

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|---|-----------------------------------|--|---------------------------|
| Robert J. Frank Academy of Marine Science and Engineering | 56725386111850 | June 6, 2022 | August 24, 2022 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

As described within our Vision and Mission Statement, Frank Academy is committed to providing the best educational program possible for our students. Our vision of developing tomorrow's leaders through education, empowerment, and inspiration is what we strive to do on a daily basis. At Frank, our mission is to prepare students to be academically competitive and socially competent. This includes promoting life skills such as global thinking, persistence and grit, innovation, and problem solving. When students matriculate from Frank Academy, and the Oxnard School District, we expect them to be digitally competent, focused on their future, and able to demonstrate their knowledge in a myriad of ways. For our students, we want to celebrate their courage, their willingness to undertake new challenges and the skills they acquire during the educational process.

Our goal is to provide as many opportunities as possible for them to grow and learn from. Our focus for this year will continue to be: Common Core Standards; best first-instruction; use of technology; differentiated instruction; social, emotional and behavior support; and community engagement. The overall structure of this plan, from an academic perspective, revolves around creating systems that allow for increased collective self-efficacy for teachers, collaboration, content knowledge, pedagogy, equity, and culturally-responsive teaching. Utilizing the experience we gained from the COVID-19 pandemic, Frank staff and students will continue to explore the priority instructional standards to develop a deep understanding of meaning and application to learning.

While academic excellence is our focus, we also encourage and teach character education, as well as leadership. Emphasis is placed on students' social-emotional learning and needs that can impact and affect their education. We offer Social-Emotional Learning (SEL) support via our school counselors, our school grant with City Impact, which provides two additional adult mentors on campus five days a week, and a recent grant with the Ventura County Office of Education to open a Wellness Center on campus to support students' social and emotional needs. In order for students to achieve their fullest potential, we know that parental involvement is a critical factor to ensure students' educational success. Our English Learner Advisory Committee (ELAC), Parent Teacher Organization (PTO), and School Site Council (SSC), in coordination with our Outreach Coordinator, offer and encourage parents to become active participants in their children's education by participating in the meaningful and productive opportunities offered. The school's Parent Involvement Policy provides clear guidelines for parents to serve as volunteers in classroom and school activities. Our Back to School Night, ELAC, and SSC meetings, further support and foster meaningful and productive parental opportunities to participate in their child's academic and social-emotional growth. By achieving high academic standards across all content areas, supporting the social-emotional growth of our students in a safe, positive learning environment, and strengthening our home-school partnerships to increase parental involvement, R.J. Frank Academy will meet the goals identified within this School Plan for Student Achievement.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Based on classroom observations, the needs of EL Learners should continue to be a focus for this school year. Our teachers completed EL Shadowing training prior to school closures and are eager to implement strategies and supports to their fullest extent. This includes continuing to observe English Learners in the classroom and view the amount of active engagement with English Learners. Observations from last year highlighted the need for teachers to be trained and provided opportunities to review ELD standards and supports and what those practices look like as described in Goal 1. Classroom observations revealed the need for teachers to have more meaningful opportunities to collaborate and constantly participate in the cycle of inquiry related to the Common Core State Standards and other relevant data points such as STAR 360 data to refine best first instruction and find new efficiencies in the curriculum that are critical to drive instruction. Classroom observations allow for sharing of best practices and follow through with school led initiatives such as Claim, Evidence, Reasoning (CERs) collaborative conversations, opportunities to respond, and critical thinking. Math continues to be an area of concern. Rigor, higher levels of depth of knowledge, and critical thinking is required so the instruction matches the standards. This past year, through observations, differentiation was identified as an area that needs focus. As a school, we have begun to explore ways to utilize technology, class size, and collaboration to differentiate lessons and focus on smaller groups for short amounts of time in class.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

It is important to note that as of June 2021, the school is still awaiting results from State Assessment (CAASPP). Local and school assessments indicate the need is still there to improve instruction in the areas of ELA and Math, specifically with English Learners. English Learners are our lowest performers on local and state tests, specifically long term English learners (LTELs), as opposed to our English Learners that are part of our Newcomer Academy. The universality of mathematical symbols is not transferring to English and the scores indicate a need to improve reading comprehension and literacy in order to achieve higher performance. Lessons should integrate the knowledge and skills ELLs have from another subject area into their literacy instruction. Other state and local assessments utilized to modify and improve instruction include STAR 360 for both Reading and Math as well as IABs, Writing Prompts, and, at a site-level, Common Formative Assessments (CFAs) within departments. Star 360 data is used to determine reading levels and math proficiency, and monitor student progress, strategic grouping, and differentiation by the teacher. Data from STAR 360 and site-level CFAs show a greater need to unpack standards and ensure assessments and lessons align with state standards.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The school and district use an assessment calendar with expectations for assessment. Frequent administration of specific assessments such as STAR 360 Reading and Math allow the school to adequately monitor student progress. Curriculum-embedded assessments from Study Sync and CMP3 Math can be used for diagnostic purposes and to identify needed interventions. School wide, we utilize common formative assessments and cycles of inquiry in Professional Learning Communities (PLCs) to gather data and monitor progress. These forms of assessment provide meaningful sources of information for teachers. They, in turn, use this information to identify what the student's comprehension level is and areas of need. Data from assessments provides valuable information on the desired learning goals. Learning goals and instruction are then modified to meet and accommodate the differences in students' learning styles and intelligences.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered "highly qualified." This is monitored by the district's Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors, Managers and TOSAs (Teachers on Special Assignment) who provide support for Curriculum, Instruction, Assessment, Accountability, Biliteracy Programs, Special Education, Special Programs, Pupil Services, Educational Technology and Equity and Family and Community Engagement. Site administration also functions as instructional leaders. Our regular school year calendar was revised to include three additional professional development days for all teachers (2 in the summer before school starts and 1 in the fall). Professional development was provided in the following areas: instructional content, planning for DLI instruction, culturally responsive grading and equity, special education assessment and TK instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teacher collaboration is set for the school year at the beginning of each year. There is specific time set aside each week for either department PLCs or all staff collaboration. Teachers meet in PLC Departments to review data and work on a focus question based on the cycle of inquiry to help drive instruction. Teachers also look at present levels of performance of students in their class to adjust units/lessons as needed to ensure the standards are being taught in a clear, intentional method that is student focused. Teachers share data and identify areas for intervention. This year, teachers will have the added opportunity to collaborate on Wednesdays, as part of a schedule change to bank minutes, and allow for more intentionality and focus for lessons. Teachers are also afforded meaningful opportunities to participate in site-based Professional Development workshops on Tuesdays or other days indicated by the calendar. Topics for mini workshops include AVID strategies, SMART Goals, Classroom Management, STAR 360, Depth of Knowledge, and scaffolds and supports in classroom instruction.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Using the PLC (Professional Learning Communities) model, we work collaboratively to support the use of instructional strategies aligned to current CA Common Core State Standards. The state adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Teachers and classes provide students with multiple services and supports, which enable them to meet the standards. Within the classroom, small group intervention is used to help underperforming students. Various types of strategies (activities) and scaffolds (supports) are utilized such as interactive, graphic, and sensory to meet the needs of diverse learners. Sentence frames, word walls, graphic organizers, guided reading, and Math Mindset are tools utilized to accommodate differences in students' learning styles and intelligences. Tier 1 interventions in the classroom include: flexible grouping, use of manipulatives, modified classroom assignments and timelines, as well as visual and written supports. After school tutoring will be offered for underperforming students. Frank has two school mentors contracted through City Impact to support and guide students starting in 7th grade and following them through 8th grade as a proactive approach to supporting their needs. This school year two Intervention Specialists will support teachers in the classroom and allow for small group instruction and specific skill development in Math and Language Arts.

