the report, understands it and has been given the opportunity of responding to it in writing; the signature does not necessarily indicate the unit member’s agreement with the evaluation. The unit member’s written response, if any, shall be attached to the report and become a permanent part thereof.

9.6.4 If the probationary unit member received an Unsatisfactory or Needs to Improve on a conference summary or summative evaluation, the evaluator shall complete the Performance Improvement Plan form that: 1) outline in writing areas in need of improvement; 2) the specific steps the employee needs to take to improve; and 3) assistance available to support the employee. The employee’s progress on the improvement plan shall be reevaluated within sixty (60) work days and as needed thereafter until the employees’ performance is deemed
to be satisfactory or until the unit member is separated from the District. The unit member shall take proactive steps to correct any areas that need improvement.

9.7 Permanent Unit Members

9.7.1 Permanent unit member shall be evaluated at least once every other school year. The unit member shall be notified in writing or email by the supervisor within thirty (30) calendar days from the commencement of duties whether the unit member will be evaluated or not in that school year and who will be conducting the evaluation. The unit member’s evaluator shall observe the unit member and/or gather information related to the unit member’s performance (e.g., reports, IEPs, etc.) no later than one hundred twenty (120) calendar days after the commencement of duties in each evaluation year. The evaluator shall present a written summary of the observation or other evaluation data, to the unit member within fifteen (15) work days following then observation. A meeting shall be held between the unit member and their evaluator to discuss and review the Conference Summary providing feedback to the unit member regarding strengths and areas for improvement, if any. The evaluator and unit member shall sign and date the conference summary. The unit member’s signature does not necessarily indicate the unit member’s agreement with the summary. Within three (3) work days thereafter, the unit member shall sign the summary indicating only that he/she has read the summary, understands it and has been given the opportunity of responding to it in writing. The unit member’s written response, if any, shall be attached to the summary and become a permanent part thereof.

9.7.2 If the unit member receives a Needs to Improve or Unsatisfactory rating in the first conference summary, the evaluator shall observe the unit member and/or gather information related to the unit member’s performance and shall meet with the unit member for a second conference no later than April 1 of the evaluation year. The evaluator and unit member shall sign and date the second conference summary. The unit member’s signature does not
necessarily indicate the unit member’s agreement with the summary. Within three (3) work days
thereafter, the unit member shall sign the summary indicating only that he/she has read the
summary, understands it and has been given the opportunity of responding to it in writing. The
unit member’s written response, if any, shall be attached to the summary and become a
permanent part thereof.

9.7.3 A final evaluation summary report shall be submitted to the unit member
no later than thirty (30) calendar days preceding the close of the school year. The evaluator and
unit member shall meet to review the report. Within three (3) working days thereafter, the unit
member shall sign the report indicating only that he/she has read the report, understands it and
has been given the opportunity of responding to it in writing; the signature does not necessarily
indicate the unit member’s agreement with the evaluation. The unit member’s written response,
if any, shall be attached to the report and become a permanent part thereof.

9.7.4 If the employee received an Unsatisfactory or Needs to Improve on their
conference summary or summative evaluation, the evaluator shall complete the Performance
Improvement Plan Form and offer positive assistance aimed at achieving improvement. The
evaluator shall: 1) outline in writing areas in need of improvement; 2) the specific steps the
employee needs to take to improve; and 3) assistance available to support the employee. The
employee’s progress on the improvement plan shall be reevaluated within ninety (90) work days
and as needed thereafter until the employee’s performance is deemed to be satisfactory. The unit
member shall take proactive steps to correct any areas that need improvement. When any
permanent employee has received an Unsatisfactory or Needs to Improve on their summative
evaluation, the District shall at least annually evaluate the employee until the employee achieves
a satisfactory evaluation or is separated from the District.
9.7.5 A unit member who, after reaching permanent status and who has received two evaluations of “Meets Expectations” or better in all performance areas may be evaluated at least once every three (3) years at the evaluator discretion. The unit member shall be notified in writing or email by the evaluator within thirty (30) calendar days from the commencement of duties whether the unit member will be evaluated in that school year.

9.8 Materials in personnel files of employees which may serve as a basis for affecting the status of that employment are to be made available for the inspection of the unit member involved. Every employee shall have the right to inspect such materials upon request at a time when such person is not actually required to render services to the employing District.

9.9 Such material is not to include ratings, reports, or records which (1) were obtained prior to the employment of the person involved, (2) were prepared by identifiable interviewing committee members, or (3) were obtained in connection with a promotional examination.

9.10 Information of a derogatory nature, except material mentioned in paragraph 9.7 of this section, shall not be entered or filed unless and until the employee is given notice and an opportunity to review and comment thereon. An employee shall have the right to enter, and have attached to any derogatory statement, his own comments. Such review may take place during normal business hours, and the employee shall be released from duty for this purpose without salary reduction.

9.11 Upon written authorization by the unit member, a representative of the Association shall be permitted to examine and/or obtain a copy of non-confidential materials in such unit member’s personnel file without charge.

9.12 Evaluation procedures may be revised during the term of this agreement by mutual consent of the District and the Association.

//
Article 10.  COMPENSATION FOR SUMMER SCHOOL/INTERSESSION

10.1 If a unit member agrees to accept a teaching assignment during an intersession, the unit member shall be paid at the hourly rate established for teacher employees.

10.2 Except for this provision, no other articles or provisions in this Agreement shall apply to unit members serving in summer session/intersession.

