

Identify Student Username & Password

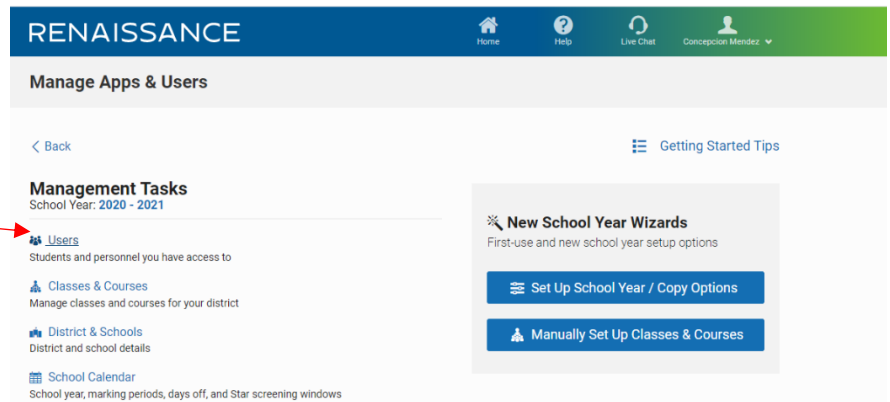

1. Go to <http://ar360.osd.org>. Type in your log in credentials.

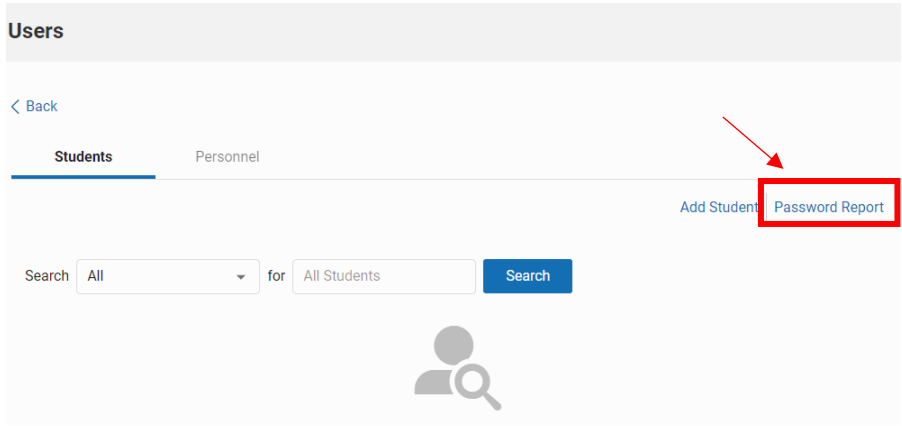

Note: The link to Renaissance has been updated.

2. On the Home page, select your name found on the upper right-hand corner. From the drop-down list, select Manage Apps & Users.

3. Click on the Users link.

4. Select the Password Report link.

5. You should see a list of student's usernames and passwords. You have the option of exporting the list by clicking on the PDF icon found on the right-hand corner.
