

May 15, 2020

Dear OSD Families,

We hope that everyone is staying safe and healthy during this current shelter in place order for Ventura County due to the coronavirus. We are delighted to share the District's plans to recognize all of our students who will be transitioning from the 8th grade to high school.

2020 Promotion Ceremonies

The Oxnard School District has planned various ways to recognize the accomplishments of our 8th grade students who are promoting to high school this coming school year.

Here are some of the items we have been working on:

- The district has ordered lawn signs for every 8th grade student to recognize their achievement. After the signs arrive, parents will receive information from the school about "drive thru" pick-up instructions.
- The district will create a 2020 Promotion Ceremonies video. This video will be available to view on OSD-TV Channel 20 (Spectrum cable) and Channel 37 (Frontier Communications) as well as on all social media sites and the district/school websites. The video will include the following:
 - Greetings from the Superintendent, School Principal, and Area Trustee
 - Selected student speeches
 - The name and photo of each student along with a listing of his/her accomplishments and honors

We thank you for your patience and understanding during these unprecedented times. As always, we care deeply about the well-being and education of all of our students at the Oxnard School District and we look forward to celebrating the promotions along with all of you.

Respectfully,

Superintendent Karling Aguilera-Fort, Ph.D.
Oxnard School District