Article 11.  LEAVE PROVISIONS

11.1 The benefits which are expressly provided by this section, Article 11, are the sole benefits which are part of this collective agreement, and it is agreed that other statutory or regulatory leave benefits not incorporated, either directly or implied, into this Agreement shall not constitute a part of this Agreement, nor are such other benefits subject to the Grievance Procedures, Article 3.

11.2 Sick Leave. Unit members shall be granted sick leave, not to exceed twelve (12) days per year. This sick leave shall be cumulative without limit. Sick leave shall accrue on a fiscal year basis (i.e. July 1 – June 30 of the following year) and be available as of the first workday of each fiscal year. The number of days of sick leave a unit member may accrue will be based on the total number of days in their regular contract year in accordance with the table set forth below:

<table>
<thead>
<tr>
<th>Workdays</th>
<th>Days of Sick Leave</th>
</tr>
</thead>
<tbody>
<tr>
<td>179 or fewer</td>
<td>10 days</td>
</tr>
<tr>
<td>180-215</td>
<td>11 days</td>
</tr>
<tr>
<td>Over 215</td>
<td>12 days</td>
</tr>
</tbody>
</table>

Unit members who work 20 extra days beyond their full contract year shall be granted one (1) additional day of sick leave. Unit members who work 10 extra days beyond their full contract year shall be granted one-half (1/2) additional day of sick leave. Unit members who
provide District payroll with information supporting their entitlement to additional sick days may
accrue additional sick days under this Article 11.2 retroactively to July 1, 1994.

For the purposes of this section, sick leave shall include the illness of a unit member’s
child, parent, spouse or domestic partner.

11.2.1 Personal Illness. Absence for personal illness shall be charged
against sick leave time. Essential treatments, examinations for diagnostic purposes, and other
absence definitely related to a unit member’s health may be allowed as sick leave when such
treatments or examinations need to be made during school time.

11.2.2 Quarantine. Unit members absent due to quarantine imposed by health
authorities shall have no salary deduction, if such absence is covered by days accumulated for
sick leave.

11.2.3 Sick Leave Accrual for Reduced Work Year Employees. Unit members
whose work year has been reduced pursuant to Article 6, Section 6.7 of the Agreement, shall be
credited with a percentage of sick leave days, normally credited to a work year assignment. This
percentage shall be computed by taking the number of sick leave days credited to a position on
the basis of a regular assignment (10 days for 179 days or less, etc.) and dividing that number by
the ratio that the employee’s reduced work assignment bears to the regular assignment. For
example, if the employee’s work assignment is equated to be 50 percent of the regular
assignment (either days of service or hours worked) then the number of sick leave days credited
will be 50 percent of the sick leave days normally credited to a regular assignment.

11.2.4 Sick leave is not cumulative month to month but each year leave shall
accrue and be available as of July 1 of each school year.

11.3 Personal Necessity. A unit member at his/her election may claim and deduct up to
eleven (11) days per year from his/her accumulated sick leave for reasons due to personal
emergency or necessity. The charges of such absences to the unit member’s accumulated sick leave shall be subject to approval by the Superintendent or designee. Absences which may be charged to the accumulated sick leave under this section include but are not limited to the following categories:

11.3.1 Death of a member of the immediate family, another relative, or of a close personal friend.

11.3.2 Accident involving his/her person or property or the person or property of a member of the immediate family.

11.3.3 Appearance in court as a litigant, as a witness, or other absence required under official government order or direction.

11.3.4 Professional improvement such as: registration for courses in recognized educational institutions, the taking of graduate or other examinations or tests that could not be taken at other times, etc. The provision does not include attendance at classes or lectures that are available at other times which would not conflict with the unit member’s obligations to the District.

11.3.5 Business transactions of an urgent nature. Such transactions must require the presence of the unit members, and the unit member must furnish evidence or certify that the transactions could not be dealt with during off-duty hours.

11.3.6 Individual or family responsibilities. Absences of this type would include but not be limited to: illness of the immediate family, problems related to property, graduations, weddings involving self or immediate family, necessary appearance of self or member of immediate family in court or other governmental agency but not under court order or official government order or direction.
11.3.7 Acceptance of an honor such as a diploma, a degree, or special award from a recognized educational institution or governmental agency, relative or of a close personal friend.

Each unit member who elects to charge an absence for a “personal necessity” against the sick leave shall notify his/her immediate supervisor in writing of the appropriate category, and when practicable, prior to the absence.

11.4 Absence Beyond Accumulated Sick Leave. A unit member absent for illness, injury, disability, or quarantine beyond the number of workdays accumulated for sick leave shall have deducted from his/her salary the amount paid to the substitute, whether a substitute is employed or not, for those days beyond the sick leave allowance for the period of five (5) school months or less, such amount not to exceed the absent unit member’s daily rate of pay. A unit member absent beyond this period shall have deducted from his/her salary his/her full daily rate of pay.

11.5 Bereavement Leave

11.5.1 The District shall grant necessary leave of absence with pay at the employee’s regular rate not to exceed five (5) days on account of the death of any member of the employee’s immediate family.

11.5.2 For purposes of this provision, immediate family is defined as mother, step-mother, father, step-father, grandmother, grandfather, or a grandchild of the unit member or the spouse of the unit member and the spouse, son, step-son, son-in-law, daughter, step-daughter, daughter-in-law, brother, step-brother, step-sister, brother-in-law, sister, or sister-in-law, of the unit member or any relative, domestic partner or significant other living in the immediate household of the unit member.
11.5.3 A unit member shall notify the District prior to the absence and also state the expected duration of the absence to enable the District to secure a substitute.

