## Media Release Opt-Out Form

**Complete and return this form only if you DO NOT give permission for your student to appear in school publicity images or videos, including postings on the school or district websites and social media.**

There are many activities and accomplishments that take place in our schools which the Oxnard School District feels are positive, newsworthy and of interest to the community. District representatives and program partners will, from time to time, use still photography and videography for the purpose of highlighting student achievements or chronicling classroom /school activities. Those images may be used in informational newsletters, school brochures, class pictures, and other printer material published by the Oxnard School District and those acting under its permission. It is possible those images might be used on school and/or district web sites and may also be submitted to the news media for possible publication.

If, for any reason, you do not want your child's likeness to be used by the Oxnard School District or by the news media for the purpose of positive publicity about school activities or student achievement, please fill out this form and return to your school office. A separate form is required for each child.

**This form only applies to the 2019-2020 school year and to classroom activities or school events that are not already open to the public.**