Evidence-based educational practices to raise student achievement

Frank Academy uses a variety of evidence-based educational practices to raise student achievement. Teachers provide explicit learning objectives that are tied to demonstrations of learning. Differentiation is a Tier 1 support utilized for all learners. Students are engaged in rigorous, relevant learning. Small group instruction, clear and effective learning feedback, assessment results, and progress monitoring of goals with Lexia, ST Math, AR, and STAR 360 are some of the evidence-based practices utilized to improve student achievement. Discovery based teaching is implemented using McGraw Hill Inspire Science Curriculum in alignment with the NGSS standards. Tutoring and reteaching are used to help raise student achievement. Common Formative Assessment and common rubrics across content areas allow for strategic planning and intentional focus with students in regard to grade-level standards. Frequent checks for understanding, formative and summative data, and grade level CCSS are utilized to raise student achievement. Lessons are student-centered and involve problem-solving, questioning, projects, and higher order thinking questions and activities (Depth of Knowledge Level 3 or 4).

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Parents are involved in school activities via School Site Council (SSC), English Language Advisory Council (ELAC), Parent Teacher Organization (PTO), parent conferences, IEPs, and Student Success Teams (SST). Classroom and school volunteers, coaching sports, and advising student clubs are other non-academic ways that parents are able to support their children and school community. There are site and district led workshops such as Project 2 Inspire and Canvas trainings for parents as well.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Stakeholders are involved in the process and implementation of ConApp programs on campus. Parent/Community led groups such as our English Learners Advisory Committee play an important role on campus from volunteer opportunities to ensuring that our English Learner students' needs are met and resources are available for them. For example, the parents requested more workshops for parents and opportunities for English Learners to receive extra academic support. They participate in and attend the local California Association of Bilingual Education (CABE) Conference. Teachers organized tutoring that is specific for socioeconomically disadvantaged students and English Learners. SSC meets regularly to discuss the implementation of our school plan and monitor federal funds and expenditures to ensure they are centered on helping us meet our goals as defined in our school plan.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Title I funds are used to support underperforming students in the area of first instruction. RJ Frank has identified a need to improve first instruction and focus on implementing Common Core State Standards. Funds were utilized to address underperforming students, recognize and celebrate academic achievement and help to build a positive school culture. Categorical funds are also utilized to provide tutors to our AVID classes and our AVID Excel class for English Learners via Title III funds. Funds were also allocated for teachers to monitor progress, analyze data, and share best practices to ensure that our students receive academic interventions during class and after-school based on needs.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Throughout the school year, both site leadership and School Site Council (SSC), in conjunction with our English Learner Advisory Committee (ELAC) reviewed and monitored our SPSA . Data was broken down and disaggregated by EL status, race, SES and SPED. Academically, we utilized STAR 360, ELPAC, and CAASPP IAB data to look for trends and areas of growth with academics. Our SSC committee met and discussed key components of the SPSA during the past school year and presented a plan in June for the following school year (2022-2023). Our ELAC committee gave input and ideas regarding our English Learners. As a result of meetings and input from stakeholders, changes were made to address areas of need for this school year, such as Social-Emotional trends and learning, behavioral concerns, and the need for a more thorough and comprehensive opportunity for administrators to be in the classroom to observe and support first instruction. Teachers also need more time to collaborate and discuss data points with our students and monitor their progress.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

There was a reduction in force for school staff which led to a resource inequity. Site leaders were not afforded as many opportunities and as much time to visit classrooms or be present around campus as much as desired, due to meetings, discipline, and office needs. A shortage of substitutes did not allow for dedicated days set aside for teacher collaboration and teachers and administrators were relied on to cover classrooms throughout the year. Many times, collaboration dates and trainings were cancelled as a result of lack of coverage. As a Tier 2 intervention, we were not able to procure support staff (both Intervention Specialist positions) and so we could not fully implement our plan for academic intervention for our students. This next year, funds are allocated to support the need for another administrator to cover mandatory meetings such as IEPs, support teachers with discipline, and help our school meet our identified goals.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

| Student Enrollment by Subgroup | | | | | | |
|--------------------------------|-----------------------|-------|-------|--------------------|-------|-------|
| Student Group | Percent of Enrollment | | | Number of Students | | |
| | 19-20 | 20-21 | 21-22 | 19-20 | 20-21 | 21-22 |
| American Indian | 0.08% | 0% | % | 1 | 0 | |
| African American | 0.58% | 0.4% | % | 7 | 5 | |
| Asian | 2.57% | 2.3% | % | 31 | 27 | |
| Filipino | 1.74% | 1.2% | % | 21 | 14 | |
| Hispanic/Latino | 93.04% | 94.2% | % | 1,123 | 1,112 | |
| Pacific Islander | 0.17% | 0% | % | 2 | 0 | |
| White | 1.16% | 1.4% | % | 14 | 16 | |
| Multiple/No Response | 0.66% | 0.6% | % | 8 | 7 | |
| Total Enrollment | | | | 1,207 | 1,181 | |