11.6 **Industrial Accident Leave**

11.6.1 Unit members will be entitled to industrial accident leave for personal injury which has qualified for workmen’s compensation under the provisions of the State Compensation Insurance Fund.

11.6.2 Such leave shall not exceed sixty (60) days during which the schools of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one fiscal year for the same industrial accident.

11.6.3 The District has the right to have the unit member examined by a physician designated by the District to assist in determining the length of time during which the unit member will be temporarily unable to perform assigned duties and the degree to which a disability is attributable to the injury involved.

11.6.4 For any days of absence from duty as a result of the same accident, the unit member shall endorse to the District any wage loss benefit check from the State Compensation Insurance Fund which would make the total compensation from both sources exceed 100 percent of the amount the unit member would have received as salary had there been no industrial accident or illness.

11.6.5 If the unit member fails to endorse to the District any wage loss disability indemnity check received on account of the industrial accident or illness as provided above, the District shall deduct from the unit member’s salary warrant the amount of such disability indemnity actually paid to and retained by the unit member.

//
11.7  **Court Appearance Leave/Jury Duty Leave**

11.7.1 **Eligibility.** A unit member of the District, other than a litigant in the case, shall be granted leave under this section with pay if the unit member has been subpoenaed either as a juror to perform trial or inquest jury duty or to appear as a witness in a federal, state, or municipal court or to appear before a state agency.

11.7.2 **Procedure.** A unit member absent on court leave must show verification of his/her attendance in court or state agency, and the fees paid for jury duty or witness service.

A unit member may retain all money paid to him/her for mileage and expenses, but jury or witness fees paid to him/her by the court must be turned in to the District.

Upon return from court leave, the unit member is responsible for reporting to the District business office and making payment for fees collected. A unit member who appears for jury duty or witness service during regularly scheduled off-duty time may retain fees and other allowances.

11.7.3 **Grand Jury Service.** A unit member accepting appointment to a grand jury shall be placed in a leave without pay status for the duration of the appointment.

11.7.4 **Expert Witness.** Any unit member accepting appointment as an expert witness in any court or administrative agency hearing where the unit member has volunteered his/her services for the purpose of testifying as an expert witness, shall be allowed to retain his/her expert witness fees. The unit member, however, shall not be allowed to charge any day of absence to this leave provision. Instead, the unit member shall be required to take an unpaid leave of absence.

11.7.5 Bargaining unit members are discouraged from volunteering their services as an expert witness during the school year.

11.8 Family Care and Medical Leave

11.8.1 Leaves. Eligible unit members may take leaves under this Article for the birth, adoption, or foster care of a child, the serious health condition of the unit member’s child, parent or spouse and the unit member’s own serious health condition except for disability caused by pregnancy, childbirth or related medical conditions.

11.8.2 Eligibility. Eligible unit members are entitled to up to a total of twelve workweeks of unpaid leave over any twelve month period for family care/medical leave providing they have more than twelve months of service and at least one thousand two hundred fifty (1,250) hours of service in the previous twelve month period.

11.8.3 Reinstatement Rights. A unit member whose request for leave has been granted shall be guaranteed reinstatement to the same position or comparable position if their previous one has been eliminated upon termination of the leave.

11.8.4 Continuation of Health Benefits. The District will maintain and pay the current monthly contributions for eligible unit members toward the payment of premiums for group health benefits throughout the period of family care/medical leaves.

Unit members shall be entitled to participate in other benefit plans not provided by the District pursuant to this paragraph to the same extent and under the same conditions that apply to an unpaid leave taken for any purpose other than that described in paragraph 11.8.2.

11.8.5 Coordination of Benefits. Unit members will be required to use all accrued paid vacation, other accrued time off, and any other paid or unpaid time off provided for under this agreement such as personal leave, five month differential pay, immediate family accident/illness leave and family care leave concurrently with leaves taken for the birth or placement of a child or to care for an ill family member. Leave for which the employee is eligible under Government Code section 12945 shall not count against, but shall be in addition
to, family care leave. However, a unit member may not be required to use such leave during a
period of leave in connection with the birth, adoption, or foster care of a child, or to care for a
child, parent or spouse with a serious health condition, unless mutually agreed to by the unit
member and the District. Unit members who take leaves for their own serious health condition
will be required to use accrued sick leave in addition to accrued paid vacation, and all other paid
or unpaid leaves provided for in this agreement.

11.8.6 Employee Status. A leave for family care and medical leave shall not
constitute a break in service for purposes of longevity, seniority or any employee benefit plan.

11.8.7 Reasonable Notice. If a leave is foreseeable, the unit member shall provide
the District with reasonable advance notice of the need for the leave and make reasonable efforts
to schedule planned medical treatment to avoid disruption to the operations of the District.

11.8.8 Medical Certification. The District may require a unit member’s request
for leave to care for a child, spouse or a parent who has a serious health condition be supported
by a certification issued by the health care provider. Certification is sufficient if it states (1) the
date the serious health condition commenced; (2) the probable duration; (3) that the unit member
is needed to provide such care, or that the unit member is unable to perform his/her job due to the
serious health condition. A second opinion may be required by the Districts and at District
expense for the unit member’s serious health condition. If the two opinions conflict, a third and
binding examination may be required by a mutually agreed on health provider at the District’s
expense.

As a condition of a unit member’s return from leave taken because of his/her own serious
health condition, the District may require the unit member to obtain certification from his/her
health care provider that the unit member is able to resume work.
11.9 Maternity Leave of Absence

11.9.1 Definition. A maternity leave of absence is a leave granted to a unit member because of expected maternity. It is granted during pregnancy and the period of convalescence following childbirth. The leave provided for in this section is in addition to any other leave provided for by law or by this Agreement. Throughout this section, the term “leave” means maternity leave of absence as defined above.

