Note: For the month of July, the school district's work calendar includes a mandatory vacation period from July 28 to August 1. For the month of August, the calendar shows regular days of work. For September, the calendar includes regular days, with the first day being a Monday. The calendar is designed to provide a clear view of the school district's work schedule, holidays, and other important dates. The dates are color-coded to distinguish between different types of days, such as school days and holidays.