Student Enrollment Enrollment By Grade Level

| Student Enrollment by Grade Level | | | |
|-----------------------------------|--------------------|-------|-------|
| Grade | Number of Students | | |
| | 19-20 | 20-21 | 21-22 |
| Kindergarten | | | |
| Grade 1 | | | |
| Grade 2 | | | |
| Grade 3 | | | |
| Grade 4 | | | |
| Grade 5 | | | |
| Grade 6 | 408 | 374 | |
| Grade 7 | 391 | 401 | |
| Grade 8 | 408 | 406 | |
| Grade 9 | | | |
| Grade 10 | | | |
| Grade 11 | | | |
| Grade 12 | | | |
| Total Enrollment | 1,207 | 1,181 | |

Conclusions based on this data:

Frank's enrollment and demographics have remained largely unchanged from last year. The data show that the majority of our school population (94%) is of Hispanic or Latino origin, so culturally relevant activities and lessons in

class are needed to involve our families and make connection to prior knowledge and background information about our students. Our enrollment has declined from 18-19 to 20-21, which in turn has impacted staffing at school.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 18-19 | 19-20 | 20-21 | 18-19 | 19-20 | 20-21 |
| English Learners | 397 | 370 | 372 | 32.5% | 30.7% | 31.5% |
| Fluent English Proficient (FEP) | 550 | 591 | 540 | 45.0% | 49.0% | 45.7% |
| Reclassified Fluent English Proficient (RFEP) | 90 | 73 | 78 | 19.7% | 18.4% | 21.1% |

Conclusions based on this data:

The number of English Learners continues around 30% of our student population. About 50% are either current English Learners or Reclassified (RFEP), meaning that we need to be mindful of supports and scaffolds in class to help 50% of our student population access curriculum and engage in high level learning. In 2020-2021, 20 students met the criteria to reclassify based on previous scores from those that were able to be tested in the 2019-2020 school year. Our Newcomer Academy makes up about 18% of our EL population.

One area of concern continues to be Long-Term English Learners (LTELs) as they account for 69% of our English Learner Population. For LTELs, we need to identify specific skills and domains within the ELPAC that they struggle with and work on them in multiple subject areas so they are reinforced since they are the majority of our English Learners. Complex text comprehension, engaging in conversations with peers, and justifying an opinion through writing are areas that LTEL need support and focus in.

School and Student Performance Data

Star Early Literacy

Conclusions based on this data:

School and Student Performance Data

Star Reading

| Robert J. Frank Academy of Marine Science and Engineering | | | | | | | | | | | |
|---|----------------|----------------------|-----|---------|-----|------------|-----|---------|----|----------------------|-------------|
| | | Less than Proficient | | | | Proficient | | | | Star Reading Average | |
| | | Level 1 | | Level 2 | | Level 3 | | Level 4 | | | |
| Grade | Total # Tested | Total | % | Total | % | Total | % | Total | % | Level | Scale Score |
| Grade 6 | 333 | 142 | 43% | 103 | 31% | 76 | 23% | 12 | 4% | 1 | 1001 |
| Grade 7 | 339 | 184 | 54% | 67 | 20% | 76 | 22% | 12 | 4% | 1 | 1014 |
| Grade 8 | 345 | 151 | 44% | 101 | 29% | 84 | 24% | 9 | 3% | 1 | 1027 |

Conclusions based on this data:

Based on STAR 360 data from the Spring of 20-21, much is needed in the area of literacy and reading. Roughly 1 in 4 students in each grade (25%) are at or above grade level. The area of concern is that between 35-44% of students in each grade are in need or urgent intervention, which indicates that they are performing, at minimum, two grade levels behind. Looking at the literacy continuum, and based on the data provided, our students need to be engaged at the level they are at, but with grade-level standards. The data from the Fall and Winter of that same year indicates that roughly the same number of students were at or above grade level, but more students fell into the urgent category as the year progressed. Instead of teaching grade-level standards in isolation, we need to build on prior concepts acquired and elaborate over time. Students learn by applying what they know and therefore need specific learning opportunities. The Literacy Continuum by Fountas and Pinnell states that we need to guide their attention so that learning in one area informs and supports learning in others. This means reading informs writing and should be cross-content. Practice is needed with rich, complex texts. Students need to be afforded opportunities to speak, time to process information, and expand on comprehension through writing and speaking. Intervention is needed to identify specific skills that are missing, but it needs to be designed to supplement and support grade-level instruction, not supplant.