11.9.2 Application. No later than five (5) months prior to the expected date of delivery, written application for leave must be submitted to the Assistant Superintendent, Human Resources and Support Services, on a form provided by the District. The application for leave must be accompanied by a written statement from a physician indicating the expected date of delivery. The failure of any pregnant unit member to supply a doctor’s certificate indicating the expected date of delivery when requested to do so by the District or to apply for a maternity leave within the prescribed limit will be grounds for the District to immediately suspend the unit member without pay until such time as the unit member does comply with this Agreement.

11.9.3 Compensation

11.9.3.1 Prior to delivery, the unit member shall, in a form provided, indicate either (1) a non-paid leave of a maximum of one school year or (2) use of sick leave during the pre- and post-delivery period.

11.9.3.2 In the event the unit member chooses (2) above, she shall be entitled to use all or part of any accumulated sick leave and shall be further entitled to sick benefits as defined in 11.4 of this Agreement.

11.9.3.3 If the unit member selects a non-paid leave, any fringe benefits provided by the District shall continue in full force and effect during the period of leave at the expense of the unit member.
11.9.3.4 If the unit member selects the use of sick leave, any fringe benefits provided by the District shall continue in full force and effect during the period of leave.

11.9.4 **Effective Date.** The leave may become effective on the date requested by the unit member which has the recommendation of the unit member’s physician and approval of the Board.

11.9.5 **Duration.** The leave may continue for the period of time requested by the unit member, but in no event shall any maternity leave exceed one school year in duration. Not less than seven (7) days prior to return to duty, the unit member must submit a written statement from her physician indicating her fitness to perform her normal duties.

Upon application by the unit member, a maternity leave will be extended beyond the period specified in the original authorization for leave up to a total of three (3) months (inclusive of the initial authorization). A unit member may request an additional extension of this time and such request will be reviewed by the District. The District may grant this leave request but in no event shall any maternity leave under this section exceed one year in duration. No later than twenty-one (21) days before the unit member is required to return, she shall submit a notice of her intent to return upon the expiration of the extended leave.

In the event of miscarriage or death of the child, a unit member may request a return to service, and must submit a physician’s written statement indicating her fitness to perform her normal duties.

11.9.6 **Assignment Upon Return to Service.** Upon return from maternity leave, a unit member shall be assigned her former position.

11.9.7. **Effect of Maternity Leave.** Maternity leave shall not deprive the unit member of any rights or benefits to which she may be entitled including, but not limited to,
fringe benefits, placement, class size, salary, and retirement as provided by law and/or in the
Education Code.

11.10 Catastrophic Leave

11.10.1 Definition: Catastrophic Leave is intended for exceptional and
demonstrable hardship case, and is not to be considered or treated as a routine extension of paid
status for employees who have, by previous absences, exhausted their sick leave and vacation
leave. Catastrophic leave shall be limited to the unit member and member’s immediate family
including parents and children.

The Oxnard School District Catastrophic Leave Bank program is intended to provide
emergency financial support and to relieve financial hardship in situations where a serious illness
or injury incapacitates the employee for an extended period of time, or incapacitates an
immediate family member, requiring the employee to be absent from work for an extended
period of time to care for that family member per [California Education code section
44043.5(1)].

Due to the subjective nature of diagnosis for stress and other psychological illnesses, such
illnesses shall not qualify for catastrophic leave unless they involve extended hospitalization.

11.10.2. The intent of the Catastrophic Leave Bank is to provide Oxnard School
District employees (Management, Confidential, OSSA, and CSEA) economic relief for
devastating personal health circumstances.

Catastrophic Leave may not be used for:

a. Elective Surgery
b. Personal Necessity Leave
c. Normal Pregnancy
d. Bereavement

11.10.3 The groups agree to create a Catastrophic Leave Bank effective September
of 2019. The Catastrophic Leave Bank shall be funded in accordance with the terms below.

11.10.4 For the purpose of this section, a “day” shall be any day an eligible
permanent employee is expected to be on duty.

11.10.5 Days in the Catastrophic Leave Bank shall accumulate from year to year.

11.10.6 Days shall be contributed to the Bank and withdrawn from the Bank
without regard to the daily rate of pay of the Catastrophic Leave Bank participant.
Eligibility and Contributions:

11.10.7.1 At the beginning of each school year, eligible permanent employees may elect to contribute to the catastrophic Leave Bank. Participation is voluntary and only contributors will be permitted to draw from the Bank. Each person’s contribution shall be based on a full working day or be prorated to the percentage of the person’s daily assignment if less than a full day.

11.10.7.2 Open enrollment shall commence on July 1 and close on September 30 in each year for establishing and then sustaining the Catastrophic Leave Bank. A second enrollment shall commence on February 1 and close on February 28 for any unit member who wishes to participate.

11.10.7.3 A Catastrophic Leave Committee will be established each year to monitor the program, review requests and determine eligibility to receive a donation of days. The Committee will be comprised of the Assistant Superintendent of Human Resources, 1 management/confidential, 2 OSSA members, and 2 CSEA Members selected by each unit. The Assistant Superintendent of Human Resources shall have the responsibility of maintaining records for the program.

