The next ELAC meeting will be held on October 23, 2020, and will include a discussion about Canvas for parents, and the school budget.

2. **Principal's Report**

▪ **Review of Parent Involvement Policy**

Dr. Santamaria shared with the committee the Parent Involvement Policy template that was received from the District Office. Dr. Santamaria will be working with School Site Council and ELAC to gain feedback and input on this document. Once finalized, it will go to approval by the School Site Council.

▪ **Report on Distance Learning**

Dr. Santamaria shared that he has begun initiating a process to discuss the current school logo for Juan Soria School as the current logo is not politically correct and perpetuates a negative stereotype of Indigenous Peoples. The school is currently planning a Parent App Night for October 28, 2020 to support parents' and students' engagement with Distance Learning. Dr. Santamaria discussed testing protocols, reminding parents that we need to know students' true academic levels. It is important that parents do not provide support to students during assessments, such as Star360, the IABs, etc.

3. **Assistant Principal's Report**

Assistant Principal and Counselor will be meeting with students who have received Ds or Fs on their progress reports. Ms. Perez is in the process of creating a Canvas course to provide further support to these students. Ms. Perez will also be sending out a student survey to participate in a voluntary study hall. Ms. Perez is initiating a "Girls just wanna have fun" social lunch for all grade levels at different times.

4. **Counselor's Report** – No Report

5. **ORC Report**

ORC discussed the Parent App night. She has scheduled planning meetings with Canvas Lead Teachers and Principals to identify important apps to cover with Parents during this event. There will also be an Attendance Night with parents to continue to promote positive attendance. ORC discussed Operation School Bell. There will be 20 students identified to receive clothing, school supplies, gift cards, etc. ORC is in the process of developing school clubs to provide students different opportunities for students to interact with one another. ORC is also working with different community businesses to provide incentives to reward student's attendance and academic achievements.