School and Student Performance Data

Star Math

| Robert J. Frank Academy of Marine Science and Engineering | | | | | | | | | | | |
|---|----------------|----------------------|-----|---------|-----|------------|----|---------|----|-------------------|-------------|
| | | Less than Proficient | | | | Proficient | | | | | |
| | | Level 1 | | Level 2 | | Level 3 | | Level 4 | | Star Math Average | |
| Grade | Total # Tested | Total | % | Total | % | Total | % | Total | % | Level | Scale Score |
| Grade 6 | 316 | 177 | 56% | 118 | 37% | 13 | 4% | 8 | 3% | 1 | 1017 |
| Grade 7 | 347 | 237 | 68% | 84 | 24% | 22 | 6% | 4 | 1% | 1 | 1024 |
| Grade 8 | 359 | 231 | 64% | 82 | 23% | 33 | 9% | 13 | 4% | 1 | 1048 |

Conclusions based on this data:

The release of the 2020 CA School Dashboard has not been determined as CAASPP testing was suspended due to the COVID-19 pandemic during spring 2021. The analysis below is based on previous on STAR 360 Math data from the Spring 2021. Math is the greatest area of concern according to the data. Though the percentage show between 24-39% are proficient, a deeper look at students identified indicates that roughly 6-8% are performing at or above benchmark according to STAR 360 data. The proficient scores are based on equivalency and are useful, but classroom observations and other indicators help to show that math continues to be an area of need. Focus is needed in analyzing the Common Core State Standards and the importance of first instruction. Teachers will continue to focus on Priority standards to mitigate the impact of school closures and disruptions from the end of the 2019-2020 and 2020-2021 school years. Student-centered lessons that focus on applying mathematical concepts and procedures to real-life situations with higher order thinking questions will require students to construct meaning rather than merely identifying information and apply formulas. Students also need to be able to support and explain their mathematical conclusions. Future data analysis should be based on summative and interim assessments for STAR 360 Math that allow teachers to see student growth, areas of concerns, and if class instructions matches what the key details and structure of the standard are. Being that teachers are focusing on Priority Instructional Standards, it is important that any assessments match those indicators to provide, real, meaningful feedback that can drive instruction.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

| Overall Participation for All Students | | | | | | | | | | | | |
|--|------------------------|-------|-------|----------------------|-------|-------|--------------------|-------|-------|------------------------|-------|-------|
| Grade Level | # of Students Enrolled | | | # of Students Tested | | | # of Students with | | | % of Enrolled Students | | |
| | 17-18 | 18-19 | 21-22 | 17-18 | 18-19 | 21-22 | 17-18 | 18-19 | 21-22 | 17-18 | 18-19 | 21-22 |
| Grade 6 | 410 | 383 | | 401 | 372 | | 401 | 372 | | 97.8 | 97.1 | |
| Grade 7 | 416 | 415 | | 405 | 390 | | 405 | 390 | | 97.4 | 94 | |
| Grade 8 | 405 | 410 | | 400 | 388 | | 398 | 387 | | 98.8 | 94.6 | |
| All Grades | 1231 | 1208 | | 1206 | 1150 | | 1204 | 1149 | | 98 | 95.2 | |

The “% of Enrolled Students Tested” showing in this table is not the same as “Participation Rate” for federal accountability purposes.

2019-20 Data:

Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year, thus no data is available to report for this year.

2020-21 Data:

Districts were given a choice as to administer CAASPP or a local assessment. Oxnard School District chose to administer the local assessment of Star instead of CAASPP

| Overall Achievement for All Students | | | | | | | | | | | | | | | |

Districts were given a choice as to administer CAASPP or a local assessment. Oxnard School District chose to administer the local assessment of Star instead of CAASPP

Conclusions based on this data:

CAASPP scores from the 2021-2022 were utilized and compared to the last year the CAASPP test was taken, which was in 2018-2019 due to the COVID pandemic. For the 2021-2022 school year, our test scores for our 6th grade students showed that 29% of the students met or exceeded the standards. That was a 3% increase from the 18-19 school year, but fell short of our goal of 38% that met or exceeded. 28% of our 7th grade students met or exceeded the standards. This was a 8% decrease from the 18-19 school year and fell short of our goal of 50% in the met or exceeded category. 31% of our 8th grade students met or exceeded on the standards on the CAASPP test. This was a 3% decrease from the 18-19 school year and fell short of our intended goal of 45% of our students in the met or exceeded standard. This data indicates that there is still significant work to be done in the category of Language Arts proficiency and standards. We have been utilizing departmental grade level professional learning communities for teachers to discuss data and run cycles of inquiry to alter instruction and improve student performance for the past three years. Due to COVID, this did disrupt the work and momentum placed on this routine and expectation. This shows that we need to ensure that our departments are comfortable with the model and can collectively deconstruct standards, set smart goals, administer common formative assessments and to discuss the data in order to differentiate our instruction and intervention to meet the needs of our students. A key takeaway is to ensure that all instruction is standards-based and helps the students to understand what they need to know and how to show it. A greater emphasis will be placed on deconstructing the standards to make sure we know exactly what is asked of the students. Common formative assessment will allow us to identify needs and intervene quickly to ensure mastery. It will also extract best practices that can be utilized in multiple classrooms and create a collaborative culture.

2020-21 Data:

Districts were given a choice as to administer CAASPP or a local assessment. Oxnard School District chose to administer the local assessment of Star instead of CAASPP

Conclusions based on this data:

CAASPP scores from the 2021-2022 were utilized and compared to the last year the CAASPP test was taken, which was in 2018-2019 due to the COVID pandemic. For the 2021-2022 school year, our test scores for our 6th grade students showed that 14% of the students met or exceeded the standards. That was a 2% decrease from the 18-19 school year. It also fell short of our goal of 33% that met or exceeded the standards. 9% of our 7th grade students met or exceeded the standards. This was a 5% decrease from the 18-19 school year and fell short of our goal of 27% in the met or exceeded category. 13% of our 8th grade students met or exceeded on the standards on the CAASPP test. This was a 2% increase from the 18-19 school year, but fell short of our intended goal of 21% of our students in the met or exceeded standard category. Math is the greatest area of concern according to the data. Student performance did not increase in most grade levels and has plateaued for multiple years in general. Roughly only 1.5 in 10 students are on grade level. This indicates the needs to review and analyze the Common Core State Standards and the importance of first instruction. Our 6th grade Math team has been utilizing Priority standards to identify what students need to know and have created common formative assessments to match the standards being addressed. The standards have been

deconstructing. Based on the results of CAASPP though, there is still a greater need to provide opportunities for students to individually practice and master the standards in a variety of ways and increase the level of the depth of knowledge that is required for each task. Teachers need more time to work on student-centered lesson that focus on applying mathematical concepts and procedures to real-life situations. Students also need to be able to support and explain their mathematical conclusions. Data analysis should be based on summative and interim assessments that allow teachers to see student growth, areas of concerns, and if class instructions matches what the key details and structure of the standard are.