11.10.7.4 The initial donation shall be one day per participant. When the Committee determines a need, new donation forms will be distributed to all eligible permanent employees to rebuild the bank. Eligible permanent employees shall be considered active in the Bank as long as they have donated at least one day in any school year when donations are solicited. If the bank falls below 61 days, a second collection shall be asked of all unit members. If a unit member donated at the beginning of the year, and is now unable to donate, a unit member shall still be considered an active participant for the remainder of the year. If a participating unit member has more than 10 sick days, the unit member shall be required to donate a second day in order to replenish and sustain the Catastrophic Leave Bank. If a participating member has less than 10 sick days and does not voluntarily donate a day, they will be required to donate at the beginning of the next year in order to continue participation in the Bank. If it is a year requiring a donation, the member will be required to donate two days to remain active. If no donations are solicited, then a member will stay active unless they choose to cancel. Donated days will not be returned upon cancellation and the participant will not be eligible to receive a donation of days after submitting a cancellation. Unused days shall carry-over and remain in the Bank from year to year.
11.10.7.5 If the number of days in the Bank at the beginning of the school year exceeds 400 days, no contribution shall be required.

11.10.7.6 Participants or their representative may request a draw from the bank only after all paid leaves including differential/half pay no more than 5 months for OSSA members (100 days for CSEA) have been exhausted. If the participant is also entitled to FMLA (Family Medical Leave Act), the twelve work weeks within a twelve-month period shall run concurrently with the use of Catastrophic Leave. Eligible permanent employees may request up to 60 days of leave from the Bank. Requests will be addressed by the Committee within 10 working days. Requests for additional days from the Bank may be requested and will be granted at the discretion of the Catastrophic Leave Committee.

11.10.7.7 If any Catastrophic Leave Bank days are granted by the Committee to an applicant for a specific and qualified reason are not needed or used, the days shall be returned to the Bank. If the request is approved or denied, the bargaining unit member making the request shall be notified in writing of the decision. This decision shall be final and not subject to the grievance process of the agreement.

11.10.7.8 Catastrophic Leave will require a medical verification to substantiate the illness or injury.

11.11 General Leaves of Absence

11.11.1 General Condition. The District may grant to unit members a leave of absence.

11.11.1.1 If the District, upon recommendation of the Superintendent, does grant a leave of absence, the following conditions shall prevail unless otherwise specified in this Agreement or in the motion granting the leave:

11.11.1.2 A leave of absence will not be granted for more than one school year at a time.
11.11.1.3 All applications for an anticipated leave of absence must be on file in the Superintendent’s office at least sixty (60) days prior to the effective date of the leave.

11.11.1.4 A unit member on leave of absence shall be bound by all of the terms and conditions stated at the time of authorization of the leave by the District.

11.11.1.5 On or before April 1 of the year of the leave, such individual to whom a leave of absence is granted shall notify the District Superintendent in writing if he wishes to return to the District’s employ at the beginning of the following school year.

11.11.1.6 Failure to notify the District Superintendent on or before April 1 of the year of leave will constitute a resignation of the position from which the unit member is on leave.

11.11.1.7 Assignment upon return from leave will be in accordance with the conditions agreed to in the granting of the leave.

11.11.1.8 Any compensation granted shall be specified in the motion.

11.11.1.9 General leaves that are granted for personal renewal must show that such a leave will provide the unit member an opportunity to prepare for improved service in the schools of the Oxnard School District.

11.11.1.10 The District may approve a general unpaid leave for a unit member when requested by the unit member to address family emergencies or special circumstances.

11.12 Verification of Absence

The unit member shall file with the Superintendent a signed statement certifying to the cause of any absence from duty. The unit member’s monthly time card satisfies this requirement.
The unit member shall be required to submit other suitable verification of the reasons for an absence when requested by the Superintendent.

11.13 Sabbatical Leaves of Absence

11.13.1 Sabbatical leave is defined as any definite plan whereby a unit member may be granted leave of absence covering a stipulated period of time of a school year, such leave to be used for professional improvement, and including payment of partial salary for such leave.

11.13.2 Sabbatical leave is not granted as a reward for service or work already performed, but rather as an opportunity to prepare for improved service in the schools of the Oxnard School District.

11.13.3 The goals or reasons for granting sabbatical leave are summarized as follows:

11.13.3.1 Improved professional service:
11.13.3.2 Broader professional view;
11.13.3.3 Higher scholarship and culture;
11.13.3.4 Inspiration to other unit members; and
11.13.3.5 Help to the school system in attracting competent new personnel.

11.13.4 Definition: A sabbatical leave is a leave granted to a unit member for one of the following reasons:

11.13.4.1 Professional Study. A sabbatical leave for professional study is one during which the unit member is enrolled in a program of full-time study in an accredited institution of higher learning. Courses must, in the judgment of the sabbatical leave committee, relate to the present or prospective service of the unit member.
11.13.4.2 Independent Study or Research. A leave taken for the purpose of pursuing a program of independent study or research must be related to the present or prospective services of the unit member and must be under the guidance of the District sabbatical leave committee. The program must be equivalent in effort and content to that required under paragraph (a) above, for professional study. A complete plan for such study must be approved by the sabbatical leave committee and filed with the original application for leave.

11.13.5 Travel. A travel leave is one during which the unit member shall remain in travel status and must be related to the present or prospective services of the unit member. A complete plan for such travel must be approved by the sabbatical leave committee and filed with the original application for leave.

11.13.5.1 Combination Study and Travel. A combination leave may be approved for both study and travel provided that the goals specified relate closely to the present or prospective service of the unit member in the Oxnard School District. A complete plan for such a combination must be approved by the sabbatical leave committee and filed with the original application for leave.

