Release Form for Directory Information & Media Release

(Applicable Only for the 2016-17 School Year)

The primary purpose of directory information is to allow the Oxnard School District to include this type of information from your child's education records in certain school publications. Directory information includes names, addresses and telephone listings, information that is generally not considered harmful or an invasion of privacy if released. The Family Educational Rights and Privacy Act (FERPA) and Education Code 49073 permits Oxnard School District to disclose appropriately designated "directory information" without written consent, unless you have advised the district that you do not want your student's directory information disclosed without your prior written consent.

Student Directory Information

- I do not wish to have any directory information released to any individual or organization.
- I do not wish to release the name, address and telephone number of the student named above to the agency or agencies I check below:
 - PTA
 - Health Department
 - Elected Officials

From time to time, the Oxnard School District school sites develop, participate in, or are the subject of media-based presentations and events which highlight various educational activities that take place during the year. These activities may include, but are not limited to: Photographs of students and/or their work, Digital slides or video of students and/or their work, computer generated presentation which may incorporate photographs and video clips of students and/or their work. These media-based presentations may be used in: Classroom activities/projects, parent programs, Public relations/radio/newspaper articles, TV presentations, and the Oxnard School District web page or social media accounts. Identification of students would be **by first name only** in photos published on the web or broadcast on TV.

Additionally, if your 8th grade student will be attending Oxnard Union High School District (OHSD) next school year (2017-18), OHSD is requesting student directory and academic information to assist scheduling your student for next year. (This only applies to 8th grade students)

Media Release

- Yes, I give my permission for Oxnard School District and its schools to publish my child's photographs and identification, as well as to publish my child's work and presentations in any Oxnard School District's media-based productions for any of the above stated purposes including sharing student data for any of my 8th grade students with Oxnard Union High School District. (if applicable)
- NO, I refuse to give my permission for Oxnard School District and its schools to publish my child's photographs and identification, and/or work in any Oxnard School District's media-based productions for any of the above stated purposes.
- I only give my permission for Oxnard School District to share student data with Oxnard High School District for any of my 8th grade students.

Student Acceptable Use & Online Productivity Software Agreement

The following services are available to each student and hosted by Google as part of Oxnard School District's domain in Google Apps for Education (GAFE). GAFE allows teachers and students to communicate and collaborate in a safe, controlled online environment using:

- Gmail: an individual email account for school use only that is managed by Oxnard School District (OSD). This email address only works internally. That means that students will only be able to send and receive emails within the OSD Google Apps domain.
- Google Drive: a word processing, spreadsheet, drawing, and presentation toolset that is similar to Microsoft Office. These documents are available to students both at home and at school, making the completion of school projects easier.
- Calendar: an individual calendar providing the ability to organize schedules, daily activities, and assignments.
- Google Sites: a website builder that allows students to create digital portfolios and organize their work for presentation, as well as collaborate on secure student-created wikis.
- Google Classroom: a Google-specific, learning management system that teachers may choose to use with students

By signing below, I confirm that I have read and understand the following:

- I give permission for my child to be assigned an Oxnard School District (OSD) Google Apps for Education (GAFE) account. This means my child will receive an e-mail account, access to Google Drive, Calendar, Video, and Sites.
- I understand that by participating in GAFE, my child's name and Oxnard School District student ID (not Social Security Number) number will be provided to Google.
- I may ask for my child's account to be removed at any time.
- I acknowledge and accept the Student Acceptable Use Agreement