2019-20 Data:

Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year, thus no data is available to report for this year.

Conclusions based on this data:

For English Learners, we increased our student reclassification percentage by 75% from the previous year (20 students vs 35 students this year). Our school's emphasis on English Learners and language development allowed for more intentional focus and growth with our students. The number of English Learners continues around 30% of our student population, this includes our Newcomer Academy who are all identified as English Learners. Not including our Newcomer Academy about 24% of our students are English Learners. About 62% of our students are either current English Learners or Reclassified (RFEP), meaning that we need to be mindful of supports and scaffolds in class to help 60+% of our student population access curriculum and engage in high level learning. Our Newcomer Academy makes up about 26% of our EL population and work closely with their teachers to acquire language skills necessary to access the curriculum. The largest area of concern that needs to be addressed is the fact that the majority of our non-Newcomer Academy EL students are Long-Term English Learners (LTELs). For LTELs, we need to identify specific skills and domains within the ELPAC that they struggle with and work on them in multiple subject areas so they are reinforced since they are the majority of our English Learners. Complex text comprehension, engaging in conversations with peers, and justifying an opinion through writing are areas that LTEL need support and focus in. Based on previous ELPAC and classroom data, it shows a need to provide explicit instruction in vocabulary. Multiple exposures to a word are needed in order for that word to become part of the lexicon and allow for the students to transfer to written language. The data also helped us identify a need to provide opportunities to read narrative and expository text as those are examples of well-developed language skills and needed to interpret information. Based on ELPAC data, we identified the need to level our ELD classes by ELPAC levels and then address the domains needed within that level for reclassification. For the 2022-2023 school year we were able to do this. We also added another section of ELD to ensure that class numbers stayed low and allowed for a more intimate and intentionally focused classroom. By leveling the students and utilizing ELPAC data we can target our instruction to better meet the students' needs. In addition, teachers and administrators have EL data talks with students so they may identify their areas of strength and need. We have expanded our AVID Excel program through 6th-8th grade to address the needs of our long-term English language learners and focus on the academic

language discussions and discourse. Our AVID Excel students continue to show significant growth moving up levels and meeting proficiency standards on the ELPAC.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All Students will reach high standards, at a minimum, attaining proficiency or better in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|---|---|
| CAASPP ELA | <p>The percentage of students who Met or Exceeded the standard for CAASPP ELA from 2021-2022</p> <p>6th grade students: 29% 7th grade students: 28% 8th grade students: 32%</p> | <p>CAASPP ELA</p> <p>The number of 6th grade students scoring "Met Standard" or "Exceeded Standard" based on 2022-2023 CAASPP assessment data will increase by 13%.</p> <p>The number of 7th grade students scoring "Met Standard" or "Exceeded Standard" based on 2022-2023 CAASPP assessment data will increase by 12%.</p> <p>The number of 8th grade students scoring "Met Standard" or "Exceeded Standard" based on 2022-2023 CAASPP assessment data will increase by 10%.</p> |
| CAASPP Math | <p>The percentage of students who Met or Exceeded the</p> | <p>CAASPP Math:</p> <p>The number of 6th grade students scoring "Met</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------------|---|--|
| | <p>standard for CAASPP Math from 2021-2022</p> <p>6th grade students: 14% 7th grade students: 9% 8th grade students: 13%</p> | <p>Standard" or "Exceeded Standard" based on 2022-2023 CAASPP assessment data will increase by 15%. The number of 7th grade students scoring "Met Standard" or "Exceeded Standard" based on 2022-2023 CAASPP assessment data will increase by 12%. The number of 8th students scoring "Met Standard" or "Exceeded Standard" based on 2022-2023 CAASPP assessment data will increase by 9%.</p> |
| STAR 360 Reading | <p>The percentage of students who scored At or Above on the Fall 2022 Benchmark:</p> <p>6th grade students: 27% 7th grade students: 23% 8th grade students: 22%</p> | <p>Students will demonstrate growth by moving at least one or two levels across the different bands on STAR 360 ELA. The percentage of students who will score At or Above benchmark will increase by:</p> <p>6th grade students: 13% 7th grade students: 17% 8th grade students: 18%</p> |
| STAR 360 Math | <p>The percentage of students who scored At or Above on the Fall 2022 Benchmark:</p> <p>6th grade students: 11% 7th grade students: 6% 8th grade students: 10%</p> | <p>Students will demonstrate growth by moving at least one or two levels across the different bands on STAR 360 ELA. The percentage of students who will score At or Above benchmark will increase by:</p> <p>6th grade students: 15% 7th grade students: 15% 8th grade students: 10%</p> |
| ELPAC/Reclassification | <p>36 students reclassified for the 2022-2023 school year based on scores from 2021-2022 data.</p> | <p>The reclassification rate will increase by at least 25% for students to reclassify based on 2022-2023 ELPAC data.</p> |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Professional Learning Communities (PLC) will review ELA and Math performance to plan for data driven instruction at weekly meetings. Departments will use data to plan for common formative assessments.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

3500

Source(s)

LCFF
1000-1999: Certificated Personnel Salaries
Teacher Extra Help

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All

Strategy/Activity

Use multiple data points to make appropriate course placements. Counselors strategically place students based off of test data, grades, past socio-emotional challenges, past discipline and ELD and SPED guidelines. Counselors also solicit student choice and teacher recommendations when making these placements.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
Counselor Salaries

10000

LCFF

1000-1999: Certificated Personnel Salaries
Counselor Extra Help

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students, but targets the following special population groups: English Learners, Migrant, SED, Foster, Homeless, and African- American.