11.13.5.2 Eligibility. Sabbatical leave for the purpose of engaging in professional study, research and travel, may be granted to unit members under 62 years of age who have completed seven (7) continuous, full school years of service in the Oxnard School District. 17.4 Recognizing that professional development is ongoing and that pre-service education alone cannot provide all the knowledge and skills that unit members will need to keep abreast of technological and informational developments throughout their careers, the District commits to an ongoing program of staff development.

The District shall provide financial support for professional development and release time for unit members. The financial support shall be as follows:

Unit members whose work year is less than 75% shall receive a prorated amount based on the percentage their work year bears to a full-time assignment. Unit members who separate from the District mid-year shall reimburse the District a prorated share of the Professional Growth stipend based on the amount of days not worked as part of their work year.

17.5 Professional Growth Award Program

Unit members shall participate in the District’s group health and welfare benefits currently in existence and/or as may be amended, changed, or modified by approval or resolution of the Board of Trustees for certificated staff. The cost of participating in the Districts group health and welfare benefits shall be paid by the unit member. The unit member may participate in the District’s Section 125 Plan to allow for monthly pre-tax deductions of the health and welfare benefits cost borne by the unit member (See Article 16.1.1).

18.2 The District and Association accept the Trust Fund directors appointed respectively by participating employees (Management) and employee organizations (Labor) as their directors and agree to be bound by the collective decisions of the Board of Directors to the extent such decisions are lawful, are consistent with the Trust Fund’s Declaration of Trust and do not conflict with the terms and conditions of the parties’ Participation Agreement or this collectively negotiated agreement.
18.3 **Life Insurance.** The District shall contribute monthly premiums for group life insurance. The insurance coverage will be in the amount of $10,000 for members, $1,500 for dependents older than six months, and $100 for dependents six months and younger.

18.4 **Health Insurance for Retirees**

18.4.1 Bargaining unit members who were hired before July 1, 2006 will be eligible for the retirees’ health insurance benefits subject to the following conditions: This provision shall apply to unit members retiring between the ages of fifty-five (55) and sixty-nine (69); the unit member must have served in a certificated position in the California public school system for at least fifteen (15) years and in the Oxnard School District for the eight (8) consecutive years preceding the date of retirement and the unit member must be participating in the health benefits program for at least 8 of the last 10 years preceding their retirement date. One of the eight (8) years must be the year of retirement. For such unit members who elect to participate in this benefit, the District shall contribute the full amount of the composite rate premium for group health insurance and the full amount of the premium for vision and dental until the unit member reaches age sixty-nine (69). This insurance shall continue until age sixty-nine (69) even though the retiree is eligible for and receiving alternative insurance.

One
of the eight (8) years must be the year of retirement. For such unit members who elect to participate in this benefit, the District shall contribute the full amount of the composite rate premium for group health insurance and the full amount of the premium for vision and dental until the unit member reaches age (65). This insurance shall continue until age sixty-five (65) even though the retiree is eligible for and receiving alternative insurance.

18.4.3 For retirees who satisfy the terms and conditions of Section 18.4 of the contract and who are eligible for Medicare prior to reaching the age of 69, the District’s health insurance contribution shall be modified to provide secondary/supplemental coverage to Medicare A and B until age 69 in lieu of primary coverage. Should a retiree not be eligible for Medicare, then the retiree shall continue to be covered by the District’s health insurance and that insurance shall act as the primary coverage up to the age of 69.

18.4.4 Should a retiree who was formerly a part-time employee elect to enroll, the District shall prorate the premium contribution (e.g., a 75% FTE employee shall pay 25% of the district’s premium contribution). The retiree will be obligated to pay any difference between the District’s contribution and the actual insurance premium.

18.4.5 A retiree can elect to opt-out of the insurance program at any time. Once this decision is made it is irrevocable.

Article 19. WELLNESS

19.1 The Association and District recognize that unit members have high demands on their time, skills, and stamina. As such, it is imperative that unit members have the skills needed to address both the stressors, physical, mental, spiritual and emotional on themselves, as well as the community. Skills for how to accomplish this have emerged from a variety of fields including positive psychology, mindfulness and similar meditative practices, traditional relaxation training, and from the new field of psychoneuroimmunology. The Association and the District will offer ongoing professional development that supports unit members’ well-being, recognizing we share a respect for the relationship of the mind to the body, and the importance of using positive intention to influence therapeutic outcomes. The wellness support will include opportunities to learn by doing; to demonstrate the power of positive intention, positive affective expression, progressive relaxation strategies, mindful practices for being fully present moment by moment, and the use of guided imagery to produce beneficial physical and emotional outcomes in both ourselves and in the students we serve. Every regular [departmental District Office] staff meeting will integrate a component of wellness and self-care. The District will provide two opportunities for members per school year which may include in-service, trainings, [or] external options. The overall purpose of this approach is to increase wellness and work/life balance for unit members and their ability to provide quality service to our community and to increase unit member’s awareness of the extra-therapeutic factors that influence successful outcomes within therapeutic relationships. These methods for self-care will help create the conditions for improved physical and emotional functioning for unit members.

19.2 Unit members may use the release days for wellness activities as part of the allocation as referenced in Professional Growth Article 17.4.2. Release time for wellness is included within the total amount of release time allocated for professional growth. Requests for
release time for unit member initiated wellness activities shall be submitted to the unit member’s Site supervisor or Administrative designee for approval. The District shall not act arbitrarily or capriciously when rejecting requests.

