SITE ADMINISTRATOR COMPENSATION AND BENEFIT PROGRAM: 2021-22

(Effective retroactive to 7-1-2021)

The salary schedule indicated below shall serve as the base for the determination of salaries for all identified positions.

Preamble:

Our policy for the compensation of site administrators is based on a variety of ideas and principles to assist us in making this policy and its impacts on our students and their learning functional. Those principles include:

1. As a function of their heightened responsibility, administrators should be compensated at a higher daily rate than those that they supervise.
2. Salary of site administrators is based on an assumption that there need not be a “salary schedule” as the District will pay for their expertise and competence from the outset. There is no need for additional “steps” as the District’s policy is to pay for experience and competence from the beginning.
3. Administrators can only move to additional compensation alternatives or positions based on their performance in the school, not factors of seniority or longevity. Performance presumes that there is the presence of some evidence to substantiate the performance.
4. It is in the District’s interest to have its site administrators compensation positioned at the same level of the market (i.e., the tri-county area) as the market position of the compensation of other District employee groups, and in no case not below the top half of the market to provide for effective administrative recruitment and retention.

Annual Salary: An annual salary is earned during the period beginning August 1 and ending July 31.

Method of Payment: The annual salary will be divided into 12 approximately equal installments (eleven (11) installments and one (1) summer pay). The first installment is to be paid on the last business day of August and subsequent installments to be paid on the last business day of each month.

Stipend for Doctorate: An annual stipend of \$750 will be granted to site administrators with an earned doctorate degree.

Stipend for Bilingual Administrator: An Annual stipend of 2% of the site administrator’s base salary will be granted to each administrator upon verification of fluency in a language determined by the Board of Trustees to be a language in significant usage in within the District. Fluency shall be considered verified by possession of a BCLAD certificate or Bilingual Certificate of Competence, or passage of subtests (III, IV, and V) of the California Subject Examinations for Teachers (CSET): Languages Other Than English (LOTE) with a proficient score determined by the California Commission on Teacher Credentialing.

Implementation of Salary Schedule: Initial placement of all site administration employees will be to the non- Master level of the appropriate salary schedule for the position, regardless of their prior position or experience. To advance to the Master level, an Assistant Principal must have the written approval of the Superintendent based on the recommendation and performance evidence provided by the School Principal. For a principal to advance to the Master level, the principal must have recorded action of the Board of Trustees, based on the recommendation and performance evidence provided by the Superintendent.

Duties Assigned Beyond the Regularly Designated Duty Year: Management employees who are assigned by the Superintendent or designee to administrative duties beyond their regularly designated duty year shall be compensated at their per diem rate of pay.