Strategy/Activity

School tutoring, including support for Long Term English Learner (LTEL) students, homeless, African American and foster-youth. Students not meeting standards will have high priority for the After School Program assistance and extended breaks to support academic improvement. The school will increase academic success through evidence-based reading intervention program - Leveled Literacy Intervention (LLI).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| | ASES |
| | District Funded 1000-1999: Certificated Personnel Salaries Intervention Service Provider (ISP) - LLI Program Implementation |
| 10000 | LCFF - Intervention 1000-1999: Certificated Personnel Salaries Teacher Extra Help - Academic Intervention |
| 10000 | Title I 1000-1999: Certificated Personnel Salaries Teacher Extra Help - Academic Intervention |

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Use data analysis of assessment results through District Programs (such as Ellevation) to inform instruction and to monitor progress. Data will be used from STAR 360, CAASPP, ELPAC, and from

curriculum embedded assessments. Teachers will also use data from common formative assessments to drive instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
5800: Professional/Consulting Services And
Operating Expenditures
Program contacts (Star, Ellevation)

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Progress monitoring in ELA and Math using LLI, ST Math, Lexia, MyOn, STAR 360, AR, and curriculum-based assessments.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
4000-4999: Books And Supplies
Curriculum

District Funded
5800: Professional/Consulting Services And
Operating Expenditures
Supplemental programs (Lexia, STMath, LLI,
myON, AR)

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

During PLC time teachers will calibrate writing, develop common rubrics, share instructional techniques, and review pacing guides. Teachers will also develop common formative assessments (CFAs) and discuss data in relation to it and other assessments such as IAB's and STAR 360 Data.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners and Migrant

Strategy/Activity

Provide daily designated English Language Development for English Learner students

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Teachers will receive professional development for ELD curriculum and implementation. Content area teachers will receive professional development in Math, Science and Social Studies for English Language Development.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 1579 | Title III 1000-1999: Certificated Personnel Salaries Teacher Extra Help - English 3D training |
| 900 | Title III 1000-1999: Certificated Personnel Salaries Teacher Extra Help - Collaboration on English 3D lessons |

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

STAR 360 ELA and Math assessments will be administered three times per year to monitor student growth toward the benchmark. Teachers and administrators will analyze the data for growth.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| | District Funded 5800: Professional/Consulting Services And Operating Expenditures STAR 360 Program |

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners, Migrant

Strategy/Activity

District EL TOSA (Teacher on Special Assignment) will work with ELD staff on strategies and differentiation for our LTEL students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| | District Funded 1000-1999: Certificated Personnel Salaries EL TOSA |

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Teachers will attend conferences for professional development opportunities, site driven initiatives, strand focus. Teachers will participate in student monitoring conferences.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 3010 | Title I 5000-5999: Services And Other Operating Expenditures Travel and Conference |
| 7000 | Title I 1000-1999: Certificated Personnel Salaries Teacher Substitutes/Floater - Official Business |
| 3000 | LCFF 1000-1999: Certificated Personnel Salaries Teacher Substitutes/Floater - Teacher Professional Development |

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students, but emphasis placed on English Learners, Homeless, and SED students

Strategy/Activity

AVID electives (7) will be available for grades 6-8 to promote college readiness and implementation of AVID strategies: binder checks, Cornell Notes and WICOR Strategies. AVID Tutors will support

AVID strategies in the elective classes. Field trips to local colleges and universities will support college readiness and create a college atmosphere on campus. Teachers and administration will participate in professional development.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 14784 | LCFF 2000-2999: Classified Personnel Salaries Instructional Assistance-Extra Help-AVID - Tutors |
| 23335 | Title I 2000-2999: Classified Personnel Salaries Instructional Assistance - Extra Help - AVID - Tutors |
| 2500 | Title I 4000-4999: Books And Supplies Warehouse Charges - Cost of binders and AVID Supplies |
| 2000 | Title I 5000-5999: Services And Other Operating Expenditures Field Trip - Transportation |
| 2000 | Title I 5000-5999: Services And Other Operating Expenditures Services, Entrance Fees, and Operations |
| 2500 | LCFF 1000-1999: Certificated Personnel Salaries Teacher Extra Help - AVID Site Coordinator |
| 1700 | Title III 2000-2999: Classified Personnel Salaries Instructional Assistance - Extra Help - AVID Excel - Tutors |

Strategy/Activity 13

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students - emphasis on Special Education, SED, and GATE

Strategy/Activity

Technology online subscriptions, licenses and applications will be used to support state standards, intervention programs, enrichment activities and strand focus.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 11000 | Title I 5000-5999: Services And Other Operating Expenditures Online Subscriptions - Flocabulary, Newsela |
| 2000 | Title III 5000-5999: Services And Other Operating Expenditures Online Subscriptions - Brain Pop for ELs |

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide after school clubs for students to participate in strand focus activities, enrichment, and sports.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |

Annual Review

SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Frank Academy will continue to dedicate the majority of time, effort, and focus on the CCSS Curriculum and best first instruction. Based on the past three school years with varying degrees of disruption and data collection, our focus will continue to be on priority standards in ELA and Math to ensure equitable, grade level instruction is happening to help our students progress and meet them where they are academically. Data from the end of year STAR 360, shows that about 26% of our students are on grade level for ELA. This trend, unfortunately matches past year trends, which shows stagnant growth for the overall percentage of students that meet grade level standards. Therefore, more focus is needed on using data to drive instruction and specific interventions to address the learning gaps. This includes scaffolded and differentiated lessons throughout the year, data chats/progress monitoring conferences with teachers. Gaps need to be identified and addressed in the moment, so that grade level instruction can continue, while supporting the areas of concern along the way. Frank will build on past momentum with Professional Learning Communities (PLCs) to align practice, collaborate, and share data. Our cycle of inquiry and common formative assessments will allow us to compare instructional practices and activities to create best, first instruction. Common formative assessments (CFAs) need to be based on deconstructed grade level standards and performance indicators. Math is an area of focus. Currently our percentages are considerably lower than ELA across all three grade levels. On average, about 9% of our students are at or above grade level for Mathematics. Being that mathematics is typically centered on fixed ability messages, Frank School will need to continue to develop a growth mindset with regards to math and communicate with students that their ability in math is malleable and they can continue to learn and grow. The drop in overall percentages as the