   THIS PARTICIPATION AGREEMENT ("Agreement"), is entered into by and between the
   GOLD COAST JOINT BENEFITS TRUST, a tax exempt trust under Internal Revenue Code, Section
   501(c)(9) (the "Trust"), the Oxnard School District, California (the "District"), and Oxnard Supportive
   Services Association (the "Union").

2. Term

   The term of this agreement shall begin May 1, 2017, and shall continue in effect until terminated
   pursuant to Section 9 of this agreement.

3. Incorporation of Trust by Reference

   All the parties to this agreement verify that they have reviewed and agree to be bound by the
   terms contained in the document entitled "Agreement and Declaration of Trust Establishing the Gold

4. Collective Bargaining Agreement

   (a) The District and the Union agree that as a condition of participation in the Trust that the
   negotiating parties will modify the terms of the collective agreements between the parties
   in order to comport with the provisions of the Trust Agreement and this Participation
   Agreement; and in the absence of such modification, do hereby further agree that the
   specific provisions of the Trust and Participation Agreements shall supersede the terms of
   the collective agreement if there are any conflicting provisions as they apply to
   participation in the Trust.

   (b) This Participation Agreement shall not be effective until the District and the Union
   provide the Trust a copy of their current collective bargaining agreement and the
   provisions of such agreement for participation in the Trust are approved by the Trust. The
   District and the Union shall promptly provide the Trust with copies of any changes in
   their collective bargaining agreement relative to participation in the Trust.

5. Amendment of Plans and Waiver of Duty to Bargain Plan Changes

   (a) During the term of the participation in the Trust pursuant to this Agreement, both the
   Union and District expressly waive any right to bargain under Government Code Sections
   3540 et seq., concerning the benefit plans, the insurers, or the claims administration for
   existing health and welfare benefits. This waiver does not include the contribution rate to
   the Trust or termination of participation in the Trust, nor does it include the bargaining of
   benefits not provided by the Trust.
(b) The Trust reserves the right to amend or modify any of the benefit plans. If contributions and reserves of the Trust are not adequate in the judgment of the Directors of the Trust to provide benefits, pay administration expenses, and maintain reasonable reserves, the Directors may amend or modify any of the benefit plans provided that such action shall not be taken until after the District and the Union are provided at least sixty (60) days advance written notice of such changes and notice that additional contribution could avoid such changes.

6. **Selection of Benefit Plans and Election Forms**

(a) The Trust currently offers an Indemnity Medical Plan 4, vision and dental plans and one prepaid medical plan offered by a licensed Health Maintenance Organizations ("HMO"). Employees eligible for coverage will choose from among these plans during annual open enrollments. Employees will be covered by a medical, dental or vision plan (collectively "Plans") unless stated otherwise in this Agreement.

(b) Benefits are provided in accordance with the Trust's Plan Description Booklet. The Plan Description Booklet explains the Trust's Indemnity Medical Plan 4, which includes medical, prescription drug, mental illness, substance abuse and chiropractic benefits, as well as its eligibility rules. Indemnity dental and vision benefits are described in separate booklets as are the benefits provided by the HMO. Copies of the medical, dental and vision booklets are available upon request.

(c) If the collective bargaining agreement between the District and the Union provides for employees to pay a portion of the contribution, the District is responsible for enforcement of that agreement. The District shall be responsible for payment to the Trust of the full contribution for each employee receiving benefits from the Trust, regardless of any difficulties in the collection of the employee contribution.

(d) The Union and the District will be notified in writing of applicable rates and benefit and eligibility rules changes at least 30 days prior to their effective date. Notice of such changes, as reflected in motions adopted by the Board of Directors, is deemed to have been properly given in the event representatives of the District and Union serve as Directors on the Trust's Board of Directors. If the revised contribution rate is not paid, the Trust may terminate this Agreement in accordance with Section 9.

7. **Contribution and Reports**

(a) The District shall prepare and submit to the Trust monthly by such date as the Trust prescribes a current list on a Form to be supplied by the Trust, of all current employees who are covered under each of the Plans annotated to add newly enrolling employees and to delete employees who are no longer eligible.

(b) Contributions due for each employee and part-time employee covered pursuant to each respective Plan shall be paid monthly by the District in the amount per employee specified in the Form for each employee included on the monthly list referred to in Section 7(a). The Contribution amount is determined by the Board of Directors. Contributions are due as of the first of the month and pay for coverage for that same month.
(c) Contributions to the Trust shall be considered delinquent if not received by the 10th day of the month in which the contributions were first due, or if postmarked later than the 10th day of the month in which the contributions were first due. Liquidated damages and interest shall be charged to delinquent contributions in accordance with the Trust Agreement.

8. Distribution of Materials

(a) The District and the Union agree to cooperate and assist in the distribution to employees of enrollment forms, benefit descriptions, benefit certificates, provider directories, claim forms, and other forms or documents usually supplied in connection with the enrollment process.

(b) The Trust will be responsible for administering COBRA continuation benefits for employees and eligible dependents. The District shall notify the Trust of termination, reduction in hours or death of any employee as required by law.

9. Termination Provision

(a) Either the District or the Union may terminate their participation in this Trust:

(1) Effective as of the date of expiration of the collective bargaining agreement providing for participation in this Trust. If the expiration date of the collective bargaining agreement is not coincident with the end of the plan year (which is June 30th), written notice of intent to terminate participation in the Trust and the other party must be provided no less than 270 calendar days prior to the expiration date of the collective bargaining agreement. Final written notice of intent to terminate must be provided no less than 90 calendar days prior to the expiration date of the collective bargaining agreement; or

(2) Either the District or the Union may terminate their participation in this Trust upon notice to the Trust and other party prior to the end of the plan year for medical coverage (which is June 30th). Notice of intent to terminate participation in the Trust must be provided not less than 270 calendar days prior to the end of the plan year for medical coverage (which is June 30th). Final written notice of intent to terminate must be provided no less than 90 calendar days prior to the end of the plan year for medical coverage (which is June 30th).

