LCFF Budget Overview for Parents

For the 2020-21 school year school districts must work with parents, educators, students, and the community to develop a Learning Continuity and Attendance Plan (Learning Continuity Plan). The Learning Continuity Plan replaces the Local Control and Accountability Plan (LCAP) for the 2020–21 school year and provides school districts with the opportunity to describe how they are planning to provide a high-quality education, social-emotional supports, and nutrition to their students during the COVID-19 pandemic.

This chart provides a quick summary of how much Oxnard School District plans to spend for planned actions and services in the Learning Continuity Plan for 2020-2021 and how much of the total is tied to increasing or improving services for high needs students.

Oxnard School District plans to spend \$220,789,956.00 for the 2020-2021 school year. Of that amount, \$35,048,612.00 is tied to actions/services in the Learning Continuity Plan and \$185,741,344.00 is not included in the Learning Continuity Plan. The budgeted expenditures that are not included in the Learning Continuity Plan will be used for the following:

Budgeted items not in the LCP include: classroom teachers, office staff, administrative staff salaries and benefits; Special Education costs; Facilities, Maintenance & Operations, and Custodial staffing, materials, and services; all utilities, core textbooks and materials, and contracted repairs/leases; contracts for technology services and software that support District operations, such as the financial system, the student information system, library system, and educational data systems.