year progresses indicates that we need to examine our mathematical practices to ask more higher order thinking questions that engage the students with real-world application. This thought process will allow necessary processing speed for some of our low achieving students right now and the ability for students to see that high achievement is possible. Open-ended questions with multiple steps will allow students to use formulas, while sharing opinion and negotiating their own path to finding the answer. This will raise the level of mathematical awareness and improve instruction in the classroom. Math needs to ensure that all priority instructional standards are taught to build on past knowledge. Identified gaps need to be addressed in the classroom so students do not fall even further behind. For English Learners, we increased our student reclassification percentage by 75% from the previous year (20 students vs 35 students). Our school's emphasis on English Learners and language development allowed for more intentional focus and growth with our students.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The major differences between the intended implementation from 2021-2022 school year and the actual implementation had to do with the unknowns regarding the COVID-19 pandemic, county health guidelines which limited access and opportunity for particular strategies and limited data from the past two years due to the COVID-19 pandemic. The expected outcomes and metrics were incomplete and could not be compared to last year. With uncertainty and staffing concerns, collaboration, trainings, walkthroughs, etc. were not possible. Many of the budgeted expenditures from 2020-2021 were to support our students returning to a full day instruction model. Resources and strategies were inconsistently implemented all year as it depended on specific guidelines for health.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Many of the changes to the goals and strategies for this goal relate to the need to address the current learning gaps of our student body and the significant number of students that are At or Below Grade level in Reading and Math. Student proficiency levels in STAR 360 in both ELA and Math will be reviewed more frequently during the year which will allow for a more scaffolded and in-depth analysis of scores at the beginning of the year and end of the year. The overall metric of English Learners remained the same and focused on reclassification vs just the ELPAC scores. It reflects the high number of LTELs at our site and the need to emphasize the importance of passing both the ELPAC and the reading metric, which is to score in the 25% percentile of STAR Reading. Strategy 3 addresses the need for more academic intervention with Long Term English Learners and strategy 17 allows for data review and monitoring with the end being a large Reclassification Recognition night for students and families to celebrate the importance of their achievement. The school increased the number of English Language Development classes for next year to ensure that the numbers remained low to support small group instruction and differentiated instruction. Tier 1 and Tier 2 interventions were placed in the strategies to address the need for more intervention for our students to address gaps in reading and math, especially with LTELs. This next year, teachers will have additional time to plan for collaboration and the sharing of data and best practices after school (early release Wednesdays).

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|----------------------------|---|---|
| Suspension Rate | The Suspension rate for 2021-2022 was 11% | The Suspension rate will decrease to 5% |
| Discipline Referral Totals | <p>The overall number of discipline incidents was 1041 for 2021-2022. The number includes all classroom referrals.</p> <p>Per grade level, the overall discipline incidents were as follows: 6th - 159 7th - 345 8th - 510</p> | <p>The overall number of discipline incidents will drop by 10% or more. The number includes all classroom referrals.</p> <p>Per grade level, discipline incidents will drop by the following percentages: 6th - 5% 7th - 10% 8th - 20%</p> |
| Panorama SEL Survey | The Panorama SEL Survey from Spring 2022 is used to calculate school climate and student well-being. The following percentages were reported for the indicator of "feel a sense of belonging at school.": | <p>The percentage of students who feel a sense of belonging will increase by the following percentages by the Spring 2023 Panorama SEL Survey:</p> <p>6th grade - 10% 7th grade - 15% 8th grade - 17%</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|---|------------------|
| | 6th grade - 60% 7th grade - 51% 8th grade - 46% | |

All Students

Strategy/Activity

Professional development will be conducted both district wide and site based on PBIS/STOIC. All staff working with students with special needs will receive NCPI training.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Utilization of WEB (Where Everyone Belongs) - WEB is a transition program that trains 8th graders to be positive role models around campus who welcome 6-7th graders and make them feel comfortable through middle school.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Bullying prevention education will be provided to students, parents and teachers through assemblies, mandated trainings and parent informational nights.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Annual Review

SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The overall effectiveness of this goal was difficult to measure due to no California Dashboard data on suspension rates, however we utilized in-house data to support all the given metrics. Attendance and discipline issues (suspensions) were a major concern that affected the overall implementation of our school plan this past year. The number of students suspended went up drastically and increased by 72% as compared to data from last year we had in-person instruction (2019-2020). However, we did decrease our overall number of discipline referrals by 59% (2441 in 2019-2020 to 1014 in 2021-2022). This shows that our plan to work with students in the classroom worked to reduce the referrals, but more emphasis and care is needed for our most vulnerable population that were suspended for grave offenses this past year. Attendance was a concern with

COVID quarantine guidelines. Students missed a lot of school, for reasons outside of their control. Attendance, health guidelines and restrictions made it difficult for students to feel connected to school and participate in a full year's worth of SEL growth and culture building on campus. Programs that typically support a positive, safe school environment such as WEB, ASB, and after school clubs and sports were absent or greatly reduced/modified due to county and state health guidelines. The strategies/activities from the previous year reflected the need to provide social-emotional support for students to feel safe at school. Those supports will continue, but a greater emphasis is needed in social skills, responsibility, and SEL support in school. A large focus has been placed on having students feel connected to school again. Many students need opportunities to talk about feelings, participate in positive school activities, and have opportunities to interact with one another.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The major discrepancy between the intended implementation and the budgeted expenditures was the reduction in support and administrative staff in the office. This caused a disruption when trying to achieve the goal of checking in with students, monitoring attendance, and contacting families in regard to academic and behavior concerns. There was just not enough human capital to support the needs of the students this past year. There were also some vacant paraprofessional and campus supervisor positions all year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Many of the same strategies and activities still apply, but will need to be modified or adjusted to meet the needs of students for this school year. The school did adjust the metrics/indicators and the expected outcomes. We will continue to address the need for more supervision on campus as the current amount of campus supervisors does not allow us to appropriately monitor areas and provide support for students. This is reflected in strategy 7 of this goal. We also added additional administrative support for this upcoming year to help address behavior and attendance concerns. This is reflected in strategy 25. Finally, in order to build a positive, safe school environment, and address the great SEL needs we saw this past year, we have added a Wellness Center for our students to check-in, feel supported, and create a pro-active approach with peer relationships and discipline. It is reflected in strategy 23 of our school plan.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
 To facilitate parent involvement in the educational and social-emotional well-being of their children
 To increase volunteer opportunities so parents can assist in the classroom and on campus