Such notice of termination will not by itself relieve either party of any duty to bargain as provided under Government Code Section 3540 et seq.

(b) The Trust may terminate the Agreement if either the Union or the District fails to fulfill the obligations under this agreement, or at any time the District fails or refuses to make all payments required hereunder, within twenty (20) days after service of a written notice from the Trust demanding payment. Any such notice shall be sent to the District and the Union. If the Trust terminates participation pursuant to this section 9(b) the Union or District's participation in the Plan will terminate effective as of the final day of the month for which the unpaid contribution was owed and the District will be otherwise subject to the Withdrawal Liability Policy.
(c) Following termination of this Agreement, it is understood and agreed that the parties shall be responsible for payment of eligible claims of covered employees and/or officers incurred on or before the termination date only in accordance with the terms and specifications of the Withdrawal Policy (Attachment A), Agreement and Declaration of Trust establishing the Gold Coast Joint Benefits Trust and of each applicable Plan.

(d) The parties acknowledge that termination of participation includes both active employees and retirees.

(e) The parties acknowledge that after termination of participation, neither the employees and/or employee representatives nor the District shall retain any right or interest in the Fund or any of its assets and shall not be entitled to any share of the reserves maintained by the Fund upon their withdrawal from participation.

10. **Waiver of Claims**

The District and the Union hereby waive any claim against the Directors, agents or employees of the Trust for any loss, cost or expenses, including attorneys' fees, alleged to arise from or relate to the Directors', agents' or employees' good faith discharge of responsibilities hereunder or under the Trust Agreement.

Attachment A

WITHDRAWAL LIABILITY POLICY

FOR THE

GOLD COAST JOINT BENEFITS TRUST PARTICIPATION AGREEMENT

SCHOOL DISTRICT and

EMPLOYEES ASSOCIATIONS and NON-BARGAINING UNIT EMPLOYEES

Withdrawal Liability

1. Effective Date:

   (a) If notice is provided in accordance with paragraph 9(a)(1) of the Agreement the effective
date of withdrawal will be the expiration date of the collective bargaining agreement.

   (b) If notice is provided in accordance with paragraph 9(a)(2) of the Agreement the effective
date of withdrawal will be June 30th of the applicable calendar year.

   (c) In the event the Trust has given notice in accordance with section 9(b) of this
Participation Agreement on account of a contribution delinquency, a District will be deemed to have
withdrawn from the Trust as of the final day of the month for which the unpaid contribution was owed
and the District will be otherwise subject to this Withdrawal Liability Policy.

2. If a District or Union withdraws from the Trust after participating in the Trust for 36 months or
less, the Trust will develop a separate accounting of all the District’s or Union’s benefit expenses
incurred by the District or Union participants (including claims incurred prior to the termination date
and paid after), its pro-rata share of administrative expenses, contributions paid by the District or Union,
and any income received or earned attributable to the District’s or Union’s participation in the Trust
(hereafter “District/Union Associated Revenue” and “District/Union Liabilities”). This account covers
all income and expenses of the District’s participating bargaining unit(s) and its non-bargaining unit.

Notwithstanding any other provision of this Agreement or the Trust Agreement, if participation in the
Trust is terminated as provided in Section 9 and the District or Union participated in the Trust for 36
months or less, and District/Union Liabilities exceed District/Union Associated Revenue, the District
will be required to pay additional contributions to the Trust equal to the difference (hereafter
“Withdrawal Premium”). If the District or Union participated in the Trust for 36 months or less and
District/Union Associated Revenue exceeds District/Union Liabilities, the Trust has no obligation to pay
the difference.

3. If the District or Union withdraws after more than 36 months of participation in the Trust, the
Trust consultant will calculate the per-participant value of the Incurred But Not Paid (IBNP) reserve as
of the last date of the District or Union’s participation in the Trust. Within approximately 14 months
after the termination date, the Trust’s consultant and auditor will determine the District’s Withdrawal
Premium (if any) by determining whether claims associated with the withdrawing District or Union and
paid after the termination date exceed the District or Union’s per-participant allocation of the IBNP. If
the terminating District or Union’s claims IBNP as of the termination date are less than the District’s or
Union’s per-participant allocation of the IBNP reserve, the Trust has no obligation to pay the District the
difference.
4. Withdrawal Premiums are due 60 days after billed.

5. A Withdrawal Premium shall be treated as a District contribution. If the Withdrawal Premium is not paid by its due date, it shall be treated as a delinquent contribution pursuant to paragraph 7(c) of the Agreement, subject to that paragraph's imposition of liquidated damages.

6. The Withdrawal Premium will be assessed against the District with respect to either a partial or complete termination of participation in the Trust. For example, if a District withdraws only management employees from the Trust, while bargaining unit employees continue to participate in the Trust, a Withdrawal Premium will be due only with respect to the employees who are withdrawn.

7. This provision for withdrawal liability will expire upon the Trust's acceptance of an annual audit that verifies that the full amount of the Withdrawal Premium has been paid, or no Withdrawal Premium is due. Expiration will not, however, apply to any withdrawal that occurred before such audit is accepted by the Board.