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|--|
| English Learner Parent Needs Survey | 2021-2022 needs survey results: 31 parent took the survey 87% felt welcomed when they visit the school. 2% did not. 1% of families said that someone was not available to speak the language of the parents in the office | Data for the Needs Survey will improve by the following: Feeling welcomed at school 5% Preferred language in office 1% |
| Average attendance at ELAC Meetings | An average of 6 parents attended ELAC Meetings. | Attendance will increase by 50% at ELAC Meetings this year. |
| Parent attendance at Back to School Night | 2021-2022 Back To School Night Attendance - completed virtually 518 students had someone attend BTSN | 2022-2023 Back To School Night attendance will increase by 10%. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Title I parent information presented at Back to School Night.

Proposed Expenditures for this Strategy/Activity

Annual Review

SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Parents were provided meaningful opportunities to participate in their children's growth. Parents attended various trainings such as Canvas, Parent Night meetings, as well as Back to School Night and Parent/Teacher conferences to be involved in their children's well-being and education. School meetings were held virtually (ELAC and SSC), which allowed parents to be a part of the decision-making process at school and participate in a new capacity. As a result of being virtual, parents were afforded more access to join meetings with their various work and home commitments that previously did not allow them to attend. All SSTs, IEPs, Parent-Teacher Meetings, and 504s were held virtually to still allow parents to be a part of the process with an option of in-person environment, if needed. Families continued receiving hotspots to facilitate meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Online applications like Zoom and Canvas allowed for parents the opportunity to participate in their child's education, though there were challenges in getting parents familiar and comfortable with the applications. Not all parents signed up to receive notifications to be able to monitor student progress via Canvas. The discrepancy between Canvas and Q caused parents to not always be up to date with information or know where they should consistently look. County Health and Safety guidelines caused less participation from community members overall.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Many of the strategies and actions will remain the same this year. Online meetings allowed for generally more participation and less cancellations for IEP and 504 meetings. The modified times did not affect attendance as we transitioned to using Zoom for ELAC and PTO meetings. They were not affected due to the meetings being online. School Site Council meeting scheduled right after school allowed for more consistent participation of all committee members. This year, we are looking to add more on campus opportunities for parents with Back to School night, trainings, and various meetings with our Outreach Specialist.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$123,542.00 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$0 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$362,802.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Amount (\$) |
|------------------|-------------|
| Title I | \$96,731.00 |
| Title III | \$26,811.00 |

Subtotal of additional federal funds included for this school: \$123,542.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Amount (\$) |
|-------------------------|--------------|
| LCFF | \$209,260.00 |
| LCFF - Intervention | \$30,000.00 |

Subtotal of state or local funds included for this school: \$239,260.00

Total of federal, state, and/or local funds for this school: \$362,802.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|------------|---------|
| Title I | 96,731.00 | 0.00 |
| Title III | 26,811.00 | 0.00 |
| LCFF | 209,260.00 | 0.00 |
| LCFF - Intervention | 30,000.00 | 0.00 |

Expenditures by Funding Source

| Funding Source | Amount |
|---------------------|------------|
| LCFF | 209,260.00 |
| LCFF - Intervention | 30,000.00 |
| Title I | 96,731.00 |
| Title III | 26,811.00 |

Expenditures by Budget Reference and Funding Source

| Budget Reference | Funding Source | Amount |
|--|---------------------|------------|
| 1000-1999: Certificated Personnel Salaries | LCFF | 35,500.00 |
| 2000-2999: Classified Personnel Salaries | LCFF | 119,262.00 |
| 4000-4999: Books And Supplies | LCFF | 46,498.00 |
| 5000-5999: Services And Other Operating Expenditures | LCFF | 8,000.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Intervention | 30,000.00 |
| 1000-1999: Certificated Personnel Salaries | Title I | 25,000.00 |
| 2000-2999: Classified Personnel Salaries | Title I | 23,335.00 |
| 4000-4999: Books And Supplies | Title I | 25,886.00 |
| 5000-5999: Services And Other Operating Expenditures | Title I | 22,510.00 |

| | | |
|--|-----------|----------|
| 1000-1999: Certificated Personnel Salaries | Title III | 3,379.00 |
| 2000-2999: Classified Personnel Salaries | Title III | 7,700.00 |
| 4000-4999: Books And Supplies | Title III | 8,232.00 |
| 5000-5999: Services And Other Operating Expenditures | Title III | 7,500.00 |

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 188,708.00 |
| Goal 2 | 139,581.00 |
| Goal 3 | 34,513.00 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 1 Other School Staff
- 3 Parent or Community Members
- 3 Secondary Students

| Name of Members | Role |
|-------------------|----------------------------|
| Tyler Higa | Principal |
| Maybellyne Frazer | Classroom Teacher |
| Kristin Dodge | Classroom Teacher |
| Crystal Reagan | Classroom Teacher |
| Mark Urwick | Classroom Teacher |
| Amber Pergeson | Other School Staff |
| Yolanda Melano | Parent or Community Member |
| Bob Vargas | Parent or Community Member |
| Yanira Ortega | Parent or Community Member |
| Genesis Gonzalez | Secondary Student |
| Rayleen Gonzalez | Secondary Student |
| Aleshka Guillen | Secondary Student |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

Rayleen

School Site Council

Veronica

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on June 6, 2022.

Attested:

Tyler Higa

Principal, Tyler Higa on 06/08/22

Rayleen

SSC Chairperson, Ms. Rayleen Gonzalez on 06/08/22

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

For a list of active programs, please see the following links:

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019
